

Camp Arrival

4:00 - 5:00 PM Sunday, June 28, 2009

Daily Schedule

7:30 AM Breakfast, dining hall
 8:30 AM Morning session
 11:30 AM Lunch, dining hall
 1:00 - 4:00 PM Afternoon session
 5:00 PM Dinner, dining hall
 6:15 - 9:45 PM Evening event
 10:20 PM Bed check
 10:30 PM Lights out

University

Shippensburg University is a co-educational multi-purpose University in south central Pennsylvania. It is located 45 miles west of Harrisburg and 30 miles north of Gettysburg. Founded in 1871, Shippensburg University is a member of the Pennsylvania State System of Higher Education. It is a comprehensive, regional university offering both graduate and undergraduate programs in three colleges: Arts and Sciences, Business, and Education and Human Services.

If your point of departure is ...

North of Shippensburg: Use I-81 or U.S. Route 11 south (Exit 29 from I-81). Upon entering Shippensburg, follow signs to Shippensburg University campus.

South of Shippensburg: Use I-81 north (or U.S. Route 11), take Exit 24, turn left and follow signs to Shippensburg University campus.

East of Shippensburg: Use Pennsylvania Turnpike Exit 226 (Carlisle), follow signs to I-81 south, take I-81 to exit 29. Turn right and follow signs to Shippensburg University campus.

West of Shippensburg: Use Pennsylvania Turnpike Exit 201 (Blue Mountain), take Route 696 south toward Shippensburg, follow signs to Shippensburg University campus.

From Baltimore/Washington, D.C., area: Take I-270 to I-70 west to I-81 north. Use exit 24. Turn left and follow signs to Shippensburg University campus.

Shippensburg University is an equal opportunity educational institution. Direct requests for disability accommodations and other inquiries to the Office of Disability Services, Horton Hall 120, Shippensburg University, 1871 Old Main Drive, Shippensburg, PA 17257-2299, (717) 477-1329, ods@ship.edu.

Phone: (717) 477-1256

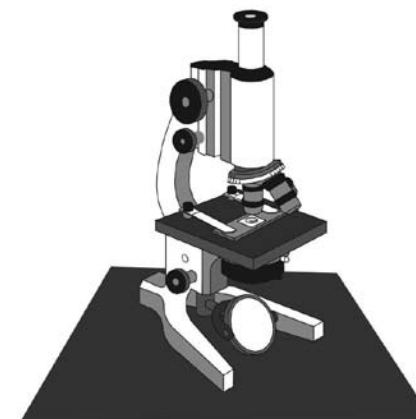

Introduction

The SU CSI Camp is designed to place students in an environment that recreates forensic practices of professional criminal investigators as realistically as possible. Students will be grouped into small teams that will be mentored by university college students. Each team will participate in a staged criminal investigation that will be set up, and led by forensics experts from the Cumberland County Forensics Laboratory. Students will be instructed on how, and have the opportunity to use state-of-the-art equipment. Participants will have the option to stay overnight or commute to the camp each day.

General camp information

1. Round-the-clock supervision for each camper.
2. Housing: Only two participants will be assigned to a room. Two sheets, one pillowcase, and a pillow are provided. No towels, washcloths, or blankets are provided. Bring a light blanket, washcloths, and towels with you. Coin operated washers and dryers are available in the residence hall.
3. Lost key policy: Campers who do not turn in their room key at camp dismissal will be subject to a lock change fee (ranging from \$40-\$60). For security reasons, lock changes must be made immediately before the next group arrives. Keys returned after check out is not permissible. There will be no exceptions.

4. Pre-register early. First-come, first-served. Get applications in early.
5. Health and Disability Services — The Etter Health Center is staffed and equipped to take care of minor illnesses and injuries that may arise during your stay on campus. Our physician is in attendance Monday through Friday from 1:30 to 2:30 PM. A registered nurse is on duty or on call 24 hours daily and may at her discretion call the physician for consultation at any hour. A certificate of health must be presented by each participant at the camp's registration. A standard form will be sent upon acceptance. **This form does not require a physician's examination or signature.** For some emergencies, the staff may send you directly to a local hospital. Requests for accommodations, auxiliary aids or services should be made in writing to the Office of Disability Services at least fifteen (15) days before the camp begins. The Office of Disability Services is located in Horton Hall 120, Shippensburg University, 1871 Old Main Drive, Shippensburg, PA 17257-2299, (717) 477-1329, ods@ship.edu.
6. Absolutely **no** visitation by family members during the week unless permission is granted by the camp director. Experience has shown that the campers are more receptive to instruction and less stressful when outside adults are not present.
7. Things to bring to camp:
 - Sneakers (closed toed, rubber soles). No open toed shoes allowed in the lab.
 - Appropriate clothing for laboratory work.
 - No bare midriff or sleeveless shirts.
 - Long hair must be tied back.
 - No hats may be worn in the laboratory.
 - Bathing suit (resident campers only)
 - Window fan (resident campers only)
 - Walkman, CD players, or MP 3 players can be brought, but can only be used in the dorm or on the buses. **YOU MAY NOT BRING THEM TO CLASS WITH YOU OR THEY WILL BE CONFISCATED; YOU ARE RESPONSIBLE FOR THESE ITEMS** (resident campers only)

Qualifications

Participants need no prior experience in forensic science to be an excellent candidate for this camp. Participants should have a strong interest, and ability, in science. To attend, the student should be entering grades 7 through 12. Graduating seniors are also invited to attend. This camp will encourage young scientists to gain new skills in the application of science. The camp is designed to encourage blossoming scientists and provide an opportunity to improve their knowledge of science and forensics through hands-on experience.

About the Director

Dr. Lucinda Elliott is a Professor and Co-Director of the Biotechnology/Pre-Forensic Sciences Concentration in the Biology Department at Shippensburg University. She is a trained immunologist with over 25 years experience in Biomedical Research in Microbiology and Immunology. She was selected to participate in the 2003 *National Biotechnology Teacher-Leadership Program* sponsored by the Biotechnology Institute in Washington, D.C. She is also a member of the Advisory Board for *Your World*, which is a biotechnology education magazine published by the Biotechnology Institute. She has directed five CSI camps at Shippensburg University.

Content

Camp highlights will include guest experts from the Cumberland County Forensics Lab who will demonstrate forensic techniques and use of equipment in investigating a crime. Participants will be instructed on how to approach a crime scene, as well as how to handle and process evidence collected from the crime scene. **The camp will involve students in hands-on experience with techniques used in crime scene investigation. Activities include collection and analysis of trace evidence (hair, fibers, bullets and casings) and latent fingerprints as well as castings of impressions (footprints) from a crime scene. In addition, students will learn about techniques used in forensic entomology, chemistry, toxicology, serology and DNA fingerprinting.** Forensics techniques will include using mathematical and statistical models to recreate a crime scene, fingerprinting analysis, chemical analysis of materials and substances, identifying and tracking the path of evidence, DNA analysis as well as other techniques commonly used in forensic laboratories. On the final day of the camp, participants will be asked to present their results using a PowerPoint® format.
