

# KURT FUELLHART

**OFFICE** Department of Geography & Earth Science  
Shippensburg University  
1871 Old Main Drive  
Shippensburg, PA 17257 USA

Phone: (717) 477-1309  
Fax: (717) 477-4029  
E-mail: kgfuel@ship.edu  
Home Page: www.ship.edu/~kgfuel

## CURRENT POSITION

2004-present Associate Professor of Geography, Shippensburg University

## EDUCATION

Ph.D., Geography, The Pennsylvania State University, 1998  
M.B.A., Business Administration, The University of Connecticut, 1992  
B.S., Business Administration, The University of Vermont, 1990 (cum laude)

## PROFESSIONAL HISTORY

1999-2004 Assistant Professor of Geography, Shippensburg University  
1997-1999 Instructor, Department of Geography, The Pennsylvania State University  
1994-1998 Research Assistant, Department of Geography, The Pennsylvania State University  
1995 Instructor, Department of Geography, The Pennsylvania State University  
1993-1995 Teaching Assistant, Department of Geography, The Pennsylvania State University  
1992-1993 Corporate Insurance Analyst, Senior Analyst, CIGNA Corp., Bloomfield, CT  
1991 Intern, Promotions Department, Heublein Incorporated, Farmington, CT  
1990 Financial Operations Department, Aetna Life & Casualty, Middletown, CT

## COURSES TAUGHT

- Geography of the United States and Canada (GEO 103)
- Cultural Geography (GEO 140)
- Economic Geography (GEO 230)
- Geography of East Asia (GEO 215)
- Historical Geography (GEO 320)
- Geography-Geology Field Studies in British Columbia, Canada (GEO 450)
- The American Landscape (GEO 590)

## THESES & INDEPENDENT RESEARCH SUPERVISION

- Eric Weltmer (MS Thesis, 2006). “Population Characterization as a Determinate of Urban Form: A Study of Harrisburg, PA.”
- Catherine Ryan (Independent Research in Economic Geography, 2006-2007). “A Spatial Analysis of Global Air Transport: The View from the Middle-Atlantic, U.S.A.”
- Jeannette McBryan (Independent Research in Economic Geography, 2005). “An Investigation of Long-distance Freight Trucking and its Impact on Cumberland-Franklin Counties.”

## PUBLICATIONS

### SUBMITTED & IN PREPARATION

Marr, P. and K. Fuellhart. “A Transportation Assessment of the Warehousing and Trucking Industries in Franklin and Cumberland Counties, Pennsylvania.” Submitted for publication in *Pennsylvania Geographer*.

Fuellhart, K. The Decentralization of U.S. – Asia Air Transport. To be submitted to *Area*.

Fuellhart, K, and C. Woltemade. “Rethinking the Friction of Distance in U.S. Air Travel – The Impact of Elite Flyer Programs.” To be submitted to *Journal of Travel Research*.

Fuellhart, K., M. Ross, J. Carey, J. Garber, J. Spatz, S. Stengl, and T. Them. “Preparing for Socio-economic Change in a Rural Pennsylvania County.” To be submitted to *Pennsylvania Geographer*.

### REFEREED ARTICLES– PUBLISHED / ACCEPTED

Fuellhart, K. and P. Marr. 2007(in press). “Economic Impacts of Trucking and Warehousing in South-Central Pennsylvania.” *Pennsylvania Geographer* (Fall/Winter 2007).

Fuellhart, K. 2007. “Airport Catchment and Leakage in a Multi-Airport Region: The Case of Harrisburg International.” *Journal of Transport Geography* 15(4): 231-244.

- Fuellhart, K. 1997. "Examining the Information Environment of Small- and Medium-sized Manufacturing Firms: A Concept Mapping Approach." Middle States Division AAG Meeting, Buffalo, NY.
- Glasmeier, A., and K. Fuellhart. 1997. Presentation to the Partners for a Smarter Workforce Program on aspects of organizational learning by small firms. Boston, MA.

Glasmeier, A., and K. Fuellhart. 1996. "What Do We Know About Firm-learning?" Annual Meeting of the European International Business Academy, Stockholm, Sweden.

Glasmeier, A., I. Feller, M. Mark, and K. Fuellhart. 1996. "The Relevance of Firm-learning to the Design of Manufacturing Modernization Programs." Fifth International Management of Technology Conference, Miami, FL.

Fuellhart, K., and N. Huffman. 1994. "A Boy's Will: Sense of Place in 30 Poems by Robert Frost." Middle States Division AAG meeting, Poughkeepsie, NY.

