Please respond to the following questions and submit this completed survey to your Faculty Liaison. (Type in responses and edit the form as necessary)

The Field Co-Coordinator will consider this feedback while planning for future placements.

If you would like some of your thoughts to remain confidential, please be sure to indicate within your responses.

Reflect on your Spring Semester at your practicum site...

Has your field experience enabled you to meet your Curriculum Competencies and Practice Behaviors? That is, are you “getting what you need” from your field experience?

Were there significant changes or differences between your experience in the Fall Semester and your experience in the Spring Semester at your field placement? Were they positive or negative?

Did you encounter any barriers during your field experience? Were you able to overcome them? Please elaborate.

Has your agency welcomed you into the organization, understanding and respecting your role as STUDENT? Was this different from your Fall Semester experience?
Would you recommend other MSW students to this field practicum site? Is it better suited as foundation year or specialization year site? If yes, please elaborate.

Please identify at least one unexpected lesson you learned either this semester or over the academic year at your field placement. This may have been something you learned that was not on your learning contract.

Did your field experience help to direct your future social work practice goals and/or field placement ideas for your next placement?

Anything else you would like us to know?

THANK YOU FOR YOUR FEEDBACK.
