Fall Career Fair
October 4th - 1PM-4PM

TIPS - WHAT TO KNOW!

Before the fair:
Research the employers who will be there.

Have your resume reviewed during Express Hours prior to attending the fair.
Mon/Tues/Wed/Thurs: 2pm-4pm. Extended until 6pm on Mondays.

Prepare your professional business clothes. Visit the Raider Ready Professional Dress Closet in the center for more information.

Bring several copies of your resume & a folder/notebook with you to take notes when you talk with employers.

What to Say to the recruiters: Your 30 second introduction about yourself. Include: name, major, class year, opportunities you are seeking and your skills/strengths.

At the fair: Ask questions: What entry-level or internship opportunities exist? What kinds of skills and experiences do you look for in the employees that you hire? What advice would you give someone starting out in the field?

Within 24 hours, send a thank you note, handwritten or via email. It shows you have a genuine interest in their organization.

Ask for a business card of each recruiter/employer you speak with so you can follow up.

Remember - the recruiter is there to meet talented Ship students like YOU! Practice, prepare questions, research and dress to impress.
