

## **Outlook Pointe at Shippensburg**

Bobbie Olson, Program Coordinator  
129 Walnut Bottom Road  
(717) 530-1400

*Outlook Pointe is an assisted living community. If volunteers are interested, they would play games with the residents such as bingo, bowling, & puzzles. They would also interact with the residents by baking or cooking with them. Past volunteers have also made crafts & read to the older adults. If any student has talent playing the piano, that is welcomed as well.*
