General camp information

- Register early:** Space is limited to facilitate individual attention.
- Housing:** All participants will be housed in modern residence halls and will be supervised by counselors. Only two participants will be assigned to a room. Two sheets, one pillowcase and a pillow are provided. No towels, washcloths or blankets are provided. Bring these items with you. Coin operated washers and dryers are available in the residence hall.
- Key policy:** Campers who do not turn in their room key at camp dismissal will be subject to a lock change fee (ranging from \$40-\$60). For security reasons, lock changes must be made immediately before the next group arrives. Lock changes for lost keys will be billed to the camper. There will be no exceptions.
- A **certificate of health** must be presented by each participant at the camp's registration. A standard form will be sent upon acceptance. **This form does not require a physician's examination or signature.**
- Health Services:** The Etter Health Center is staffed and equipped to take care of minor illnesses and injuries that may arise during your stay on campus. Our physician is in attendance Monday through Friday from 1:30 to 2:30 PM. A registered nurse is on duty or on call 24 hours daily and may at her discretion call the physician for consultation at any hour. For some emergencies, the staff may send you directly to a local hospital.
- Disability Services:** Requests for accommodations, auxiliary aids or services must be made in writing to the Office of Disability Services at least fifteen (15) days before the camp begins. The Office of Disability Services is located in Horton Hall 120, Shippensburg University, 1871 Old Main Drive, Shippensburg, PA 17257-2299, (717) 477-1329, ods@ship.edu.

- Recreational facilities include:** indoor swimming, indoor and outdoor basketball courts (if available), outdoor volleyball courts, tennis courts and handball courts.
- Absolutely no visitation** by family members during the week unless permission is granted by the camp director. Experience has shown that the campers are more receptive to instruction and less stressful when outside adults are not present. Young campers (ages 10-11) should try to attend with a friend. This helps with homesickness and makes the camp experience more enjoyable for the camper.

What to bring: (***LABEL YOUR GEAR!***) Bring a bat, glove or mitt, hat/visor, helmet, sneakers, old clothing, sunscreen, swimsuit, blanket and other necessities, if boarding. Catchers need their own gear, i.e., mask, chest protector, shin guards.

Objective: This is an intense high impact camp designed to improve individual skills regardless of the player's current skill level. The objectives will be reached by intense and concentrated practice of fundamental skills and techniques of softball. Designed to develop and improve players' individual skills and competition performance. Intense one-on-one instruction. Six hours of instruction, analysis, and games per day.

Features

All participants will generally practice and play in their own age groups. However, dependent upon skill level, we reserve the right to move a participant up or down the age groups.

All campers will receive instruction in hitting, infield, and outfield. If you wish instruction in pitching or catching, you must select one of the two as your primary position.

The participant will have the use of all the latest training aids including soft toss and pitching machines, batting cages, speed guns, soft hand gloves, wrist watch bats and clicker stick bats.

Staff

The camp will be taught by the Shippensburg University coaching staff and a select group of highly qualified coaches and collegiate players. The camper/staff ratio will be approximately 12:1. The permanent staff for the camp includes the following:

Bob Brookens, head softball coach, Shippensburg University

Paul Obrien, assistant softball coach, Shippensburg University

Additional collegiate coaches and players will be added at a later date. Staff subject to change.
