**USING THIS GUIDEBOOK**

There are several uses for the 2023 *Guidebook for Undergraduate Students*. Exploratory students use this text along with guidance from their faculty advisor to understand their abilities, values, and interests and select the major and career path that’s right for them. Currently declared students searching for a minor or considering a major change use the Guidebook to explore their major and minor options. And faculty advisors use the Guidebook as an advising reference when meeting or preparing to meet with students.

Regardless of how you use this Guidebook, you’ll find answers to many of your questions in these pages, such as:

- Important university policy information
- General Education requirements
- Explanations of Placement Testing and Foreign Language requirements
- Information about Study Abroad
- A listing of all majors and minors offered here at Shippensburg University
- Details of all programs of study, including registration tips, prerequisites, and declaration requirements

While this Guidebook contains a profusion of academic policies, listings and requirements, the University’s official record of academic programs and requirements is provided in the 2021-2023 Undergraduate Catalog which can be found at: [https://www.ship.edu/academics/academics-resources/catalog/undergraduate_catalog/](https://www.ship.edu/academics/academics-resources/catalog/undergraduate_catalog/)

We wish you a very happy and successful year, and we know you will find 2023 *Guidebook for Undergraduate Students* informative and helpful.

Sincerely,
The Department of Academic Engagement & Exploratory Studies (AEES)

---

Disclaimer: This guidebook may be subject to change. For the most recent version, please visit [ship.edu/exploratory/](http://ship.edu/exploratory/).
## ACADEMIC CALENDAR 2022-2023

### Fall Term 2022
- **Fall Welcome Week Kick off**: Thursday, August 18
- **Classes Begin**: Monday, August 22
- **Add/Drop Period Ends**: Monday, August 29
- **Fall Break, No Classes**: Monday-Tuesday, October 10-11
- **Withdrawal Period Ends**: Monday, October 31
- **Thanksgiving Break**: Wednesday-Friday, November 23-25
- **Last Day of Classes**: Friday, December 2
- **Final Exam Week**: Monday - Friday, December 5-9

### Winter Term 2022
- **Session Opens**: Monday, December 12
- **Session Ends**: Friday, January 13

### Spring Term 2023
- **Classes Begin**: Tuesday, January 17
- **Add/Drop Period Ends**: Tuesday, January 24
- **Spring Break**: Monday - Friday, March 6-10
- **Withdrawal Period Ends**: Tuesday, March 28
- **Last Day of Classes**: Friday, April 28
- **Final Exam Week**: Monday - Friday, May 1-5
ACADEMIC POLICIES AND PROCEDURES

First Day Attendance
If you are unable to attend the first class session of a course in which you plan to remain enrolled, you must give notice of your intended absence to the instructor, academic department secretary, or academic dean’s office of that course. Failure to provide such notification may result in your name being removed from the roster by the instructor and your place in that class being given to another student. If you do not attend the first day of class, you cannot assume, how- ever, that you have been dropped from this class. It is your responsibility to verify your enrollment status by checking your schedule on your myShip portal.

Credits in the First Year
The normal semester hour workload varies between 15 and 18 credit hours. Students with less than 12 credit hours are classified as part-time. To take more than 17 credit hours in a semester, you must have approval of your academic dean. If you schedule 19 or more credits, you must pay an additional per credit fee (see Student Accounts for more information). Freshmen may not take more than 17 credit hours during their first semester.

Transfer Courses
If a transfer student is admitted, the Dean of the appropriate college will evaluate the student’s transcript to deter- mine the amount of transferable credits. In general, a grade of C or better is required for transfer credit to be accepted. The transfer credit will appear on the student’s transcript with a grade of TR and will not be used in calculating QPA.

For admitted students who wish to take courses at another college or university for transfer back to Shippensburg University, it is advised they refer to the course equivalency page. Transfer credit will not be awarded to replace a D or F grade earned at Shippensburg University. For additional information, please contact your advisor.

Withdrawal from a Class
Courses may be added or dropped without penalty or record notation during the official schedule adjustment period. The drop/add period extends to the eighth calendar day in a typical semester, excluding holidays, to adjust schedules. Dates for this schedule adjustment period will be announced by the Registrar’s Office.

You may withdraw from a class through the tenth week of the semester subject to the restrictions listed here. Requests for withdrawals may be initiated through myShip during the spring and fall semesters by full-time undergraduate students who have attended the university at least one spring or fall semester previously and who have not applied for graduation. All other requests for withdrawals must be initiated through your advisor. Following the initial schedule adjustment period, any courses from which you withdraw will remain on your academic record and will be assigned a grade of W. Please note that once a student withdraws from a class, the class cannot be re-added to the student’s schedule.

You should carefully consider the ramifications before you withdraw from a course. If withdrawing from a course causes you to drop below 12 credit hours for the semester, you will be considered a part-time student, which may jeopardize financial aid, athletic eligibility, health insurance, and residence hall status. You should consult with your academic advisor, athletic coach and/or the Financial Aid Office before you withdraw from any course.

Should you withdraw from any course, it is your responsibility to do so officially, whether or not you have ever attended that class. If you do not attend and do not with- draw, your name will remain on the class roll until the final grading period and you will receive a grade of F for the course.

Registering for Classes
Current students may register for classes at the university during the registration period held each semester for the next semester or during official schedule adjustment periods. You must meet with your advisor to obtain your PIN. New students (freshmen and transfers) will be assigned a schedule prior to the beginning of their first term.
Minimum Academic Standards
Students admitted to the university are expected to maintain satisfactory academic standing, which requires a cumulative quality point average (QPA) of 2.0 (C) or better in their total program of courses and minimum 2.0 in the course work of their major areas of specialization.

Students who do not meet the required quality point average may be granted one probationary semester in which to raise their average. Students who show academic progress, i.e., greater than a 2.0 semester QPA, may be continued on academic probation.

Repeating Classes
Students may avail themselves of the repeat/grade replacement option a total of six times. Grade replacement of a repeated course is not limited to courses in which D and F grades were originally earned. However, the most recent grade of the course will be used in the QPA calculation, regardless of whether that grade is higher or lower. If you repeat a passed course and fail, you will lose both the quality points and the credits you had previously earned. A single course repeat for grade improvement will be limited to two times. The six repeats may include repeating six courses one time each, repeating three single courses two times each, or any combination which adds up to six instances where a single course is not repeated more than two times. After the sixth repeat instance, any additional course repeats will include both the previous and new grade in the QPA calculation.

Prior to any student athlete and/or any student with financial aid utilizing the repeat option, the student should ensure it will not jeopardize their status as a student athlete or their ability to receive financial aid.

A previously failed course may not be repeated through an online course.

A D or F grade earned at Shippensburg University may not be made up or replaced by credits earned at another institution of higher learning for the same course.
ADVISING FOR FINANCIAL AID SUCCESS

Free Application for Federal Student Aid (FAFSA)
The FAFSA opens each year on October 1st and is free to file each year. The Financial Aid office offers workshops each semester for students who need training and/or assistance with the process. All students who file the FAFSA, and are enrolled in 6 or more credits a semester, are eligible for loan interest loans (Stafford Loans). Depending on the student’s calculated financial need, some students, may also be eligible for federal grants (Pell Grants). For more information about the FAFSA visit http://www.fafsa.gov.

Pennsylvania residents who file the FAFSA prior to May 1st are also eligible for the Pennsylvania State Grant. Visit http://www.pheaa.org for more information.

Satisfactory Academic Progress (SAP)
SAP is defined as sufficiently moving towards successful completion of degree requirements. At the end of the fall, spring and summer sessions, the Financial Aid office reviews each student’s progress in the following ways:

Cumulative Grade Point Average
By the end of each term, the student must maintain the following minimum, cumulative GPA
• Terms 1 through 3: 1.7
• Term 4 until graduation: 2.0

Percentage of Credits Earned (PACE)
Students must successfully complete (earning a final grade of D or higher) 67% of the classes that they attempt. Dropped courses do not count in this calculation, however withdrawn courses count as courses attempted but not completed.

Maximum Time Frame
Students may not attempt more than 150% of the number of credits needed to graduate. Most Shippensburg undergraduate degrees are 120 credits. Students must complete their degrees before earning a total of 180 credits.

Pennsylvania State Grant Recipient SAP Requirements
Students receiving the PA State Grant must earn 24 NEW credits for full-time students (12 NEW credits for part-time students) each academic year to remain eligible for the Grant. While their is no specific GPA or PACE requirement, students who successfully complete less than 24 credits per year are at risk of losing this Grant.

Repeats of courses in which the student earned a final grade of D do not count as new credits. For example: a repeated math course in which student earned a D in order to meet the minimum pre-requisite grade of C does not count as new credits and in some cases the student will need to complete additional new courses in order to meet the SAP requirements.

The Summer term may be used to earn deficient credits after the Fall/Sprint review for the next academic year.

For more information about the University’s SAP policy visit: https://www.ship.edu/paying/financial-aid/sap/

Satisfactory Academic Progress (SAP) Non-Compliance
All students in non-compliance are emailed following SAP review and are given one warning term to get back into SAP compliance. If they are still not meeting SAP, they are emailed a notification that they are not eligible for aid.

Students may continue taking classes but they must secure a private loan or pay out of pocket until they meet SAP requirements. Students with unforeseen circumstances may submit an appeal which comprises the Appeal Form, a written statement explaining their situation and plan to meet SAP in the future and 3rd party documentation substantiating their appeal.

If the student’s appeal is granted, students are required to meet with their faculty advisor to complete an academic plan in which the two calculate and document a plan semester-by-semester for the student to meet SAP requirements. Adhering to the terms of this plan allows the student to continue receiving aid each semester.

For more information on these topics and specific answers to individual situations, visit https://www.ship.edu/paying/financial-aid/ call: 717-477-1131 or email: finaid@ship.edu
QUICK ANSWERS TO COMMON QUESTIONS

What if I take fewer than 12 credits?
The normal semester hour workload varies between 15 and 18 credit hours. Students with less than 12 credit hours are classified as part-time. It is extremely important when earning less than 12 credits you consult with the Financial Aid Office and Athletic Department regarding your eligibility.

What if I become ill and cannot complete the semester’s coursework?
You may be allowed to withdraw from all your classes with grades of W if you provide your academic dean with clear medical evidence you are unable to continue your coursework. It will be the determination of the dean whether this evidence is substantial enough to merit a medical withdrawal. Notification of a medical withdrawal must be received by the academic dean prior to the end of the current semester. Medical withdrawals are not permitted after the semester ends. If you receive a medical withdrawal, you will be eligible for a refund only if your withdrawal occurs within the time period normally allowed for refunds. Students may also request the grade of an I (incomplete) if they have successfully completed a majority of the work for the course. Being awarded an I is a privilege not a right of the student and the decision to grant an incomplete grade rests solely with the course instructor.

Is class attendance mandatory?
At Shippensburg University, your participation in class is viewed as essential to the teaching/learning process. Therefore, it is expected you will miss classes infrequently and only for good reason. Each instructor will state the course requirements including attendance expectations as part of the clearly written course information distributed at the beginning of each semester. An instructor must make provision for excused absences. However, if you elect to be absent from a class without being excused, you may not be provided a makeup opportunity for any graded activity that takes place at that session.

What if I am late for class?
Sometimes circumstances will prevent a student from attending class on time, but being habitually late to class is both rude and inconsiderate. Some professors deduct points for lateness or lock the classroom door to prevent you from interrupting.

What grade point average will place me on academic probation?
To remain in good academic standing, a student must maintain a minimum cumulative grade point average of 2.0 (“C”). Anything less will result in probation.

Can I take courses at another university to improve my grade point average?
Transfer credits will appear on the student’s transcript with a grade of TR and will not be used to calculate QPA.

If I earn a “D” or an “F” grade in a course at Shippensburg University, can I repeat it at another university?
If a student has earned a D or F grade in a course at Shippensburg University and wishes to earn a higher grade, the course must be repeated at Shippensburg University.

Should I always repeat courses when I have earned “D” or “F” grades?
Students may be required to repeat a course in which they’ve earned a D or F grade if the course is developmental or if it counts toward the student’s major requirements. Otherwise, it is recommended that students who want to improve their grade point average repeat a course in which they’ve earned a D or F as soon as possible. Shippensburg University’s policy allows a student to repeat (and replace) six grades with the newer grade; however, after this option is used six times, any subsequent repeats will include both grades in the grade point average. Check with Financial Aid and/or your advisor before repeating courses.

Will I receive any recognition for outstanding academic performance?
A dean’s list is published at the end of each semester to recognize students who earn at least a 3.5 or better. In addition, students who consistently perform at the highest levels are given special recognition at the end of each academic year.

How much time should I devote to studying?
It is important for first-year students to learn early in their collegiate career that efficient time budgeting requires
painstaking systematic planning. The resulting time schedule must be both realistic and practical; that is, it must be sufficiently flexible to handle changing requirements and be adequately balanced between academic work and recreation. Studies show that college students who are taking five (5) courses should study at least 30 hours a week outside of the classroom in order to be academically successful.

Where should I go for academic advice?
Every Exploratory Studies student will be assigned an advisor from the Department of Academic Engagement and Exploratory Studies. Students who do not know their assigned advisor should access their myShip portal or contact their department.

When are Exploratory Studies students required to declare a major?
Exploratory Studies students are advised to declare no later than their third semester.

What steps must I follow to declare a major?
Declaring a major is a simple process. You should follow these steps:
1. Make sure you are in good academic standing. In all cases, students need a minimum cumulative GPA of at least a 2.0. Competitive majors require a higher GPA.
2. Talk to your advisor about your plans.
3. Verify requirements for the major with your advisor.
4. Certain majors have course requirements in addition to GPA standards. Some departments conduct pre-screenings. They may also require student submit additional forms and complete certain courses before they are considered and accepted as majors.

Please note certain majors only accept students by certain deadlines in the semester.

What is a minor?
An academic minor is a structured group of courses that can enhance your educational experience. It usually consists of 18-26 credits from one or more disciplines outside the student’s major. It is possible to have more than one minor, but only six credits from one minor may count toward the fulfillment of another. Shippensburg University offers over 30 different minors. Students should consult the catalog for details and consult with their advisor about declaring a minor.

Am I eligible for the Satisfactory/Unsatisfactory option?
If you have completed at least one academic year (30 semester hours) at Shippensburg University and are maintaining a cumulative QPA of 2.5 or better, you may schedule up to a maximum of three credits (or one four credit course) per semester under the satisfactory-unsatisfactory option. Transfer students with more than 30 semester hours accepted in transfer may adopt the satisfactory-unsatisfactory option for their first semester at Shippensburg.

You may adopt or rescind the satisfactory-unsatisfactory option during the first two weeks of the regular fall or spring semester. No changes may be made after the deadline. Only full-time students are eligible.

The maximum number of credits you may schedule under the satisfactory-unsatisfactory option while attending Shippensburg University will not exceed ten. Only courses taken outside your major and/or minor field may be scheduled on the satisfactory-unsatisfactory basis.

Grades received from courses taken on the satisfactory-unsatisfactory basis will not be used in determining the cumulative quality point average. If you receive a grade of S, the credits earned will be recorded toward graduation requirements; however, no credit will be earned if a grade of U is assigned.

You may not schedule more than one course on a satisfactory-unsatisfactory basis in a given department or in a required sequence of course offerings within a major. The five required courses for the General Education Program, Foundations Courses may not be taken on a satisfactory-unsatisfactory basis.

Are foreign language courses required?
Students enrolling in BA degree programs at Shippensburg University must meet a language requirement for graduation. Students who have successfully completed three years or more of any one foreign language in high school have met the language requirement. The requirement can also be met through AP testing, CLEP or the university placement test combined with the department oral test. Students with no previous knowledge of a foreign language must begin with the introductory level and complete three courses in that language. All others will take the university placement test. For more information, see page 15.
Shippensburg University’s General Education Program requires students to take various courses to develop certain skills and competencies. The mission of the Shippensburg University Testing Center is to determine whether or not students are adequately prepared to succeed in their General Education courses. The Testing Center determines level of proficiency by testing Math and Writing (English). Also provided is an optional Reading test for students who are required to take Literacy for the 21st Century and wish to challenge their placement in that course.

Registering for Placement Tests
To register for placement testing, new students should check their myShip portal and/or visit apply.ship.edu/portal/placement. Transfer students will receive an email if required to complete testing.

Reading Placement Process
Students will be placed into AEES191R (renamed to AEES120 starting in Fall 2023) if they meet both of the following criteria: a high school GPA of 2.5 or less and a score of 37 or below on the adapted MARSI SU College Reading Survey. This survey is administered through Slate Platform and the results are updated in Banner and SSC. AEES191R (AEES120) 21st Century Academic Literacies is in response to several under preparedness and equity concerns in meeting the educational and reading needs of students. This course has been approved as a special topic general education course. 60% of the course enrollment will be reserved for students gaining entry through the aforementioned screening process. The remainder of course enrollment will be open to the regular student body.

Additionally, a student can take AEES191R (AEES120) to replace a RDG050 D, F, W grade. A student with a Reading Placement Score of “1” will be required to complete AEES191R (AEES120).

Math Placement Process
Some students are required to complete Math Placement Testing before they can schedule a Math course. If you have no SAT-Math or ACT-Math score, or if your score is too low, you may have to complete testing. If you have no prior high-level Mathematics coursework, or if your performance in prior courses was insufficient, you may have to complete testing. Testing is conducted using the ALEKS PPL system and you may be able to complete testing using your home computer.

Your Math Placement Level and your major (or intended major) determines which Math course(s) you can take (see next page for details). Students at lower levels majoring in STEM, Business, or middle-level education are encouraged to complete testing to improve their level, saving money and staying on track for graduation.

Writing (English) Placement Testing
The English (Writing) Placement Test is required for first-year students whose English SAT sub-score is ≤25 or whose ACT-English Sections are ≤18. Based on writing placement test scores, students will enroll in one of two courses: ENG 113 or ENG 114 (see below).

Students who score at a level 5 may have the option to take ENG 115: Advanced Placement Writing.

For more information about placement testing, visit ship.edu/testing/.

</table>

Advising Notes:
1. MAT117A is a 4-credit version of Applied Statistics for Level 1-2 students that includes review of basic algebra skills. Students should only take one of MAT117A or MAT117B, not both.
2. MAT 140A is a 4-credit version of College Algebra for Level 3 students that includes more targeted algebra review. Students should only take one of MAT140A or MAT140B, not both.
3. A “STEM major” is any SU major requiring MAT 211 Calculus I.
4. MAT 110 Fundamentals of Mathematics I is only available to Education majors.
5. Quantitively-minded students in majors that require Applied Statistics and who place at level 5 or higher may be encouraged to consider MAT 217 Statistics I instead of MAT117B.

Additional Notes:
- Math requirements for Middle-Level Education majors vary according to their concentration. Contact the Teacher Education department for more information.
- Challenge testing is available for students who wish to demonstrate their knowledge and increase their placement level.
- Math Placement Level 6 is required to declare Computer, Electrical, Mechanical, or Civil Engineering
FOREIGN LANGUAGE REQUIREMENTS FOR B.A. DEGREE PROGRAMS

Students enrolling in BA degree programs at Shippensburg University must meet competency requirements in one foreign language before graduation.

Students who have successfully completed three years or more of any one foreign language in high school have met the language requirement. The requirement can also be met through AP testing, CLEP, or the university placement test combined with the department oral test.

Students with no previous knowledge of a foreign language must begin with the introductory level (101) and complete three courses in that language. All others will take the university placement test. French, German, and Spanish 101/102/103 will complete the requirement sequence based on placement.

Students with three or more years of a language who want to take the same language as a General Education course or as a free elective, will be placed at the 103 or 200 level, according to their test results and the number of years they've studied the language in high school.

STUDY ABROAD AT SHIPPENSBURG UNIVERSITY

Plan now to study abroad
One of the advantages of attending Shippensburg University is the ease with which you can study abroad. New friends and experiences await you in Australia, England, France, Ireland, South Korea, Spain, New Zealand, and elsewhere across the world.

Why plan now to study abroad?
Some advance planning is necessary in terms of courses you take here and courses you reserve for studying abroad. General Education courses work really well abroad. A very good reason to study in countries such as Italy, Sweden, or Korea is so that you can take courses unique to that region. Many courses in your major may be taken abroad as well. Language students find it is essential for them to study their language in the native region.

What are the requirements?
You need a minimum 2.5 GPA, although many institutions have requirements beyond this. SU also requires students to earn 30 SU credits before going abroad and to be in good standing at the university. All schools and programs require that you complete one year of college before going abroad. You can apply after your first semester, but you must finish one year here before you can travel abroad. Transfer students are advised on an individual basis.

When do students study abroad?
Study abroad used to mean one semester during your junior year of college. Today, students can choose a time frame that works with their college career. Semester long programs are most popular, but some students select an academic year (actually 8 months or so) because they find one semester is not enough. Spending two semesters abroad enables you to reap all the benefits of the program. It also gives you more time to travel and to make friends. For those unable to spend a semester or a year abroad, summer and winter break programs are also available. These programs can last for 3, 6 or even 9 weeks.

Where will I live?
Housing options vary by location, but will be worked out prior to your departure. In some locations, students reside in university apartments or guesthouses. These accommodations typically provide single bedrooms within a shared apartment that includes a kitchen, bathroom and living room. In other locations, students reside with host families that are pre-screened by the program overseas. In most locations, meal plans are not purchased but students will rather purchase groceries and cook for themselves or if residing with a family, the family provides 2-3 meals daily.

How much will it cost?
The cost of studying abroad varies depending upon location. There are also exchange programs for particular majors, where you pay tuition here and study elsewhere. Special scholarships are available for those who qualify, and nearly all financial aid can be applied to studying abroad. It is open to all majors, credit transfer is guaranteed in advance, and it will not delay your graduation if you plan accordingly.

What are the benefits of study abroad?
Studying abroad allows you to do many things. You are able to take classes towards your degree while experiencing a new culture and in some cases, exposure to a new language. While overseas, you can travel during your free time and take advantage of local cuisine, festivals and highlights in the city in which you reside. Employers are also impressed with students who study abroad because it shows you are adaptable, globally minded and not afraid to step outside of your comfort zone.

How do I get started?
Please call 717-477-1279 or stop by the International Programs Office in the Student Success Center, Mowery Hall Rooms 212-210 and schedule an appointment. Information is also online at ship.edu/international.
TURNING ACADEMIC PROBATION INTO SUCCESS

Students who earn less than a 2.0 (“C”) cumulative GPA are placed on academic probation. Being on probation risks continued Federal Financial Aid funding and continued enrollment at Shippensburg University.

If you find yourself on academic probation, please use all available resources on campus, including your faculty advisor, to turn academic probation into success.

You will be less likely to face dismissal and more likely to increase your GPA by engaging in the following proactive behaviors:

**Repeat courses in which you earn “F” grades.**
Students try to put off repeating “F” grade courses until the summer session. Unfortunately, if your grades are poor in the second semester, the opportunity to register for summer classes may not be available.

Your best course of action is to repeat “F” grade courses as soon as possible. Remember you may only repeat these at Ship.

**Follow the advice of your advisor - not a friend.**
Friends may have good intentions, but they sometimes mis-advise their peers about courses that are easy and appropriate for some, but difficult and inappropriate for others. Thus, you should place only limited faith in course selections suggested by friends.

Your academic advisor or a departmental faculty member is a far better resource.

**Seek academic or personal help early in the semester.**
Some students try to succeed on their own and seek help only when the situation becomes particularly grim. This is not the time to be self-reliant; instead, please know there is help available on campus. Using supportive services is expected and encouraged as part of the total academic experience.

**Consider your course load.**
Students on academic probation sometimes benefit from taking fewer credits. After discussing with your advisor, consider taking just 12 credits in your first semester on academic probation. So you stay on track for graduation within four years, remember you can make up the missed credits during winter or summer terms.

**Withdraw from courses within the appropriate time frame.**
Students cannot withdraw from courses past the established deadline. Except for medical emergencies, the last day to drop a course with a “W” occurs during the tenth week of the semester. The deadline is always advertised widely on campus each semester through the deans’ and department offices, as well as on the Ship website. If absolutely necessary, consider withdrawing from a course only within the established period, and only after discussing your intention with your professor and academic advisor.

**Go to class!**
Some students miss classes frequently because they think they have more important things to do. But the more you miss class, the more intimidating you will find class becomes. It’s a self-defeating cycle that results in poor grades and often, academic dismissal. Good students rarely miss class and, if you are on academic probation, you cannot afford to miss any class time.

**Fully participate in AIM.**
The Academic Improvement Plan (AIM) assists students on academic probation in developing strategies and skills that will help them to improve their cumulative grade point average. Learning specialists guide students in the AIM program to help them experience success in college. This structured program is designed to give students skills in studying, self-management, emotional intelligence, and personal responsibility, all of which can help them to improve their academic standing and achieve success in their courses.

Visit the Student Success Center in Mowrey Hall for more information on AIM.

**Visit the Learning Center**
The Learning Center, located on the first floor of the Student Success Center in Mowrey Hall, is the university’s primary site for tutoring services and academic support. Within the center, students are able to select from an array of options that can help them improve their academic performance, writing proficiency, and learning abilities.
Outside the center, students can peruse the Learning Center’s website to obtain information on tutoring options, view virtual workshops, find schedules for face-to-face workshops, access writing and study skills resources, and learn how to schedule an appointment with a tutor or a Learning Specialist.

**Speak to a Librarian.**

In addition to providing library instruction sessions in a wide range of courses, librarians are available at The Ezra Lehman Memorial Library at various times throughout the week for one-on-one consultations that will help you build on the skills you need to be successful at college-level research.

Asking for help at the beginning of an assignment can save you time that might be required in redoing assignments and help you earn a better grade.

Adapted from:
MAJOR AND MINOR REQUIREMENTS
Adding a minor to your program of study is an excellent way to broaden your background and increase your employability. The following minors are offered at Shippensburg University. Consult your academic advisor, the corresponding email address below, or the undergraduate catalogue for more information.

THE GENERAL EDUCATION PROGRAM
THE GENERAL EDUCATION PROGRAM

Degree framework for undergraduate students
All degrees awarded by Shippensburg University must be structured to fit the following framework:
• The completion of a minimum of 120 credit hours in the selected curriculum. Students required to complete developmental courses should note that developmental coursework is additive to the 120 credit minimum.
• The completion of all general education courses and the course sequence requirements in the selected curriculum.
• An overall grade point average of at least a 2.0 (“C”) in the total program of courses.
• A cumulative grade point average of at least a 2.0 (“C”) in the major.
• In the case of teacher education students, a satisfactory history of development in student teaching.
• The completion of all final coursework.

