Funding available for student research

Undergrad grant proposals due October 3

IPSSP has recently announced the 2012/2013 Student Research Grant Programs. President Ruud, working together with the SU Foundation has increased funding for the Undergraduate program to $60,000. The Graduate program will once again be funded at $12,000.

Please review the Call for Proposals for additional program requirements and details. 

Share this information with your students and call IPSSP at ext. 1251 to discuss your questions with staff.

CUR Posters on the Hill

While you’re working with your undergraduate students on their research ideas, consider this opportunity for them: the Council for Undergraduate Research (CUR) has once again issued its call for abstracts for the Spring Postgraduate Research Conference in Washington, D.C. http://bit.ly/0PfLVm

Earlier this year, one of our own, Ms. Kayla Reed was invited to present. CUR’s program is competitive, but Ship is in the hunt!

AASCU/Grants Resource Center (GRC) 2012/2013 Student Research Grant Program Call for Proposals is available at http://bit.ly/PI9WXv

The recently enacted PA Higher Education and Student Assistance Act of 2012 increased funding for the Undergraduate research programs. Together with the SU Foundation has increased funding for the Undergraduate program to $60,000.

The Undergraduate Call for Proposals is available at http://bit.ly/Qn32uf

The Office of the Chancellor will be hosting 3 briefings in October to further explain the new policy. Email Chris Wonders (cawonders@ship.edu) to discuss your questions with staff.

The Undergraduate Call for Proposals is due October 3rd. Earlier this year, one of our own, Ms. Kayla Reed was invited to present. CUR’s program is competitive, but Ship is in the hunt!

The IPS office can access the information you seek. If you have any questions, please give IPSSP a call, 717-477-1251. Ship is in the hunt!

Thank you for your support!

TOOLS FOR GRANTSEEKERS

Grants databases available through IPSSP

To assist you in your search for funding, IPSSP maintains subscriptions with two powerful web-based grant research databases, InfoEd and the Grants Resource Center (GRC). The chart below highlights the various tools included with these subscriptions and explains how you can access the information you can seek. Do you have any questions, please give IPSSP a call, 717-477-1251. Ship is in the hunt!

Note: To access the full version of the database, you will need to log in to the IPSSP database.

Source Database Description URL Access instructions

SPIN - GrantSearch

Funding opportunities databases of national and international government AND private funding sources. Use the Quick Search or Advanced Search options to look for grants opportunities; you can also review new announcements from the Federal Register and FedBizOpps.

http://www.aascu.org/GRANTSEARCH/SPIN.asp

GENUS - GeniusSearch

Global network and database of investigator profiles AND scientific and scholarly expertise. Use the Quick Search or Advanced Search options to look for grants opportunities; you can also review new announcements from the Federal Register and FedBizOpps.

SMARTS

Automated custom search based on your own profile and keyword selection. Use "supa" as the username and genius_live as the password to access the website. Once IPSSP authorizes your account, log in and select keywords to match your funding interests. SMARTS will run a daily match and email you relevant funding announcements.
