**CLASS LISTS**

Class lists are available through the myShip portal. Class lists should be accessed prior to the start of class. Class lists should be accessed again on September 5th, which is after schedule adjustment. Please refer to the detailed instructions distributed via e-mail to faculty regarding the reporting of discrepancies. *A final class list review must be done by September 11th,* as outlined in the detailed instructions that were distributed.

**SCHEDULE ADJUSTMENT PERIOD**

The drop and add periods extend to the eighth calendar day, excluding holidays to adjust their schedule. The deadline to drop or add a class for the full term (POT 1) for fall 2018 is **Tuesday, September 4th.**

To view a complete listing of all drop and add deadlines for various parts of term, visit [http://www.ship.edu/registrar/semester_information_fall2/](http://www.ship.edu/registrar/semester_information_fall2/).

**REPEAT POLICY**

*Undergraduate Students:*

- Students may avail themselves of the repeat/grade replacement option a total of six times, with the most recent grade of the course being used in the QPA calculation, regardless of whether grade is higher or lower.
- A single course repeat for grade improvement will be limited to two times. The six repeats may include repeating six courses one time each, repeating three single courses two times each, or any combination which adds up to six instances where a single course is not repeated more than two times.

*Graduate Students:*

- Permission from the academic department must be obtained before a course may be repeated.
- Graduate students are limited to a total of two repeats where the most recent grade of the course will be used in the QPA calculation, regardless of whether that grade is higher or lower.
- A single course repeat for grade improvement is limited to one time.

Prior to any student athlete or any student with financial aid utilizing the repeat option, the student should ensure it will not jeopardize their status as a student athlete or their ability to receive financial aid.

In Banner, when a student repeats a course, the student’s QPA is recalculated at the point in which the course being repeated was initially taken. Previously, when a student repeated a course, the student’s QPA was recalculated at the point in which the repeat course was taken.

**FIRST DAY ATTENDANCE POLICY**

The first day attendance policy allows faculty to remove students from a course if they do not attend the first class session and do not provide notice to the faculty or the department secretary. This also applies to the first class after a student adds a course during schedule adjustment. If students are dropped from a course this way, they may only reschedule it if it is open during schedule adjustment.

Even if students do not attend the first class, they are still responsible for officially dropping the class during schedule adjustment. Otherwise, they may remain scheduled for the class, which may result in fees being charged to them and a grade of “F” on their academic record.

If a failing grade must be entered due to a student’s non-attendance in a class, faculty must use the “FA” grade and enter a last date of attendance in the appropriate field, as noted in the detailed instructions provided when final grading is enabled. This action is required for Shippensburg University to remain eligible for Title IV funds.

**SCHEDULING INFORMATION**

Spring 2019 scheduling information will be available around the beginning of October via the myShip portal. This information is real time. It will immediately reflect changes that are continually being submitted (e.g. faculty changes, room changes, time/day changes, etc.)
CHANGING/DECLARING A MAJOR

All approved requests for changes in declarations of majors and minors will be processed throughout the semester. No approved requests will be held.

Students who wish to declare a major in a high demand program must submit their request during the first three weeks of the semester in order to be considered. The following programs are currently designated as high demand majors: Biology, Psychology and Communications/Journalism.

EARLY WARNING GRADES

Early warning grades are due no later than 4 PM, on October 12th. Advisors may review these grades through the myShip portal to aid in their determination of measures that should be taken.

FINAL GRADES

Final grades are due no later than 3 PM, on December 18th. All grades should be submitted by this deadline. This will ensure students receive the appropriate correspondence regarding their academic standing (good standing, probationary status, or academic dismissal), financial aid eligibility is evaluated properly for applicable students, and review of our student athletes is complete and accurate.

If a failing grade must be entered due to a student’s non-attendance in a class, faculty must use the “FA” grade and enter a last date of attendance in the appropriate field, as noted in the detailed instructions provided when final grading is enabled. This action is required for Shippensburg University to remain eligible for Title IV funds.

TEMPORARY GRADES

The grade of “I” (incomplete) is given if a student is unable to complete the requirements of a course due to serious illness, death in the family, or other personal emergency. If the work is not completed by the last day of classes before final exam week of the next full semester, the student will receive a grade of “F” for that course.

At the end of each semester, a listing of outstanding “I” or “Q” grades is sent to the faculty to correct. If the grade of “I” is not changed to a regular grade by the deadline listed on the attached memo, the grade will be changed to an “F” grade.

CLASS WITHDRAWAL POLICY

A student may withdraw from a class through the tenth week of the semester. After schedule adjustment, students may withdraw from classes with "W" grades via the myShip portal. Students may withdraw from all but their final course. To withdraw from their final course, undergraduate students must personally visit their academic dean's office and graduate students must fill out the electronic form located at http://www.ship.edu/Registrar/Withdrawal_Request_Form/.

The deadline to withdraw from a class or the university and receive a "W" grade for full term (POT 1) for fall 2018 is November 5th. Visit http://www.ship.edu/registrar/semester_information_fall2/ for a complete listing of withdrawal deadlines for all parts of term.

FERPA

(FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT)

Faculty has the educational right to access and view students’ academic information. This access comes with responsibilities to protect this information.

Directory information may be released, as long as the student has not indicated they do not want this information released. For those students who have requested their directory information not be released, you will receive a warning message that information about student is confidential when attempting to access information on Banner forms. You will see a message “Confidential information for (Student Name)” when accessing information via myShip portal.

Directory information includes name, home and local addresses and phone numbers, enrollment status, e-mail address, major, degree and honors. Any information other than directory information may not be released to anyone.

Grades are private information, and only the student is able to view this information. It is Shippensburg's policy that we do not discuss a student’s record with anyone over the phone, including parents. If a parent wants information concerning a student, please refer the parent to the office of the Registrar.

Social security numbers are private information. You may not use this number or a portion of this number to post grades in public view. Graded papers should be given to students in class or left with staff to keep in the building office for pick up. Do not leave papers outside your office for students to go through.

Advisors have access to students’ transcripts and transfer evaluations. These are to be kept private as well. Whether the files are in your administrative office or your own private office, please keep these files from view when you are not working with the student.

We would also like to remind faculty and offices e-mailing more than one student at a time to make sure addresses are placed in the “Blind Copy” area so students are unable to view others’ addresses. Many students have elected not to have their e-mail address shared.

Therefore, the best practice is to always put e-mail addresses in the “Blind Copy” area.

Be sure to look for the FERPA presentation available through the myShip portal. Once logged on, click on the Tools link from the Employee tab. The link to the presentation is part of the FERPA statement at the top of the page.