Why have a General Education Program at Shippensburg University?
At the core of the curriculum lies the principle that a good education has two distinct purposes. The first of these is to acquire a set of competencies and a grounding in the arts and sciences which promote real intellectual growth in college and ample cultural awareness in the years beyond. The second purpose is to prepare students for a rewarding and socially beneficial vocation by exploring subjects not necessarily available within the confines of a prescribed major.

The program allows students to make personal choices. It also enables the students to satisfy native curiosity, to explore unfamiliar territory, and to cultivate sensitivity toward their environment and an awareness of their personal strengths and weaknesses.

All undergraduate students at the university are required to complete the General Education Program.

Overview: General Education Program
The new General Education Program at Shippensburg University comprises forty-five of the credit hours required for graduation. The program includes a series of special courses in five categories:
• Foundations (15 credits)
• Interconnections (9 credits)
• Citizenship and Responsibility (6 credits)
• Natural World and Technology (9 credits)
• Creativity and Expression (6 credits)

Advising for the General Education Program
When advising students, consider the following policies regarding the General Education Program at Shippensburg University:
• Expression and Creativity: Students must complete one Literature in addition to one Creative or Arts course.
• No more than two courses from one department will apply to a student’s General Education program. For example: If a student takes ENG 114 to satisfy a Foundations course and then takes ENG 250 for Literature followed by ENG 224 for Creative, ENG 224 will count as an elective and will not satisfy a General Education requirement.
• Students may not elect to take any of the five foundations courses “satisfactory-unsatisfactory”.
• Lastly, courses either count toward a student’s major or toward the General Education Program but not both.
GENERAL EDUCATION PROGRAM OFFERINGS

Foundations (5 courses/15 credits)

UNIV101 SU First Year Seminar, or
HON 113 Writing Intensive First Year Seminar
ENG114 Academic Writing, or
ENG 115 Advanced Academic Writing, or
HON 106 Honors Academic Writing

Quantitative Reasoning Options (choose 1):
MAT105 Mathematics for Liberal Studies
MAT107 Mathematics Models Applied to Money
MAT111 Fundamentals of Mathematics II
MAT117A Applied Statistics with Co-requisite Support
MAT117B Applied Statistics B

Quantitative Reasoning Options (choose 1): MAT181 Applied Calculus
MAT211 Calculus I
MAT217 Statistics I
*See your advisor to figure out which course is right for you and your major

Interconnections (3 courses/9 credits)

Diversity (at least one course from this group):
COM245 Diversity and the Media
DS100 Introduction to Disability Studies
EEC273 Intro. to Exceptionalities
ETH100 Introduction to Ethnic Studies
ETH101 Introduction to African American Studies
ETH102 Introduction to Latino Studies
FRN150 French Civilization
GEO103 Geography of the United States and Canada
HON 102 Honors: Introduction to Women's Studies
HON 141 Honors: World Geography
HON 160 Honors: Cultural Anthropology
HON 165 Honors: Principles of Macroeconomics
HON 174 Honors: Intro. to International Politics
PLS141 World Politics
SPN153 Latino Pop Culture
SPN204 Ideas & Cultures From Spanish-Speaking World
SPN385 Aspectos De La Civilizacion Hispana

Global Perspectives (at least one course from this group):
ANT105 Great Discoveries in Archaeology
ANT111 Cultural Anthropology
ECO101 Principles of Macroeconomics
FRN 204 Ideas & Cultures From French-Speaking World
GEO101 World Geography
GER150 German Civilization & Culture
GER204 Contemporary German Culture
HIS106 Modern World History
HON 123 Honors: Modern World History

Foreign Language
ASL101 American Sign Language
ASL102 American Sign Language
CHN101 Beginner’s Chinese
CHN102 Beginner’s Chinese II
CHN103 Intermediate Chinese
FRN101 Beginning French I
FRN102 Beginning French II
FRN103 Intermediate French
FRN202 Intermediate Conversation Through the Media
FRN320 French for the Professions
GER101 Beginning German I
GER102 Beginning German II
GER103 Intermediate German
GER203 Intermediate German Communication
GER215 German for the Professions
SPN101 Beginning Spanish I
SPN102 Beginning Spanish II
SPN103 Intermediate Spanish
SPN202 Intermediate Conversation
SPN330 Spanish for the Professions
Citizenship and Responsibility (2 courses from 2 categories/6 credits)

**Critical Reasoning**
- AEES122 Academic Literacies for the 21st Century
- AEES210 Writing Tutoring Theory and Praxis
- ECO113 Principles of Economics
- ENGR110 Modeling and Simulation
- ESC207 Stress Management
- FIN101 Personal Finance
- GEO140 Human Geography
- GRN100 Introduction to Gerontology
- HCS125 Survey of Communication Studies
- HON130 Honors: Intro. To Philosophy
- HON161 Honors: Intro to Sociology
- MAT225 Discrete Mathematics
- PHL101 Introduction to Philosophy
- PHL102 Critical Thinking
- SOC101 Introduction to Sociology

**Ethical Reasoning**
- HON105 Honors: Ethical Theories and Problems
- PHL105 Ethical Theories and Problems

**Citizenship**
- COM111 Media Literacy
- ESS108 Introduction to Environmental Sustainability
- HIS201 Early History of the United States
- HON279 Honors: U.S. Government and Politics
- PLS100 U.S. Government and Politics

Natural World and Technology (3 courses/9 credits)

**Natural World (at least two courses)**
- ANT121 Physical Anthropology
- BIO100 Basic Biology
- BIO145 Environmental Biology
- BIO150 Human Biology
- BIO161 Principles of Biology: Cell Structure and Function
- BIO162 Principles of Biology: Organismal Diversity
- BIO208 Field Biology
- BIO237 Human Anatomy and Physiology I
- CHM103 Chemistry: A Cultural Approach
- CHM105 Chemistry: An Observational Approach
- CHM121 Chemical Bonding
- ESS110 Introduction to Geology
- ESS111 Introduction to Weather and Climate
- ESS210 Physical Geology
- HON108 Honors: Astronomy
- HON142 Honors: Intro to the Atmosphere
- HON145 Honors: Environmental Biology
- HON159 Honors: Physical Anthropology
- HON180 Honors: Physics for Society
- HON186 Honors: Human Biology
- HON196 Honors: A Cultural Approach
- HON244 Honors: Introduction to Geology
- PHY108 Astronomy
- PHY110 Physics for Society
- PHY121 Introduction to Physics I
- PHY122 Introduction to Physics II
- PHY205 Intermediate Physics I
- PHY221 Fundamentals of Physics I

**Technology**
- CSC103 Overview of Computer Science
- CSC104 Programming in Python
- CSC120 Intro to Computer Science and Metacognition
- CSC180 Microcomputer Basic
- ECO102 Principles of Microeconomics
- ENGR120 - Programming for Engineers
- HON166 Honors: Principles of Microeconomics
- HON182 Honors: Overview of Computer Science
- MAT219 Data Science I
- MIS300 Information Technology and Business Operations
**Creativity and Expression (2 courses/6 credits)**

THE GENERAL EDUCATION PROGRAM (PRE-FALL 2018)

Students enrolled prior to Fall 2018 follow these General Education Requirements. Students are advised to review their course options with their faculty advisor and/or consult the 2017-2019 Undergraduate Catalog for more information.

