HEART BY HEART
THURSDAY, OCTOBER 19, 8:00PM

In 2013, bassist Steve Fossen and drummer Michael DeRosier were inducted into the Rock and Roll Hall of Fame as original members of Heart. That 1970s-era lineup brought to the world massive radio hits like “Magic Man,” “Crazy On You,” and “Barracuda.”

Now Fossen and DeRosier are back together with Heart By Heart, a new band featuring powerhouse vocalist Somar Macek, multi-talented guitarist/keyboardist/vocalist Lizzy Daymont, and legendary Seattle guitarist Randy Hansen. Honoring the magic and power of the music of Heart, this incredible lineup bring the songs to the stage in their original form.

After every show, fans express their appreciation for Heart By Heart’s ability to bring back the memories by playing the songs as written and recorded. Having Mike and Steve on stage gives Heart By Heart an authenticity no other Heart tribute can match.
