These courses must be completed by the end of the Summer 2020 semester unless approved by Dr. Fisher and Dean Hill.

How do I get my SU Identification (ID) Card?
You can obtain a Shippensburg University Identification Card at the Police Station on Campus. Please contact University Police at 717-477-1444 for ID room availability.

How do I obtain a parking permit?
If you have a Shippensburg University email address and an SU ID card, you can register for a parking permit through MyShip. *You do not need a parking permit at the Dixon University Center*

What do I need to do in order to take courses at HACC and Ship at the same time?
If you plan to use financial aid to pay for HACC classes, you need to contact Dr. Liz Fisher, BSW Program Director, eafish@ship.edu and let her know which courses you have registered for at HACC. Then Dr. Fisher submits a form to the SU Financial Aid Office so that your aid can be processed for the combined number of credits between both schools. HACC requires their bill to be paid by the due date or you may contact their Student Accounts office to inquire about payment arrangements. You will need to have your HACC transcript sent to SU as soon as grades are available from the class(es) you are taking so that the courses show up on your SU transcript.
