Enclosed is this official copy of the results of your federal criminal history background check, your federal Criminal History Record Information (CHRI).

Applicants for employment in the public school or private school or their contractor must include their UID number with their employment application. If you are hired by the public school, private school or the contractor, a copy of your CHRI will be kept in the school’s file. If you are approved for student teaching, a copy of your CHRI will be kept in a file at your college or university by the Teacher Training Institution Administrator. The official CHRI in the electronic system will be available five years from the date you were fingerprinted.