## GRANTS AND SPONSORED RESEARCH AWARDS

- 2007      **Faculty Sponsor.** Travel award to fund graduate student Catherine Ryan's presentation of "A Spatial Analysis of Global Air Transport: The view from the middle-Atlantic, U.S.A." at the 2007 meeting of the Association of American Geographers, San Francisco, CA. Shippensburg University Graduate Research Program -- \$750.
- 2006      **Co-Director.** "Geographic and Economic Assessment of Trucking and Warehousing in South-Central Pennsylvania." Shippensburg University Center for Land Use -- \$10,000. *With:* Paul Marr.
- 2005      **Co-Director.** "Development of Technology-Enhanced Classrooms in Shearer Hall: Improving Undergraduate/Graduate Learning Opportunities in Geography through the Use of 'Smart' Classrooms, Phase 2." PA State System of Higher Education / Shippensburg University Technology Fee -- New Technology Enhanced Classrooms/Teaching Labs Program -- \$39,500. *With:* S. Drzyzga and W. Blewett.
- 2005      **Scholarship Award.** Spatial Analysis for the Undergraduate Social Science Curriculum Workshop Program. Center for Spatially Integrated Social Science, funded by the National Science Foundation -- \$1000.
- 2005      **Co-Director.** "A Biometric Approach to Interpreting the Morphology and Taxonomy of Cenozoic Echnoids." Pennsylvania State System of Higher Education -- \$4,676. *With:* Craig Oyen.
- 2005      **Faculty Sponsor.** Travel award to fund graduate student Jeannette McBryan's presentation of "An Investigation of Long-distance freight Trucking and its Impact on Cumberland-Franklin County" at the 2005 meeting of the Association of American Geographers, Denver, CO. Shippensburg University Graduate Research Program -- \$500.
- 2004      **Co-Director.** "Development of Technology-Enhanced Classrooms in Shearer Hall: Improving Undergraduate/Graduate Learning Opportunities in Geography through the Use of 'Smart' Classrooms, Phase 1." PA State System of Higher Education / Shippensburg University Technology Fee -- New Technology Enhanced Classrooms/Teaching Labs Program -- \$50,545. *With:* S. Drzyzga and W. Blewett.
- 2004      **Research Associate.** "Shippensburg University Center for Land Use." U.S. Department of Education -- \$99,410. *With:* J. Benhart (director) and others.

- 2003      **Co-Director.** “Geography-Geology Field Studies in British Columbia, Canada: Expanding Understanding of Canadian Landscapes through Environmental Awareness and the Development of Spatial Analysis Skills.” Government of Canada, Canadian Faculty Enrichment Program -- \$3,992. *With:* Craig Oyen.
- 2002      **Principal Investigator.** “The Development of Regional Input-Output Models for Franklin and Cumberland Counties, PA.” Shippensburg University -- \$2,520.
- 2002      **Co-Director.** “Development of Geography-Geology Field Studies in Western B.C. Canada.” Pennsylvania Canadian Studies Consortium -- \$423. *With:* C. Oyen.
- 2002      **Co-Director.** “Place Matters: Cultural Geography, The Dramatic Narrative Film, and Introduction to Geology.” Shippensburg University Center for Teaching and Learning—\$3,000. *With:* C. Oyen and J. St. Clair.
- 2001      **Principal Investigator.** “Acquisition and Development of Korean Studies Curriculum for Shippensburg University’s *Geography of East Asia* and *Cultural Geography* Undergraduate Courses.” Northeast Asia Council of the Association for Asian Studies—\$1000.
- 2001      **Co-Director.** Development of Cultural Geography and the Dramatic Narrative Film. Shippensburg University Center for Teaching and Learning—\$200. *With:* C. Oyen and J. St. Clair.
- 2001      **Co-Director.** Miklausan-Likar Science Research Fund Grant. Supports student research assistance during summer 2001. Shippensburg University College of Arts and Sciences—\$467. *With:* Paul Marr and Christopher Woltemade.
- 2001      **Principal Investigator.** “Regional Analysis in an Era of Infrastructure Change: An investigation of the Kobe-Akashi-Awaji Island Area of Japan.” Shippensburg University Foundation—\$2,885.
- 2000-2001      **Co-Principal Investigator.** “Evaluation of the Ford Foundation's Community Asset Building in Forest Communities Initiative.” National Demonstration Program on Community-Based Forestry: Phase II . Ford Foundation—\$350,0000. *Co-principal investigators:* Irwin Feller, James Finley, A.E. Luloff , Amy Glasmeier, and Grace Wang.
- 2000-2001      **Co-Principal Investigator.** “Enhancing Canadian Content in Shippensburg University's *Geography of the United States and Canada* General Education Course.” Government of Canada, Canadian Embassy Faculty Enrichment Program. Government of Canada—\$3,500. *Co-principal investigator:* Alison Feeney.
- 2001-2002      **Project Associate.** “Burd Run Stream Channel, Riparian Zone and Wetlands Restoration” (Pennsylvania Department of Environmental Protection—\$129,000). *With* C. Woltemade (co-director), J. Benhart, D. Stanitski-Martin and the Cumberland County Conservation District (co-director).
- 2000      **Co-Director.** Miklausan-Likar Science Research Fund Grant. Supports graduate student research assistance during summer 2000. Shippensburg University College of Arts and Sciences—\$412. *With:* Alison Feeney.

