We, the members of the Panhellenic Community at Shippensburg University of Pennsylvania, agree to honor and uphold the National Panhellenic Conference UNANIMOUS AGREEMENTS as well as the Women's Panhellenic Council Constitution, Bylaws, and all Standing Rules through our thoughts, words, and actions.

Our goal is to positively promote Fraternity & Sorority life through acts of respect, leadership, honesty, consideration, and fairness to all. We agree to take into consideration how our individual actions will affect the greater community.

We strive to uphold and respect each chapter, colony, or interest group and their individual fraternal values and rituals by promoting honor, love, and unity throughout the Greek community. We trust each other to be responsible and to act in all ways consistent with honor. We will strive to hold one another accountable for our actions

Through following these ideals we will be promoting a positive image of Greek life and the Panhellenic Community at Shippensburg University.
