

Need assistance with completing your 2024-25 FAFSA®?

PHEAA Can Help!

PHEAA Access Partners are available for one-on-one virtual Free Application for Federal Student Aid (FAFSA®) sessions every **Wednesday in May from 9:00 AM–4:00 PM**. This opportunity is available to **the public including families and high school counselors who need assistance with completing the FAFSA**.

In order to give students and families more flexibility due to the FAFSA processing delays this year, PHEAA has extended the **submission deadline for the Free Application for Federal Student Aid (FAFSA), with relation to the PA State Grant Program, to June 1, 2024**.

Completing the FAFSA

FAFSA completion is one of the most important steps students can take to find funding for their postsecondary education, including aid from the federal government, state government, and most postsecondary schools.

FAFSA Tipsheet

A FAFSA Tipsheet, available at pheaa.org/ResourcesStudents will help ensure you have everything needed to complete the application.
