POLICY STATEMENT

EXPRESSIVE ACTIVITIES POLICY
SU Policy Number: 701-003.1

ORIGINATING OFFICE
Office of Equity, Inclusion, & Compliance

PURPOSE
The primary function of Shippensburg University (the "University") is student learning and personal
development through highly effective and innovative teaching, complemented by a wide variety of out-
of-class experiences. To fulfill its educational mission, the University must respect and uphold the full
panoply of, sometimes conflicting, rights of students, staff, and faculty granted by the First Amendment
of the United States Constitution (the "First Amendment") and Article I, Section 7 of the Constitution of
Pennsylvania.

In light of the foregoing, the University supports the rights of students, staff, and faculty to individually
and collectively engage in Expressive Activity. Such rights are equally extended to other University
Community Members including individuals, Registered Student Organizations, University Departments,
and Invited Guests.

SCOPE
This policy applies to Expressive Activities of University Community Members and the General Public on
University Property. Expressive Activity, as defined by this policy, is not permitted in Non-Public-on-
Campus Areas except in accordance with University policies and procedures. All Expressive Activities
must comply with applicable federal, state; and local laws, including all laws, regulations, and
ordinances—e.g. traffic, fire prevention and safety, sound, etc. Additionally, all Speakers engaging in
Expressive Activities must abide by all applicable policies of the University and the Pennsylvania State
System of Higher Education.

OBJECTIVE
This policy establishes guidelines to assure that Expressive Activities do not unreasonably interfere with
University Operations, undermine the protected speech of others, or present a threat of imminent harm
to others or University Property. This policy defines different areas of campus as Designated University
Forums or Designated Public Forums and explains how speech protections apply to different Speakers in
those areas. Importantly, through this policy, the University regulates the time, place, and manner of
speech in a content-neutral manner as a legitimate way to fulfill its educational mission.
