COMMENTS FROM STUDENT SENATE:

Mr. Perry reported that the Student Association held an electronics drive in the community. Approximately 90 students participated at 25 different sites. Twenty-five pallets of items were collected. The handicap button for the door to Lehman Library will be relocated to allow for better access.

COMMENTS FROM APSCUF:

Dr. Jacobs reported that the conclusion of spring scheduling worked well with administration helping to make sure there were enough seats available so students wouldn’t get frustrated. Five PASSHE campuses have retrenched and we are fortunate that it hasn’t happened here. APSCUF appreciates what President Harpster is doing. We are all in this together and cultures on other campuses are changing and protests and other events are happening. The need for additional cuts are recognized and the efforts thus far are appreciated. APSCUF implores the Council to do what they can in Harrisburg. The transparency needs to continue.

COMMENTS FROM AFSCME:

Mr. Hancock reported that nominations and election of officers will take place this month.

COMMITTEE REPORTS:
