

Safety and Security

Shippensburg University of Pennsylvania is a member of Pennsylvania's State System of Higher Education. Our top priority is the safety and welfare of everyone in the campus community. No community is entirely isolated from crime, and Shippensburg University is no exception.

Shippensburg University has developed policies and implemented procedures to increase awareness and provide precautionary measures for all persons on our campus. The information contained within this publication is designed to provide an overview of the Department of Public Safety as well as provide information on campus safety and security measures that have been implemented at Shippensburg University. This report is prepared by the Department of Public Safety, which includes the University Police Department and the University Safety Department. It is in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, Title IX and the Violence Against Women Act. It is produced in cooperation with local law enforcement agencies, the Division of Student Affairs, the Office of Student Conduct, the Office of Housing and Residence Life, - the Women's Center, the Wellness Center, the Office of Communications and Marketing, the Office of Social Equity, and Human Resources. In addition to off-campus agencies, the Pennsylvania College and University Security Requirements (Chapter 33), the Crime Awareness and Campus Security Act of 1990, and the Accuracy in Campus Crime Reporting Act of 1997 were also resourced.
