The Doctoral - Educational Leadership Program at Shippensburg University/Millersville University encompasses academic excellence, professionalism, and a high level of devotion to the profession.

The team from both campuses worked well together in creating a curriculum that prepared the graduates for their next steps in educational leadership.

A high level of expertise and K-12 experiences are evident in the educational leadership faculty of both campuses. This high level of expertise and K-12 experiences are also within the students in the doctoral program and letter of eligibility program.

From a personal standpoint, this expertise and experience from the students,
