The final application deadline for the summer 2013 **LIVE. LEARN. INTERN.** programs in **Washington, DC** is coming up on **March 7**. It's not too late to apply – there are many exciting **internship** opportunities available and generous **scholarship funding** to be awarded.

Spend your summer gaining real-world experience that will help set you apart when it comes time to find your first job after graduation. Here are some examples of intern projects that you could work on this summer:

- Develop a strategic marketing plan for your client who is lobbying for a bill on Capitol Hill.
- Organize leadership training activities for at risk youth.
- Attend a Congressional briefing and write a summary for your manager.
- Cover a press conference at the National Press Club.
- Research data for a report on bio-terrorism threats and other national security concerns.
- Plan and develop a social media campaign for crime prevention awareness.

- Attend a strategy meeting with coalition groups advocating for clean energy policies.
- Make media pitch calls on behalf of a client whose is promoting her latest book.
- Work on cultural fair for newly arrived immigrants from Africa.
- Serve as call screener for a radio talk show.
- Help prepare a briefing book for your boss who will be testifying in an important Congressional hearing.
- Brain storm ideas for a Congressional candidate's latest television commercial.
- Coordinate logistics for a conference with scholars from prestigious think tanks.

PROGRAM AREAS

- Politics, Public Policy & Economics
- International Affairs & Economics
- Journalism, Communications & Public Relations
- Corporate Business & Government Affairs
- Nonprofit Sector & Community Service

In addition to an internship and classes, our program provides housing in furnished apartments in downtown DC, planned social activities, professional development seminars, and numerous opportunities for networking.

APPLICATION INSTRUCTIONS

Applications will be accepted on a rolling basis until March 7. To learn more about the programs and to begin an online application, please visit www.DCinternships.org.

Boston University Summer Study Program – Boston MA

During the first six weeks of this twelve-week program, students take two academic summer courses chosen from one of eight tracks, earning 8 credits. For the final six weeks, Boston University places each individual in a professionally relevant internship at a Boston-area firm or organization.

For information visit our website at <http://www.bu.edu/summer/summer-study-internship/>.

Camphill Village Kimberton Hills – Kimberton, PA

Summer Internship

This flexible position will support the work of the Development Office. Work will include, but not be limited to marketing, outreach and communications efforts as they pertain to the mission of Kimberton Hills, including assistance with newsletters, flyers, advertisements, event coordination, website updates, and editing. To some degree, the successful candidate's interest will guide the work that they do. For example, the individual will have the opportunity to write their own articles, take photographs and do background research.

Camphill Village Kimberton Hills is farming and handcrafting community that includes adults with developmental disabilities. Founded in 1972, Kimberton Hills' mission is to encourage individuals, especially those with special needs, to discover and develop their potential in a physically, socially and spiritually therapeutic environment.
