

150 YEARS OF EXCELLENCE

SHIPPENSBURG
UNIVERSITY

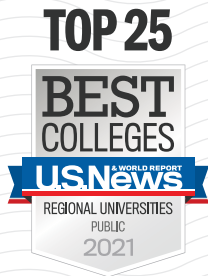

At **SHIP YOU** are the center of everything we do. We support your passions, your interests, and your dreams with a 150-year tradition of excellence. A nationally ranked reputation ensures a smart investment. At Shippensburg University you can pursue your goals, foster new relationships, and achieve the future you want.

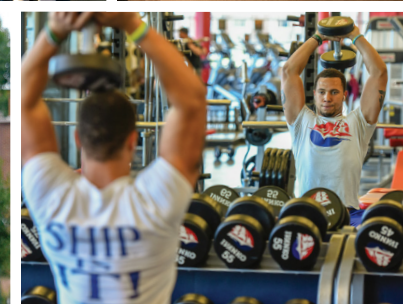

The Ship family is waiting for you. Join **71,000+ alumni,** **6,100+ students,** and devoted faculty and staff. Find the person you've always wanted to become. At Ship you

SET YOUR OWN COURSE

We're here to help you map out the path to your own unique adventure.

Our highly-qualified faculty are leaders in their fields and teach small classes—23 people on average. For every 17 students at Ship, we have one faculty member dedicated to your support. Our 250+ programs offer the variety you need to succeed. Not sure what you want to do? Exploratory Studies helps you find your way to the major and career path that is right for you.

At **SHIP YOU** have *endless academic opportunities* and a community of expert faculty committed to your success.

Ship professors are focused on real-world challenges and building partnerships as **leaders in their fields**. You will conduct vital research, solve problems, and make a difference in the world while gaining the **hands-on experience** you need to stand out in your field.

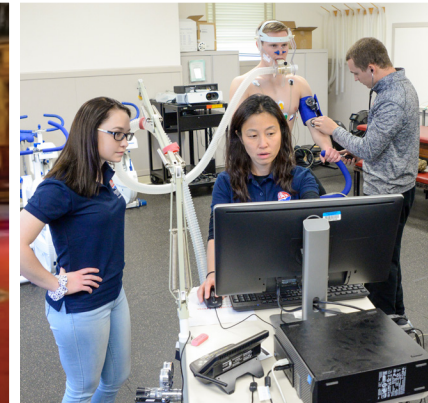

- Ship leads the State System in faculty Fulbright scholars
- 90% of Ship faculty hold the highest degree in their discipline

“I had some of the greatest teachers and professors at Ship and that really helped me to be successful in my career.”

Dr. Khalid Mumin '95 | Educator, Pennsylvania Superintendent of the Year—2021

At **SHIP YOU** have **access to unique learning opportunities** right on campus.

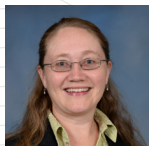

- Research with the Center for Land Use and Sustainability
- Invest and trade with a live portfolio in the Brad E. Hollinger Stock Trading Room
- Bring history to life in the Fashion Archives and Museum
- Educate future generations at the Grace B. Luhrs University Elementary School, the only public lab school in the state
- Inspire change in our communities with the Shippensburg Community Resource Coalition

With nearly 250 programs, Ship offers **accredited** and industry-aligned undergraduate, graduate, and doctoral programs, preparing the workforce of the future, today.

