How to prepare a **PITCH DECK**
PROBLEM

List 3-5 problems your company observes and wants to solve.

PROBLEM 1
Give a striking overview of the problem and explain it briefly.

PROBLEM 2
Elaborate on how this negatively impacts people and their experiences.

PROBLEM 3
Frame the problems effectively as it will set the stage of your entire pitch.
Describe how you envision to solve the problems you shared.

Communicate big value prop, and be truly straight forward.

Be very clear so you can smoothly jump to introducing your product.

List 3-5 ways your company proposes to solve them.
PRODUCT OR SERVICE

Introduce your company's product or service as the ultimate solution to these problems.
A simple timeline on how your product or service came to be is a helpful way of visualizing your company's origin story.

What frustrations or ideas led to this?
REASON 1

Why is “now” the best time for your company to rise and go to the next level? What makes this exactly the right moment?

REASON 2

What are the trends these days that make your product or service possible, that may not have existed previously?

TIMING

Explain why now is the time for your product or service to shine.
Where is your company currently at? Visualize with a graph to highlight important developments.
Who are the customers you want to cater to?

TARGET MARKET

TARGET MARKET 1
What are their profiles and visual personas? Describe them and detail their needs.

TARGET MARKET 2
Visualize the people who will turn to you for solutions.
Apply the two ways to size the market - top down or bottom up.
