Thank you for your support!

College life is filled with many things: a stimulating environment, a world filled with ideas, challenging voices, changing thoughts, expanding perspectives, constant activities - sports, music, arts, volunteer services, social action. There seems to be a limitless bombardment of people, places, and things vying for the attention of each student.

Catholic Campus Ministry and the Newman Association are in the midst of all this activity. Our purpose is to have a Catholic presence on campus, to continue to allow the Catholic faith to be heard in this world of new ideas and to promote activities for the enhancement of the spiritual and social life for the students on campus. Our ministry is to help our Catholic students meet God anew and grow in their faith commitment.

This Web page is one way that we reach out to our student, faculty and staff population as well as to anyone interested in our outreach and education through Catholic Campus Ministry at Shippensburg University. Your involvement in this Christ-centered mission is important to us.

First and foremost, please, remember to pray for our students. As we've mentioned before, there are many things (and temptations), vying for their attention. Secondly, we invite you to consider helping us with our ministry by making a financial contribution. If you find a particular program on our Web page that's of interest to you, please feel free to make a note of it on the memo section of your check. That way the funding will be directly applied to that program or event.

Checks may be made payable to: Catholic Campus Ministry and should be mailed to the following address:

Catholic Campus Ministry at Shippensburg University
Cora I. Grove Spiritual Center
1871 Old Main, Shippensburg PA 17257

If, for any reason, you would like to reach us by phone, our campus number is (717) 477-1244 and, the parish number at Our Lady of the Visitation Church is (717) 532-2912.

One last request is that you pray for us too, as we go forth to love and serve the Lord. Be assured that we are thankful to God and to you for your kindness and generosity to us. Thank you and God Bless You!

In the peace of Christ,

Fr. David Hillier
Pastor and Campus Minister

Mrs. Roxanne Dennis
Campus Minister
