☐ This research manuscript reports data collected from human subjects and has been approved by the local campus Institutional Review Board.

☐ This research manuscript does not report data collected from live animals.

☐ This research manuscript reports data collected from live animals and has been approved by the local campus Institutional Animal Care and Use Committee.

Student author(s):

The author(s) hereby submit the following manuscript for review to the *Keystone Journal of Undergraduate Research (KJUR)*. They affirm that the work presented in this manuscript is their own original research unless otherwise acknowledged as outside references in the literature cited. The author(s) conducted the research with the help of the above listed mentor and have received approval from the mentor to publish this article.

In signing this form:

- Each author acknowledges the submission of this manuscript to be published in the *KJUR,* an electronic journal published by Shippensburg University.
- Each author acknowledges that they participated in the work in a substantive way and is prepared to take public responsibility for the work.
- Each author understands that the article will be blind-reviewed by a panel of faculty reviewers who will recommend acceptance for publication; acceptance with revisions; or reject for publication.
- Each author certifies that they have followed the accepted standards of scientific, creative, and academic honesty and ethics.
- Each author confirms that the publishing of this manuscript by the *KJUR* does not conflict with any other copyrights or legal bindings and agrees not to publish the manuscript in any other form prior to publication in the *KJUR*.
- Each author is aware that some research journals may require exclusive rights to the research they publish and understands that by publishing in *KJUR* may preclude the article being published in another journal.
- Each author understands that the *KJUR* maintains the right to reprint any portions of the submitted work for educational and advertisement purposes.
- Each author understands that *KJUR* is published under a Creative Commons Attribution Noncommercial License (CC BY-NC).
- Each author understands that the authors retain the copyright to their work

Faculty Mentor Signature:

The *Keystone Journal of Undergraduate Research* (KJUR) strives to publish the most outstanding scholarship of undergraduates at the PASSHE Universities. Therefore, the paper submitted should be of the highest academic caliber, should conform to the documentation standards prescribed by the *KJUR*, should adhere to rigorous investigative techniques, and should be essentially free of errors.

By signing this form, I acknowledge that I have read the manuscript named above and critiqued it on content, method, style, grammar, and overall presentation; and that the planning, execution, and writing of the manuscript represent primarily the work of undergraduate students. I understand that I will be acknowledged as the faculty mentor for the student author(s) and approve it for submission to the *Keystone Journal of Undergraduate Research*. To the best of my knowledge, the student has followed the accepted standards of investigation, creativity, academic honesty, and ethics as they conducted the research.

By completing the signature and date sections below you hereby consent that all information on this form is accurate to the best of your knowledge. Please note: this form maybe signed electronically or signed and scanned as a PDF to submit to KJUR.
