CAREER DAY

2008

SPONSORED BY

THE GEOGRAPHY-EARTH SCIENCE DEPARTMENT

THURSDAY, NOVEMBER 13, 2008

All activities will be held in the Multi-Purpose Room (Room 214) and the Career Development Center at the Ceddia Union Building (CUB). The morning session will involve specific presentations related to job opportunities in Geographic Information Systems (GIS), and Economic Development and Environmental Assessment. The afternoon session will involve individual professionals meeting one on one with students to explain career and internship opportunities.