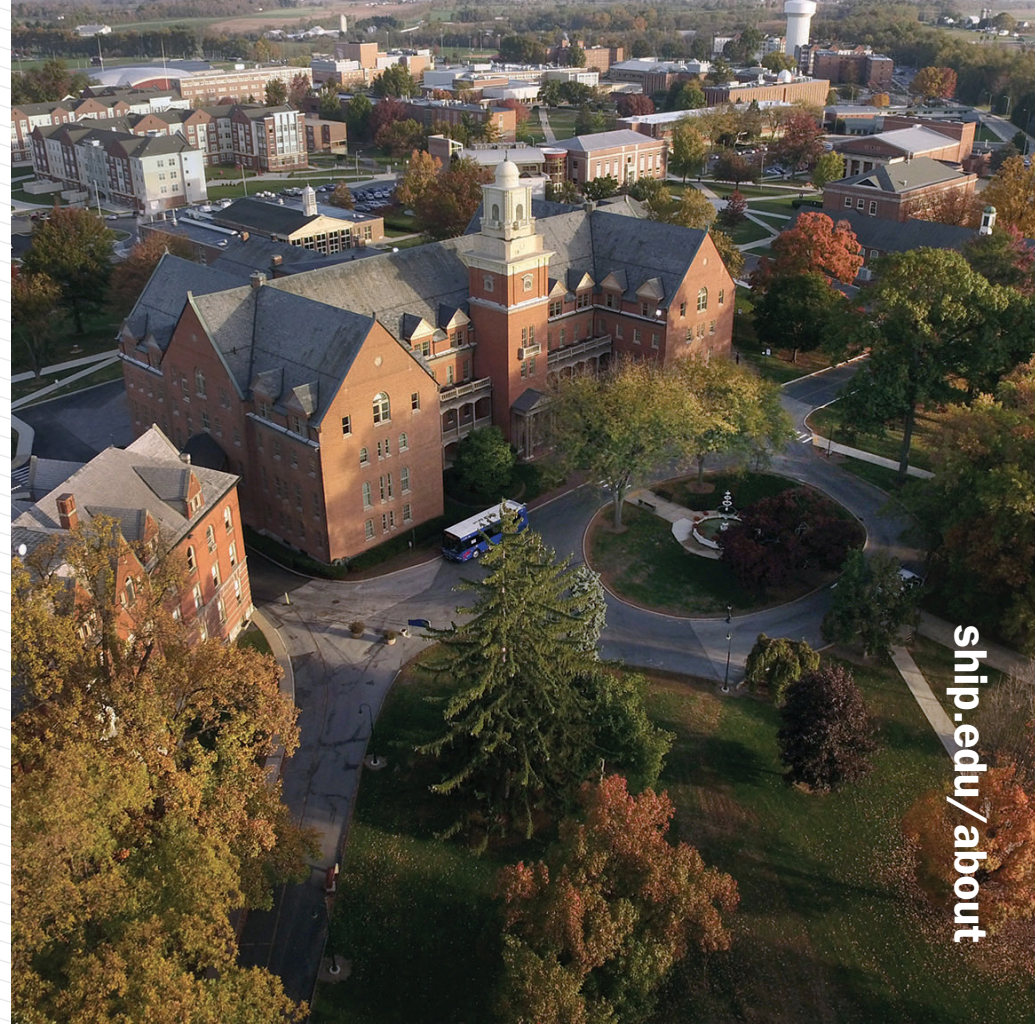

“Dr. Claire Jantz’s work is transforming the South Mountain landscape from a region with little support available—to partners wanting to make meaningful data driven decisions about land use planning, transportation, conservation, recreation, and sustainability.”

—Katie Hess, director of South Mountain Partnership and director of PA Landscape Conservation Appalachian Trail Conservancy.

Dr. Claire Jantz | Professor of Geography/Earth Science | Director for the Center for Land Use and Sustainability

ship.edu/about

At **SHIP YOU** get the **career support you need** from day one.

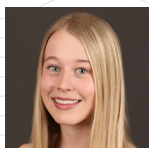

The Career Mentoring and Professional Development Center is your internship and job placement resource. From the day you step on campus until you graduate, expert staff help you polish your resume, navigate your job search, and prepare for an interview. The Career Center has a 100% approval rating from participating students according to niche.com.

With over **2,000 employers** actively recruiting Ship students, we're ready to help you land your dream job!

- Job and internship fairs
- Resume workshops
- Ship Connects platform connecting students to alumni
- Alumni job shadow and mentor program
- Hersheypark Leadership Development partnership
- Professional dress closet offering free professional wardrobe options for students

“Internships have been so important in my college journey. I am able to take the things I am learning in the classroom and apply them to real-world experiences.”