48 Credits

**Part I: Required Skills and Competencies (15 Credits)**
- Historical Foundations of Global Cultures
- Thinking Historically in a Global Age
- Intro to Human Communication
- Writing Intensive First Year Seminar/Advanced Placement Writing
- College-Level Mathematics

**Part II: Categories of Knowledge**
- Category A—Logic and Numbers for Rational Thinking (1 course - 3 credits)
- Category B—Linguistic, Literary, Artistic, & Cultural Traditions (3 courses - 9 credits)
- Category C—Biological & Physical Sciences (3 courses - 9 credits)
- Category D—Political, Economic, and Geographic Sciences (2 courses - 6 credits)
- Category E—Social and Behavioral Sciences (2 courses - 6 credits)

**Part III: Additional Requirements**
Students are required to take one diversity course to graduate. You can meet this requirement by taking a course that double counts as a diversity course and a general education, major, or free elective course.
All students completing a Bachelor of Arts (B.A.) program will be required to attain a Novice level of proficiency in a foreign language. Novice proficiency may be satisfied by the completion of three years of a foreign language in high school, three credits of intermediate level college course-work in a foreign language, or satisfactory completion of an intermediate level proficiency examination.

* Comprehensive Social Studies
Art – B.A. ##

Requirements for the Art major 39 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Foundation Courses (12 crs)
Take during first year of program:
__ART 101 – Art Appreciation (3 cr) **
__ART 110 – Basic Drawing (3 cr)
__ART 215 – Color and Two-Dimensional Design (3 cr) F
__ART 218 – Three-Dimensional Design (3 cr) S

Additional Art Requirements (12 cr)
__ART 210 – Drawing II (3 cr) S
__ART 232 – Art History II (3 cr) F
__ART 233 – Art History III (3 cr) S
__ART 385 – Senior Art Seminar (3 cr)

Art Electives (15-18 cr)
Select 5 courses below—6 if ART 101, ART 232, or ART 233 is taken as a general education elective; 4 must be at least 300-level.
__ART 211 – Figure Drawing (3 cr)
__ART 216 – Visual Design Technology (3 cr)
__ART 217 – Design I: Page Layout & Composition (3 cr)
__ART 231 – Art History I (3 cr) F
__ART 300, 301, 302, 303, 304, 305 – Independent Studio (3 cr)
__ART 306 – Design II: Vector Illustration (3 cr) S
__ART 315 – Imagination, Creativity and Methodology (3 cr)
__ART 318 – Typography (3 cr)
__ART 319 – Design III: Photo Imagery, Editing (3 cr) S
__ART 321 – Watercolor I (3 cr) S
__ART 322 – Watercolor II (3 cr) S
__ART 326 – Painting I (3 cr) S
__ART 327 – Painting II (3 cr) S
__ART 337 – Printmaking I (3 cr) S
__ART 339 – History of American Art (3 cr)
__ART 338 – Printmaking II (3 cr)
__ART 340 – Ceramics (3 cr)
__ART 341 – Advanced Ceramics (3 cr) S
__ART 342 – Digital Ceramics (3 cr)
__ART 370 – Sculpture (3 cr) F
__ART 371 – Advanced Sculpture (3 cr)
__ART 372 – Dimensional Prototyping (3 cr)
__ART 395 – Internship in Art I (3 cr)
__ART 399 – Independent Study (3 cr)
__ART 410 – Advanced Digital/Graphic Design Studio (3 cr)
__ART 420 – Digital Fine Art & Design Printing (3 cr)
__ART 421 – Digital Painting (3 cr)
__ART 422 – Digital Printmaking (3 cr)
__ART 425 – Digital Media I (3 cr) S
__ART 430 – Digital Media II (3 cr) F
__ART 435 – Portfolio Design & Presentation (3 cr) S

Optional: Certificate in Graphic Design (18 cr)
Students who complete all six computer design courses will receive a certification in Graphic Design upon graduation. Students must fill out a change of major form to add the certification and apply for it when they apply to graduate.

F=Fall only
S=Spring only

Also Required:
__Portfolio Review
__Yearly Student Art Exhibit
__Senior Exhibit

## B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

HELPFUL HINTS FOR ADVISING:

Year 1
ART 101 – Art Appreciation
ART 110 – Basic Drawing
ART 215 – Color/2-Dimensional Design F
ART 232 – Art History II F
ART 233 – Art History III S
ART 210 – Drawing II S

Notes: Double majors such as Art/Communications increase career options.

Art minor is available – 21 cr

Disclaimer: Courses may be subject to change.
Art, Secondary Education Certification – B.A. ##

Requirements for Art major with Secondary Education Certification  72 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Foundation Courses (36 cr)

- ART 101 – Art Appreciation (3 cr) **
- ART 110 – Basic Drawing (3 cr)
- ART 210 – Drawing II (3 cr) S
- ART 215 – Color/2-Dimensional Design (3 cr) F
- ART 218 – Three-Dimensional Design (3 cr) F
- ART 232 – Art History II (3 cr) F
- ART 233 – Art History III (3 cr) S
- ART 235 – Senior Art Seminar (3 cr)
- ART 217 – Computer Design I: Page Composition (3 cr)
- ART 326 – Painting I (3 cr) F
- ART 340 – Ceramics (3 cr)
- ART 370 – Sculpture (3 cr) F

Additional Requirements (21 cr)

- GEO 103 – Geography of the U.S. & Canada (3 cr) **
- PSY 101 – General Psychology (3 cr) **
- ENG 190, ENG 243, ENG 248, OR ENG 250 (3 cr) **
- MAT ______________________(MAT 117 recommended) **
- MAT ______________________(MAT 105 recommended) **

Select one or both:
- BIO 145 – Environmental Biology (3 cr) **

Education Courses (36 cr)

- ART 356 – Social Structures of Aesthetics (3 cr)
- ART 400 – Contemporary Methods in Art Education (3 cr)
- TCH 207 – Org. & Psych. Foundations (3 cr)
- EEC 273 – Introduction to Exceptionalities (3 cr)
- EEC 423 – Effective Instructional Strategies (3 cr)
- RDG 413 – Teaching Reading to ELL (3 cr)
- EEC 483 – Assessing Children with Exceptionalities (3 cr)
- EDU 495 – Student Teaching & Practicum (12-15 cr)

Also Required:
- Portfolio Review
- Yearly Student Art Exhibit
- Senior Exhibit

## B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

PAPA examinations: All education majors must pass the first level of the PAPA assessments in reading, math, and writing between 48 and 60 credits of coursework. These basic skills tests must be passed before students are permitted to take any 300

