NO Balance Due?

If you have a zero or credit (negative) balance for the semester, this means your financial aid covers your charges and you do not owe money to the university at this time. You may receive a refund of this approximate amount. **However, ACTION is still required by the due date! You must still confirm your attendance by clearing your bill and accepting your charges.**

On Account Detail for Term for Fall 2014 if you have NO BALANCE in “Net Balance for Other Terms,” and the “Current Due Net of Authorized Financial Aid and Memos” at the bottom of the page shows a zero or credit (negative) balance, follow these instructions to clear your bill:

You must contact the Student Accounts Office to clear the bill for you. In this case, however, all balances prior to the Fall 2014 semester must be paid before the account can be cleared.

Schedules may be dropped (even those accounts with financial aid covering the entire bill) if the bill is not paid or you have not confirmed your attendance by the due date. Do not rely on the "drop for non-payment" policy to cancel those classes that you do not plan to attend. You should drop unwanted course(s) online prior to or during the semester's drop period.

Using Financial Aid as a Credit on Your Bill

If your authorized and memo'd financial aid does not completely cover your bill ("Current Due Net of Authorized Financial Aid and Memos" at the bottom of the Account Detail for Term shows a balance due), you will not be permitted to clear your bill online and you must pay the amount not covered by aid.

If you are expecting financial aid that you do not see as authorized on your bill, you should access your Financial Aid information in Self-Service Banner to check the status of your aid. If you have any questions regarding your aid, please contact the Financial Aid Office at 717-477-1131 or finaid@ship.edu.

If you are expecting Federal Direct Subsidized or Unsubsidized loans, *and you are a first time borrower at SU*, you must Web Accept your loans AND complete the Master Promissory Note (MPN) and Entrance Counseling at www.studentloans.gov before your aid will be deducted from your bill.

If you are expecting an athletic scholarship that is not reflected on your bill, you should contact your coach to determine the necessary steps to receive your scholarship.

If you have outside scholarships or other financial aid that are not displayed on your bill, print out a copy of the bill and mail it to Student Accounts with proof of the aid, and the Student Accounts Office will clear your bill for you. Mail all scholarship checks to the Student Accounts Office. **Your bill MUST be cleared by August 11 to avoid the \$100 late fee!**

Loans for Part Time Students – Please note: You must remain in 6 or more credits to be eligible for any federal loans. Loan amounts may vary based on the total number of credits scheduled in a semester.

Employer Paying Your Bill?

If you will be receiving employer reimbursement for your fall tuition, you may apply for a deferment. Go to http://www.ship.edu/Student_Accounts/Forms/ to print an Employer Reimbursement Tuition Deferment Application. This requires signature from your employer so do not delay in completing the application. It must be received in Student Accounts by the bill due date of August 11, 2014. Please note that ***only tuition may be deferred***; all fees on your student account must be paid by you.

Out of State Tuition

High Achieving out of state students and those majoring in STEM programs of study may qualify for a lower tuition rate equal to 175% of in state tuition. View the qualifications for the lower out of state rates on the [Student Accounts webpage](#).

Please note – in order to continue to receive the lower rates, **High Achieving** students must meet a specific semester and cumulative GPA. If, at any time, the semester or cumulative GPA falls below the minimum requirements, the standard out of state rate will be charged for the next semester.

In order to keep the lower rate for **STEM majors**, a student must remain in a selected STEM major for the upcoming semester. Final semester charges will be based on the major you have as of the end of the semester schedule adjustment period (Sept 2). Major changes after that date will be reflected in charges for the upcoming spring 2015 semester.

International Students

Shippensburg University has partnered with peerTransfer to offer an innovative and streamlined way to make international tuition payments. PeerTransfer's mission is to save international students and their families money that would otherwise be lost on bank fees and unfavorable foreign exchange rates. With peerTransfer, you can pay from any country and any bank. You are also offered excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, as compared to traditional banks. For more information visit the Student Accounts website [International Students](#) page.

Special Note for Students from Saudi Arabia –

If you have not done so, please update [myShip](#) with your local address and phone number as soon as possible. Please send your valid Financial Guarantee (FG) from the Saudi Arabia Cultural Mission (SACM) to studentaccts@ship.edu or submit to the Student Accounts Office in Old Main room 100. This form must be received by the Student Accounts Office **prior to the bill due date** to prevent a late fee on your bill. The effective and void dates on the FG must reflect coverage of the entire semester or term, from the start date to the end date, in order to be valid for the semester/ term in which you are scheduled; otherwise, SACM will not pay for that semester/ term. SACM requires that you have prior approval from

your SACM counselor before scheduling an online class. When approval is received, please forward to studentaccts@ship.edu or submit to the Student Accounts Office. SACM pays for tuition and required fees. They do not pay for housing or a meal plan billed by Shippensburg University.
