INTERNSHIPS  (3 could count towards major (for Capstone Req.))
- PSY 385 Internship I
- PSY 386 Internship II

Note: Students can take PSY 385 Internship I, or both PSY 385 and PSY 386 Internship II. If your internship involves one-to-one confidential and personal interaction with clients, you must take PSY 384 (Person to Person Interaction) prior to your internship. Likewise, if it involves group interaction, you must take PSY 361 (Group Interaction) prior to your internship. If your internship will involve interaction with children, you must have taken a child psychology or child development course prior to your internship. Comparable training may qualify. Please discuss your preparation with your agency, faculty internship coordinator, or the department internship coordinator.

The remaining credits toward your 120 total should be comprised of a minor (strongly recommended–Minors are 18-21 credits), other courses of interest outside the major to broaden your higher educational experiences, and additional psychology courses.

Note: As a student, it is your responsibility to make sure you are progressing through the Major, General Education, and other requirements to graduate in a timely fashion.

Note: 400-Level Psychology Courses are Restricted to Juniors and Seniors