F=Fall only
S=Spring only

Graduation Requirements: 120 cr
Free Electives  3 cr
GPA Needed to Declare:  3.0

HELPFUL HINTS FOR ADVISING:

Year 1
ART 101 – Art Appreciation
ART 110 – Basic Drawing
ART 215 – Color/2-Dimensional Design F
ART 232 – Art History II F
ART 210 – Drawing II
ART 218 – Three-Dimensional Design S

- **CHM 224 – Lab IVA-Qualitative Organic Analysis (3 cr)**
- **CHM 301 – Biochemistry I (3 cr)**
- **CHM 313 – Chemistry Seminar (1 cr)**
- **CHM 363 – Physical Chemistry I (4 cr)**
- **CHM 381 – Intermediate Inorganic Chemistry (3 cr)**
- **CHM 420 – Biochemistry II (3 cr)**

Select one:
- **CHM 497 – Introduction to Research II (2 cr)**

## Mathematics Requirements (8 cr)
- **MAT 211 – Calculus I (4 cr)**
- **MAT 212 – Calculus II (4 cr)**

## Biology Requirements (18 cr)
- **BIO 161 – Prin. of Bio: Cell Str. & Funct. (4 cr)**
- **BIO 162 – Prin. of Bio: Organismal Diversity (4 cr)**
- **BIO 260 – Genetics (3 cr)**
- **BIO 385 – Cell Biology (3 cr)**

Select one:
- **BIO 350 – Human Physiology (4 cr)**
- **BIO 351 – Animal Physiology (4 cr)**

## Physics Requirements (8 cr)
- **PHY 205 – Intermediate Physics I (3 cr)**
- **PHY 124 – Physics IB Lab (1 cr)**
- **PHY 206 – Intermediate Physics II (3 cr)**
- **PHY 126 – Physics IIB Lab (1 cr)**

## Restricted Electives (3-8 cr)
Select one or two:
- **BIO 220 – Microbiology (4 cr)**
- **BIO 375 – Histology (3 cr)**
- **BIO 408 – Principles of Virology (3 cr)**
- **BIO 418 – Molecular Biology (3 cr)**
- **BIO 461 – Techniques in Biotechnology (3 cr)**
- **CHM 364 – Physical Chemistry II (4 cr)**
- **CHM 371 – Analytical Chemistry (4 cr)**
- **CHM 421 – Biochemistry Lab (1 cr)**

## Sociology and Psychology Requirements (6 cr)
- **SOC 101 – Introduction to Sociology (3 cr)**
- **PSY 101 – General Psychology (3 cr)**

## Recommended Electives
- **BIO 409 – Immunology (3 cr)**
- **CHM 324 – Advanced Organic Chemistry Lab (1 cr)**
- **CHM 481 – Advanced Inorganic Chemistry (4 cr)**
- **CHM 490 – Selected Topics in Chemistry (1-3 cr)**
- **CSC 110 – Computer Science I – Lecture & Lab (4 cr)**
- **SOC 369 – Medical Sociology (3 cr)**

## Graduation Requirements: 120 cr
- Free Electives ≈ 13 cr
- GPA Needed to Declare: 3.2

To enter into this concentration, students must have a GPA of 3.2. Students in this concentration must maintain a GPA of 3.2 or better.

All chemistry majors will take a comprehensive examination in their junior year at a time and place designated by the department. Satisfactory performance in all areas of this examination is a requirement for departmental recommendation and ACS certification.

Students that choose this concentration are not eligible for American Chemical Society Certification.

## Helpful Hints for Advising:
Students should begin their math sequence in their 1st year.

| Semester I | CHM 121 – Chemical Bonding |
| CHM 123 – Lab IA |
| MAT 211 – Calculus I |

| Semester II | CHM 122 – Chemical Dynamics |
| CHM 124 – Lab IIA |

ENGR 120 – Programming for Engineers

Disclaimer: Courses may be subject to change.
Communication, Journalism and Media – B.S.
Broadcast Media Production, Journalism & Public Relations Concentrations

All students must complete 48 credits in the major to qualify for graduation. The major consists of five core courses (15 credits), four courses in a professional concentration (12 credits), and seven elective courses (21 credits). Prerequisites are listed in parentheses for certain courses. All majors also must pass a Cognate course in mathematics – either MAT 117 Applied Statistics (3 credits) or MAT 217 Statistics I (4 credits).

Prescribed General Education Courses (all concentrations; 6 credits):
COM 111 Media Literacy (majors/minors must achieve a “C” grade or better before taking any other COM courses)
COM 245 Diversity & the Media

Global Languages Requirement:
All students must be proficient at the intermediate level. Intermediate level is level 103.

Theory and Writing Core (all concentrations; 5 courses, 15 credits):
COM 112 Media Writing (majors/minors must achieve a “C” grade or better before taking any other COM courses)
COM 284 Basic Media Production
COM 294 Social Media Strategy
COM 345 Media Law (Jr. standing)
COM 445 Media Ethics & Professionalism (Senior standing)
COM 445 and Professional Practicum
In preparation for COM 445 – the capstone class for all majors – all students are required to complete three levels of practical experience in one of the four student media organizations advised by department faculty (The Slate, SUTV, WSYC or PRSSA) as follows:
• Students are required to develop a professional portfolio and can choose from among the four student media organizations, which will provide flexibility for students who wish to gain experience with different media.
• To enroll in COM 445, faculty advisors will ensure that students are meeting their portfolio commitment and will coordinate with student media faculty advisers to help guide their students.
• Students who have not progressed in producing tangible materials for a professional portfolio will not be permitted to schedule COM 445 until they have completed the practical experience. Transfer students who join the major as juniors will be required to meet student media requirements in their junior and senior years to be able to schedule COM 445 in their senior year.

