INFORMATION AND ACTION ITEMS:

Academic Calendar: The academic calendars for 2012-2013 and 2013-2014 were reviewed by Ms. Cathy Sprenger and Dr. Tony Winter, co-chairs of the Academic Calendar Committee. Ms. Sprenger reported that there is a request to start the summer terms one week earlier: Term III would begin the Monday immediately following commencement thus leaving one week of no classes prior to the start of the Fall Semester. This change has implications for Facilities so further review will be done. Discussion followed and it was asked about having two summer terms five weeks in length to coincide with on-line courses. There was interest in pursuing this and the Committee will discuss. It was noted that a representative from the division of Administration & Finance needs to be appointed to the Committee. The 2012-2013 calendar was previously approved, therefore no potential changes stated above would begin until the 2013-2014 academic year.

PPS: Dr. Lyman reported on the following items discussed at the PPS meeting: budget; editorial in The Patriot News by Drs. Burg and Finucane; the task force set by Governor Corbett; and performance funding.