Taylor Hauck '22 | Marketing | Intern, Volvo Construction Equipment

CAMPUS CLIMATE COMMITMENT

We take sustainability seriously with energy efficient practices and academic programs dedicated to creating a more sustainable future. In fact, we have several majors dedicated to environmental wellness. Our campus farm and community garden gives students a place to grow their learning. StewardShip Week brings the campus together annually for sustainability-focused programs and a celebration of Earth Day. In 2020, the university signed a climate commitment to a future integrating carbon neutrality and community resilience planning.

At **SHIP YOU** can *immerse yourself in campus life* and more than 200 clubs or organizations.

We offer plenty of opportunities for community service, recreation, professional development, Greek life, and much more. If you don't find your interests represented, Ship empowers you to start your own club.

Enjoy world-class entertainment at the Luhrs Performing Arts Center or appreciate the artistic skill of fellow students and world renowned artists displayed at the Kauffman Gallery. Our student-run Activities Programming Board (APB) offers year-long activities and events in the student union building from movie night in our movie theatre, to escape rooms, comedians, billiards, and gaming.

one campus  **many cultures**
SHIPPENSBURG UNIVERSITY

We are committed to diversity and inclusion.

With a university culture that encourages participation and inclusion, we grow and learn from one another. With outstanding activities, support organizations, and resources, Ship empowers all members of the campus community to be their best.

Pre-Law

Students interested in a Pre-Law program may select any major. Typical curricula include Political Science, Business, History, and English.

Unique minors

American Chemical Society Certification, Anthropology, Biochemistry, Business, Coaching, Creative Writing, Data Science, Disability Studies, Ethnic Studies, French Cultural Studies, Geographic Information Systems, German Studies, Gerontology, International Development, Marine Science, Military Science, Music, Philosophy, Reading, Professional Writing, Technical/Professional Communications, Theatre, Women's and Gender Studies

At SHIP YOU can go further, faster.

Ship opens doors to service opportunities and enhanced study through its honors, Peace Corps Prep, ROTC, study abroad and pre-professional programs. Depending on your field of study, you may have an opportunity to pursue a dual or advanced degree as part of an accelerated program.

Wood Honors College | offers talented students enriching undergraduate experiences. It offers many curricular and extracurricular opportunities while promoting scholarship, leadership, service and exploration. Benefits include small classes, priority scheduling, an honors residence hall option, and special undergraduate research, service-learning and study abroad opportunities.

Peace Corp Prep | prepares you for international development careers and Peace Corps service. The program is open to all undergraduate students on campus. It does not guarantee selection into the Peace Corps, but those with certification are twice as likely to be hired.

Reserve Officers Training Corps (ROTC) | readies you to serve as a United States Army officer while you pursue your education. You may serve on active duty or in the Army Reserve or Army National Guard upon graduation.

Study Abroad | combines education with adventure. Many academic programs encourage studying in another country to complement your learning experience.

PRE-PROFESSIONAL

Pre-Law

Pre-Chiropractic, BS

Pre-Dentistry, BS

Pre-Medicine, BS

Pre-Optometry, BS

Pre-Podiatry, BS

Pre-Pharmacy, BS

Exercise Science, Allied Health Pre-Professional Concentration, BS

Exercise Science, Pre-Athletic Training Concentration, BS

ACCELERATED PROGRAMS

Some of Ship's programs allow for accelerated options that lead to multiple degrees in a shorter time span than that of a traditional experience. These include:

Accounting/MBA (5 years)

Biology, BS/MS (4+1)

Computer Science, BS/MS (4+1)

Criminal Justice, BS/MS (4+1)

Engineering/MBA (4+1)

Geoenvironmental Science, Sustainability, or Geography, BS/MS Geoenvironmental Science and Sustainability

History, BA/Applied History, MA (4+1)

Public Service, BS or Political Science, BA/MPA (4+1)

At **SHIP YOU** can *live your best life.*

With Division II teams, student-run club sports, and a wide range of intramurals, there are lots of ways to get moving. If organized sports aren't your thing, you can work out at the student recreation and fitness facility, Ship Rec, cruise the 13-mile rail trail with our bike share program, or hit the disc golf course, volleyball courts or street hockey rink. There's so much to explore at Ship.

