

High Impact Strategies

A Training to Support the Learning-Focused Schools Model

All school districts in the IU # 15 region are fully engaged in an instructional initiative known as Learning-Focused Schools, an effort to systematically implement research-based strategies to improve student achievement in grades K through 12. Student success requires the systematic implementation of a meaningful and rigorous curriculum utilizing proven instructional strategies.

Registration must be completed online at <http://48carats.caiu.org>

- Click on **Register Now**
- Click **Create an Account**
- Fill out required information: Under employment please choose Other and type "Student – (name of your college)". Under work address fill in your home address.
- Once registered you will receive an email in order to create a username and password
- Return to <http://48carats.caiu.org> and enter login information
- Once information is verified click Session List
- Choose the session(s) you wish to attend
- Choose payment method (bring cash/check to session)
- Enter college name in the comments box

This 2-day session will provide participants with in-depth knowledge of research-based high-impact strategies to improve student achievement. This session, designed specifically for students beginning their student teaching experience, will provide skills, knowledge, and resources for implementing these strategies in all content areas. The workshop will include intensive instruction and modeling.

DATES: August 23-24, 2011; August 25-26, 2011; January 3-4, 2012; January 5-6, 2012
