PASSHE GOALS & SHIP GOALS

PASSHE

• Transforming students and the learning environment
• Transforming the resources
• Transforming University-community relations
• Transforming PASSHE’s role in determining the Commonwealth’s future

SHIP

1. Provide a curriculum and other learning experiences that creatively address the changing needs of a diverse, technology-based, global society.
2. Cultivate a learning-centered environment to facilitate students’ intellectual growth and success.
3. Cultivate the interaction of theory and practice to deepen disciplinary and professional understanding.
4. Foster a stimulating scholarly environment for students, faculty, and staff that advances new knowledge and that enhances the quality of the curriculum.
5. Cultivate global understanding, cross-cultural exchange, and an international perspective across the curriculum and university community.
6. Cultivate leadership, integrity, social equity, and civic engagement to prepare students, faculty, and staff for meaningful contributions to society. Promote a University culture characterized by diversity, collegiality, mutual respect, organizational effectiveness, and shared responsibility.
7. Contribute to the advancement of the community and region and instill a long-lasting culture of philanthropy among students, faculty, staff, alumni and friends of the university.
8. Focus the involvement of the University in addressing critical local, state, national, and global needs.
9. Provide and maintain appropriate resources -- guided by assessment and mission --including staffing for effective and efficient University operations.