Giving back to our community is part of the Raider Way.
Ship students volunteer **60,000+ hours** each year.

Ship students volunteer through programming, community partnerships and campus-wide initiatives. From Ship's annual children's fair, to a local food pantry, or community cleanup projects, we can connect you to life-changing service learning opportunities.

At **SHIP YOU** have a network of support.

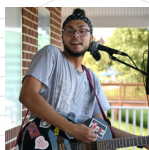

Your mental, physical, and spiritual well-being are priority. From caring professionals in the university counseling center, to the high-quality health care providers in the Etter Health Center, you have the resources you need to lead a balanced life as a Raider.

Keep your mind, body, and soul connected with Campus Ministries and the Spiritual Center. We want you to thrive on campus. Whether taking a newly offered spin class at Ship Rec, finding your center during the mindfulness series, or managing the demands of the semester with professionals through our Counseling Center, we have what you need to be and feel your best.

Ship's Student Success Center helps you transition to college. It is home to the Learning Center and its many academic support programs, and offices to make first generation and international students feel at home.

“At Ship I have learned to overcome. There have been many obstacles placed in front of me and though it has been difficult to maneuver around them, I have always found myself succeeding.”

Noah Steinfeldt '21 | Social Work | Campus Leader, Student Government Association

Application opens at ship.edu/apply

Apply early! Ship offers rolling admissions, which means we review your completed application as soon as we receive it.

October 1

FAFSA application opens

Complete your Free Application for Federal Student Aid at fafsa.gov.

February 15

FAFSA priority date

Submit your FAFSA early to get maximum federal, state, and scholarship aid.

May 1

Filing deadline for PA state grants

Filing deadline to be considered for state grants.

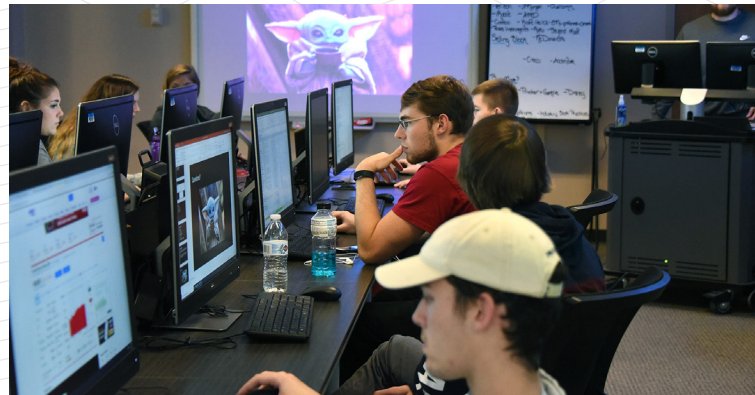

At **SHIP YOU** get a *quality education for exceptional value.*

Your bachelor's degree will earn you approximately \$1 million more* than a person without a postsecondary education over the course of a lifetime.

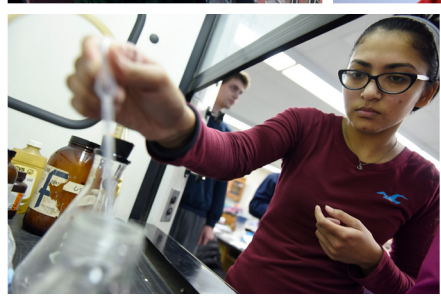

Students at Ship receive more than \$79 million in grants, scholarships, student employment, and loans each year, and **88 percent of first-year students** receive some form of financial aid.

Shippensburg offers five types of aid—Shippensburg University scholarships, federal and state grants, federal and alternative loans, work-study programs, and veterans' benefits.

To apply for financial aid, complete the Free Application for Federal Student Aid (FAFSA) and have the results sent to Shippensburg University. The Federal School Code for Shippensburg University is **003326**.
