MAJOR COURSE REQUIREMENTS

Please check the catalog with the respective department to find out when these courses are offered. Most major courses are offered only once a year. Students may follow the major course requirements as stated in the catalog under the year in which they entered the university, if those major course requirements are different from the requirements as stated below—departmental approval is required.

Double Majors—Students may count a maximum of one course toward two different majors with the permission of the respective department chairs.
