C. The tuition waiver applies only to the basic fee and the technology fee, but not to other fees such as room and board fees, student activity fees, orientation fees, et cetera.

D. The tuition waiver shall apply only to courses granting academic credit. Specifically excluded are continuing education non-credit courses, non-credit workshops, camps and conferences and audited courses.

E. Waiver of the tuition during a particular semester or session will be granted only if the employee meets the eligibility requirements as of the beginning of that semester.

F. A tuition waiver shall be discontinued upon placement in an inactive pay status or termination of employment. If such inactive pay status or termination takes place during a semester, the waiver shall be extended until the end of that semester. G. Employees must initially provide the Human Resources office with proof of a dependent’s eligibility. For a child, a birth certificate is required listing the employee as the parent. H. The university’s traffic and parking regulations prohibit the use of a faculty or staff parking permit by dependents of employees attending classes at the university. If a
