What class years can apply?
This is a great opportunity for a first-year or sophomore to “test-drive” a career and for juniors, and all students, to make important connections for life after Shippensburg. The Job Shadow Program is open to current first-year, sophomore, juniors, seniors and graduate students who are in good academic and judicial standing with Shippensburg University. Students will need to be over 18 years to participate.

How will I know if I get a Job Shadow?
Students who have submitted an application and resume by February 10th, 2019 by 11:59pm via SHIP Career Connection, will be notified of their job shadow placement by February 20th, 2019 (via email) after the conclusion of the interviewing process. Depending upon the number and quality of the applications, we may not be able to accommodate every applicant with a job shadow and not every applicant may receive their first choice.

How does housing work for a Job Shadow?
Some hosts will offer to have you stay at their home for 1-2 days of your job shadow, allowing you to see the relationship between their work and home life. If a host is unable to provide accommodations, the Career, Mentoring, and Professional Development Center may be able to help you to organize any travel arrangements or housing needs.

What is expected of student participants?
In addition to being a positive representative of Shippensburg University during your job shadow and learning as much as you can about their industry, there are a few other expectations of externs:

• Participate in the mandatory Job Shadow Sendoff Meeting on Tuesday, February 26th from 12pm-1pm or 3:30pm-4:30pm in CUB 108.
• Complete online preparation materials.
• Seek out a Career, Mentoring, and Professional Development Center (CMPDC) career counselor to prepare for your experience before you leave campus.
• Communicate with your job shadow host and CMPDC career counselor in September/ October.
• Submit pictures each day during your Job Shadow experience by using the #SUJobShadow and tagging the CMPDC.
• Complete the Student Evaluation sent via email and return it to the CMPDC.
