Academic Progress-Continuing Eligibility

Academic progress toward a degree is calculated according to the number of credit hours completed.

Freshman	0-29 credit hours
Sophomore	30-59 credit hours
Junior	60-89 credit hours
Senior	90 or more credit hours

To be eligible for **practice or competition**, a student-athlete shall be enrolled in at least a minimum full-time program of studies leading to a baccalaureate or equivalent degree. At Shippensburg University, full-time undergraduate enrollment is 12-semester hours.

Additional requirements used to determine eligibility for **competition** shall be based on the following:

(a) Satisfactory completion of six-semester hours of academic credit the preceding regular academic term in which the student-athlete has been enrolled full time at any collegiate institution; and

(b) The following overall academic credit requirements:

(1) Satisfactory completion before each fall term of a cumulative total of academic semester hours equivalent to an average of at least 12 semester hours during each of the previous academic terms in academic years in which the student-athlete has been enrolled full-time; or

(2) Satisfactory completion of 24 semester hours of academic credit since the beginning of the preceding regular two semesters.

In addition, the following requirements must be met to satisfy continuing eligibility rules:

(a) A student-athlete shall earn at least 75 percent of the minimum number of semester hours required for progress toward degree during the regular academic year. For example, if a student is earning 24-semester credit hours had to be earned during the fall or spring semesters. The student-athlete shall earn no more than 25 percent of the minimum number of semester or quarter hours required for progress toward degree during the summer or winter terms.