1999-2000 **Research Associate / Investigator.** “Evaluation Design of Asset Building in Forest Communities.” National Demonstration Program on Community-Based Forestry: Phase 1. Ford Foundation—\$124,223. *Co-Investigators:* Irwin Feller, J. Finley, A.E. Luloff.

## SERVICE

2005-Present **Chair / Co-chair:** Shippensburg University Research & Scholarship Program Committee

2005-Present **Shippensburg University Faculty Athletic Representative** to the National Collegiate Athletic Association (NCAA)

2005-Present **Member:** Shippensburg University Financial Aid Committee

2005-Present **Member:** Shippensburg University Athletics Committee

2000-Present **Faculty-student Mentor:** SU *Thurgood Marshall Mentoring Program*

2000-Present **Member:** Shippensburg University Human Relations Committee

2003-Present **Member:** Shippensburg University Student Senate Recreation Committee

2002-Present **Member:** Facilities and Resource Management Committee (FARM), SU Geography Earth-Science Department

2007 **Meeting Facilitator:** Franklin County Area Development Corporation Strengths, Weaknesses, Opportunities, Threats Analysis.

2006-2007 **Presenter:** Geography seminars for advanced English speakers, Kobe YWCA, Kobe, Japan

2005 **Grant Application Reviewer:** NSF Geography & Regional Science program

2000-2005 **Member:** Shippensburg Corn Festival Committee; **Chair** (2002-2005), Food sub-committee.

2002-2004 **Co-chair** (2004) and **Member:** Borough of Shippensburg Zoning Hearing Board

2003 **Member:** Shippensburg University Foreign Language Requirements Committee

2003 **Participant:** SU Dean of Students Program Review

2003 **Faculty Mentor:** Mentor for Kaori Nomura

2000-2003 **Member:** Shippensburg University International Education Committee

2001-2003 **Moderator / Judge: Pennsylvania State Geography Bee,** Shippensburg University,

2000; 2002, 2003 **Volunteer Traffic Marshall:** Nutcracker Road Race. Bicycle race to support “Pedals for Progress” in Pennsylvania.

2000-2002 **Member:** Department Professional Affairs Committee (DPAC), SU Geography & Earth Science Department

- 2002      **Faculty Advisor:** Gamma Theta Upsilon, geography student honor society
- 2002      **Faculty Mentor:** Mentor for Jennifer Yongmei Pomeroy
- 2001      **Member:** Shippensburg University Arts & Sciences Colloquium Series Committee
- 2001      **Member:** Shippensburg University Professional Development Committee (Fall Semester)
- 2001      **Campus Host:** Hosted Osaka Joshigakuen High School U.S. Study Tour Group at SU campus, March 30, 2001
- 2000      **Field Trip Leader:** Led regional field trip for new Shippensburg University international students, September 2000. (with P. Marr)
- 2000      **Primary author:** Diversity Course Proposal for *Cultural Geography* (GEO 140). Approved by SU Curriculum Committee, April 2000. (with J. Benhart)
- 2000      **Co-author:** Diversity course proposal for *Geography of the United States and Canada* (GEO 103). Approved by SU Curriculum Committee, April 2000. (with A. Philpotts and G. Pomeroy)
- 1999      **Presenter:** “Electronic Resources to Enhance Resident Instruction.” Presentation to the College of Arts and Science Dean's Advisory Board, Shippensburg University. Fall 1999.
- Various      Manuscript reviewer for: *Economic Geography, Professional Geography, Regional Studies, Journal of Transport Geography, and Proteus*

## AWARDS

- 2004      Shippensburg University Faculty Member of the Year, awarded by the SU Student Senate.
