## Student Employment Work Authorization Form

**Student Employee Responsibilities:** If you are a new student employee (not previously employed at Shippensburg University) you will have to complete a student payroll packet and submit all the paperwork to Human Resources/Payroll BEFORE you begin working. Students cannot work until all paperwork and required documents are submitted and approved by the HR/Payroll office. Students are not permitted to work during times they are scheduled to be in class. There are no exceptions to this rule. Students should only enter hours in eTime for dates and times they have worked. If you need assistance with eTime, please work with your department's timekeeper. Student employees are expected to appear on time for their scheduled work hours or provide advance notice if absent or delayed. My signature below indicates that I agree and understand these requirements. This offer of employment is contingent upon available resources; if budgetary adjustments are made, this offer of employment may be withdrawn.
