<u>Bolded Courses</u> are part of the business core curriculum as shown in a prerequisite flow chart on the back of this sheet.

<u>PLEASE NOTE</u> Sequencing of courses may vary depending upon the specific requirements within a particular major. For example, Accounting, Management Information Systems, Information Technology for Business Education, Management, Human Resource Management, International Management, and Entrepreneurship, majors should begin their major coursework during the first semester of their junior year.

Check with your advisor or departmental office for further information.

^{*}These courses can be interchanged between semesters within the specified year.
