MBA Advising Checklist

Name: ___________________________ Date: ___________________________

You will be required to complete the following courses at the discretion of the MBA Director. The MBA Director is your advisor.

Foundation Courses (16 credits) – or equivalent coursework if needed

☐ BSN510 Economic and Information Systems Environment
☐ BSN511 Business Operations and Analysis
☐ BNS512 Essentials of Accounting and Finance
☐ BSN513 Organizational Behavior and Marketing

Recommendations: There are no course restrictions except when taking Strategic Management, then you must have already taken four core courses. Of those four it is highly recommended that you take Accounting and Finance. We also make the same recommendation for Entrepreneurship. You do not have to take classes in any specific order, but we suggest taking Accounting and Finance closer to the beginning of your courses.

Upper-level Required Courses (24 credits) – only offered during the fall and spring semesters

☐ MBA502 Managerial Accounting
☐ MBA529 Global Managerial Finance
☐ MBA554 International Business
☐ MBA556 Organizational Leadership
☐ MBA565 Information Management and Analysis for Decision Making
☐ MBA577 Supply Chain Management
☐ MBA552 Entrepreneurship (recommend completion of 502 & 529)
☐ MBA593 Strategic Management (capstone class; must be taken after completion of at least four MBA classes)

Possible Electives (6 credits) – mainly offered during the summer semester

- MBA532 Marketing Research
- MBA533 Business Operations and Logistics Planning
- MBA534 Buyer Behavior
- MBA547 Management Information Systems and Applications
- MBA548 IT Management and Innovation
- MBA557 Negotiation
