On Account Detail for Term if you DO have a BALANCE in “Net Balance for Other Terms,” even if “Current Due Net of Authorized Financial Aid and Memos” at the bottom of the page shows a zero or credit (negative) balance, you will NOT have the ability to clear your bill. This means you may have a balance from a previous semester that must be paid before you can be cleared. Please contact the Student Accounts Office if you have any questions. All balances prior to the Fall semester must be paid before the account can be cleared.
Using Financial Aid as a Credit on Your Bill

If your authorized and memo’d financial aid does not completely cover your bill and you have a balance at the very bottom of your Account Detail for Term, you will not be permitted to clear your bill online and you must pay the amount not covered by aid.

If you are expecting financial aid that you do not see as authorized or memo’d on your bill, you should access your Financial Aid information in Self-Service Banner to check the status of your aid. If you have any questions regarding your aid, please contact the Financial Aid Office at 717-477-1131 or finaid@ship.edu.

If you are expecting Federal Direct Subsidized or Unsubsidized loans, and you are a first time borrower at SU, you must Accept your loans on https://my.ship.edu AND complete the Master Promissory Note (MPN) and Entrance Counseling at www.studentloans.gov before your aid will be deducted from your bill.

If you are expecting an athletic scholarship that is not reflected on your bill, you should contact your coach to determine the necessary steps to receive your scholarship.

If you have outside scholarships or other financial aid that are not displayed on your bill, print out a copy of the bill and mail it to Student Accounts with proof of the aid, and the Student Accounts Office will clear your bill for you. Mail all scholarship checks to the Student Accounts Office. If a scholarship check is made co-payable to SU and to you, please be sure to endorse (sign) the check before mailing it to us.

If you plan to use PA 529 funds, first you should request the funds through the 529 program, and then inform the Student Accounts Office of the amount that you have requested. If you request the entire amount of your balance due, simply email Student Accounts at studentaccts@ship.edu and give us that information. If you request a partial amount, you should deduct that amount from your balance and pay the remaining amount. Be sure to also email Student Accounts to let us know that you deducted 529 funds; otherwise, we will continue to request payment in full.

**Loans for Part Time Students – Please note:** You must remain in 6 or more credits to be eligible for any federal loans. Loan amounts may vary based on the total number of credits scheduled in a semester.

Schedules may be dropped (even those accounts with financial aid covering the entire bill) if the bill is not paid or you have not confirmed your attendance for the semester. Do not rely on the "drop for non-payment" policy to cancel those classes that you do not plan to attend. You should drop unwanted course(s) online prior to or during the semester's drop period.

Adding or Changing a Meal Plan

To add or change your meal plan:
- Login to myShip or https://my.ship.edu with your Ship email address and password.

After you change your meal plan, your on-line student account will be updated in real time in Self-Service Banner on **Account Detail for Term**. You can continue to pay your bill.

**Meal Plans for Off-Campus Students**

Students are always billed for the meal plan they had the previous semester, even students who are moving off campus. *Make sure you review the meal plan on your bill and change it if you choose to do so.* Off-campus students may choose any meal plan or no meal plan.

**Employer Paying Your Bill?**

If you will be receiving employer reimbursement for your fall tuition, you may apply for a deferment. Go to [http://www.ship.edu/Student_Accounts/Forms/](http://www.ship.edu/Student_Accounts/Forms/) to print an Employer Reimbursement Tuition Deferment Application. This requires signature from your employer so do not delay in completing the application. It must be received in Student Accounts by the bill due date of August 14, 2017. Please note that **only tuition may be deferred**; all fees on your student account must be paid by you.

**Out of State Tuition**

High Achieving out of state students and those majoring in STEM programs of study may qualify for a lower tuition rate equal to 175% of in state tuition. View the qualifications for the lower out of state rates on the **Student Accounts webpage**.

Please note – in order to continue to receive the lower rates, **High Achieving** students must meet a specific semester and cumulative GPA. If, at any time, the semester or cumulative GPA falls below the minimum requirements, the standard out of state rate will be charged for the next semester.

In order to keep the lower rate for **STEM majors**, a student must remain in a selected STEM major for the upcoming semester. Final semester charges will be based on the major you have as of the end of the semester schedule adjustment period (Sept 6). Major changes after that date will be reflected in charges for the upcoming spring 2018 semester.

**International Students**

Shippensburg University has partnered with peerTransfer/flywire to offer an innovative and streamlined way to make international tuition payments. Flywire’s mission is to save international students and their families money that would otherwise be lost on bank fees and unfavorable foreign exchange rates. With flywire, you can pay from any country and any bank. You are also offered excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, as compared to traditional banks. For more information visit the Student Accounts website **International Students** page.
Special Note for Students from Saudi Arabia –

If you have not done so, please update myShip with your local address and phone number as soon as possible. Please send your valid Financial Guarantee (FG) from the Saudi Arabia Cultural Mission (SACM) to studentaccts@ship.edu or submit to the Student Accounts Office in Old Main room 100. This form must be received by the Student Accounts Office prior to the bill due date to prevent a late fee on your bill. The effective and void dates on the FG must reflect coverage of the entire semester or term, from the start date to the end date, in order to be valid for the semester/ term in which you are scheduled; otherwise, SACM will not pay for that semester/ term. SACM requires that you have prior approval from your SACM counselor before scheduling an online class. When approval is received, please forward to studentaccts@ship.edu or submit to the Student Accounts Office. SACM pays for tuition and required fees. They do not pay for housing or a meal plan billed by Shippensburg University.

Financial Aid Disbursement and Refunds of Excess Aid

Financial Aid (loans, grants, and scholarships) will begin disbursing approximately 10 days prior to the first day of the semester. The aid will then show as payments on your tuition bill. If your financial aid payments exceed your account balance, within 14 days of disbursement you will see a refund on your student account. If you have not already done so, you may fill out the Direct Deposit Authorization Form at http://www.ship.edu/Student_Accounts/Forms/ and deliver the completed form to the Student Accounts Office, Old Main 100. Your refund will be deposited directly into your designated bank account. If you do not choose direct deposit, your refund will be mailed to you to your local address, so it is important that you make sure your current address is always up to date in myShip. Refunds that result from a Parent Plus loan will be mailed to the parent borrower, unless your parent requested on the loan application that the refund should go to you.

IMPORTANT NOTE: Charges change as your schedule changes; therefore, if you add courses and incur additional charges, you may owe the university the additional cost. Likewise, financial aid amounts may change if your schedule changes; therefore, your aid may be adjusted and you may owe a balance to the university, even if you originally received a refund. All financial aid is originally based on full time
enrollment (12 credits undergrad/ 9 credits grad). Notify the Financial Aid Office if you will be a part time student. Aid will be re-evaluated and adjusted after the semester schedule adjustment period ends on Sept 6 which could potentially cause a balance due on your account.

**Dropping Courses or Withdrawing from the Semester**

If you are enrolled in classes for the entire Fall semester, which runs August 28 – December 15, you will not be charged for any courses dropped through Sept 5, 2017 (the end of the fall semester drop period). After that date, there is **NO REFUND** for withdrawn courses. If, however, you completely withdraw from the entire fall semester, your charges, including room and board, will be prorated based on the Fall 2017 Refund Schedule.*

*Note: This information pertains to courses with begin and end dates corresponding to the main fall semester. Courses in differing parts of term with differing start and end dates may have different drop periods and refund dates. See the Refund Schedule for additional details.
