

## 2010-2011 New Faculty Exchanges

The tenure track new faculty meet semi-weekly for both the fall and spring semester to review SU policies and procedures. These meetings are specifically designed to foster a sense of community among your peers, your cohort, SU staff, and SU administration. In addition, these meetings serve three purposes; one, to share information; two, to discuss effective teaching; and three, to highlight the tenure and promotion process.