Professional Concentration Courses (4 courses, 12 credits):
All majors must select ONE professional concentration and pass all four courses listed. Courses in the other three concentrations can be used as electives.
Broadcast Media Production Concentration
COM 224 Media Scriptwriting
COM 251 Media Studio Production (COM 284)
COM 351 Media Field Production (COM 284)
COM 424 Media Producing & Performance (COM 224 or COM 285; COM 284) (Sr. only)

Journalism Concentration
COM 285 Basic News Reporting
COM 293 News Editing & Design (COM 285)

COM 375 Advanced News Reporting (COM 285)
COM 478 Digital Journalism (COM 285; COM 293) (Sr. only)

Public Relations Concentration
COM 201 Principles of Public Relations
COM 241 Public Relations Writing I
COM 342 Public Relations Writing II (COM 241)
COM 432 Public Relations Research & Campaigns (COM 201; COM 241) (Sr. only)

Visual Media Concentration
COM 260 Visual Literacy
COM 360 Basic Digital Photography
COM 362 Photojournalism or COM 476 Magazine Media & Design
COM 470 Advanced Digital Photography or COM 481 Interactive Media Design

Electives (7 courses, 21 credits):
All students must select and pass seven elective courses, at least three of which must be at the 300 or 400 level, to complete the major. Elective courses may be chosen from the 12 professional concentration courses above that are not included in the student’s selected concentration and/or the courses listed below.
COM 252 Digital Media Tools
COM 290 Advertising Copywriting
COM 305 Sports Journalism
COM 335 Media Advertising & Sales
COM 381 Promotional Media Design
COM 395 Internship I (external from the department)
COM 396 Internship II (external from the department)
COM 401 Film in the Contemporary World
COM 405 Brand Journalism
COM 410 Women & the Media
COM 425 Feature Writing
COM 460 Case Studies in Public Relations
COM 465 Documentary Storytelling
COM 482 Internet Communication
COM 483 Issues in Media Management
COM 484 Media Programming
COM 490, COM 491 and COM 492 Selected Topics

Above average writing skills are needed in this major and students are highly encouraged to take courses that will enhance these skills. As part of the COM 112: Media Writing course, a grammar/style proficiency exam is given to all students. This exam and course must be passed with a score of 70 or better to pass the course. Students are permitted to take the exam no more than two times.

Graduation Requirements: 120 cr
Free Electives = 27 cr
GPA needed to declare: 2.0
A Communication/Journalism minor is available – 18 cr.
Transfer courses are not permitted to count toward the minor.

Graduation Requirements: 120 cr
Free Electives = 5 cr
GPA Needed to Declare: 2.0

Students must be at a minimum math placement level of 6 to declare.

Students should be advised that this program is academically challenging. Significant effort outside of class, self-discipline, and commitment to completing tasks will be crucial for student success.

Students pursuing this major should be very strong academically, have strong math, logic, and reasoning skills; and a background in science.

Computer Science – B.S.

Computer Graphics, Computer Applications, & Related Discipline Concentrations

Requirements for Computer Science major = 65 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Mathematics Core (15 cr)
- MAT 211 – Calculus I (4 cr) **
- MAT 225 – Discrete Mathematics (4 cr)
- MAT 318 – Elementary Linear Algebra (3 cr)
- Select one:
  - MAT 217 – Statistics I (4 cr)
  OR
  - MAT 375 – Probability & Stats for Engineers (4 cr)

Computer Science Core (32 cr)
- CSC 110 – Computer Science I-Lecture (4 cr) **
- CSC 111 – Computer Science II (4 cr)
- SWE 200 – Design Patterns (4 cr)
- CMPE 220 – Computer Organization (4 cr)
- CSC 310 – Design and Analysis of Algorithms (4 cr)
- CMPE 320 – Operating Systems (4 cr)
- CSC 410 – Theoretical Foundations of CS (4 cr)
- CSC 498 – Senior Research Methods (2 cr)
- CSC 499 – Senior Research and Development (2 cr)

Science Requirement (7-8 cr)
Select any two:
- BIO 161 – Prin. of Bio: Cell Str. and Funct. (4 cr) ** OR
- BIO 162 – Prin. of Bio: Organismal Diversity (4 cr) ** OR
- CHM 121 – Chemical Bonding (3 cr) **
- CHM 125 – Lab IB-Stoichiometry & Reactions (1 cr) OR
- CHM 122 – Chemical Dynamics (3 cr) **
- CHM 126 – Lab IIB-Equilibrium & Instr (1 cr) OR
- ESS 110 – Intro to Geology (3 cr) OR
- PHY 205 – Intermediate Physics I (3 cr)
- PHY 124 – Physics I Lab (1 cr) ** OR
- PHY 206 – Intermediate Physics II (3 cr)
- PHY 126 – Physics II Lab (1 cr) **

Artificial Intelligence Concentration (18-19 cr)
- CSC 462 – Artificial Intelligence (4 cr)
- CSC 402 – Big Data Analytics (4 cr)
- CSC 403 – Machine Learning (4 cr)
- CSC, SWE, CMPE, or ELEC 4xx (3-4 cr)
- Select one:
  - MAT 326 – Mathematic Modeling (3 cr) OR
  - PSY 325 – Psychology of Human Cognition (3 cr)

Computer Science Applications Concentration (18-20 cr)
- CSC 371 – Database Management Systems (4 cr)
- CSC 431 – Computer Networks (4 cr)
- CSC 462 – Artificial Intelligence (4 cr)
- CSC, SWE, CMPE, or ELEC 3xx or 4xx (3-4 cr)
- Select one:
  - MIL 231 - Self/Team Dev (2 cr) AND
  - MIL 232 - Indiv/Team Mil Tact (2 cr) OR
  - MIS 344 – Bus Syst Analy Des (3 cr) OR

Computer Graphics Concentration (18-19 cr)
- CSC 350 – Introduction to Computer Graphics (4 cr)
- CSC 361 – Video Game Programming (4 cr)
- CSC 451 – Computer Graphics Algorithms (4 cr)
- CSC, SWE, CMPE, ELEC 3xx or 4xx (3-4 cr)
- Select one:
  - ART 217 – Computer Design I (3 cr) OR
  - GEO 202 – GIS I: Intro to Geographic Info Systems (3 cr) OR
  - GEO 339 – Remote Sensing (3 cr)

CS w/ Secondary Field Concentration
- major or minor in other discipline
- CSC, SWE, CMPE, ELEC 3xx or 4xx (4 cr)
- CSC, SWE, CMPE, ELEC 3xx or 4xx (4 cr)
- Select one:
  - CSC 361 – Video Game Programming (4 cr)
  - CSC 371 – Database Mgt Systems (4 cr)
  - CSC 403 – Machine Learning (4 cr)
  - CSC 434 – Web Programming (4 cr)
  - CSC 451 – Comp Graph Algorithm (4 cr)

Graduation Requirements: 120 cr
Free Electives = 10 cr
GPA Needed to Declare: 2.0

Students who wish to design a personalized concentration may do so with the help of their advisor. The advisor will then submit the request to the department for approval. The student’s course of study must be approved by the department in writing.

To declare this major a student must earn a ‘C’ or better in CSC 110 Computer Science I and be at a minimum math placement of level 4.

HELPFUL HINTS FOR ADVISING:

Semester I
CSC 110 – Computer Science I-Lecture
MAT 211 – Calculus I

Semester II
CSC 111 – Computer Science II
MAT 225 – Discrete Mathematics

Semester III
SWE 200 – Design Patterns
CMPE 220 – Computer Organization
BIO 161, CHM 121/123, ESS 110, or PHY 205/123

Semester IV
CSC 310 – Design& Analysis of Algorithms
CMPE 320 – Operating Systems
BIO 162, CHM 122/124, ESS 110 or PHY 206/125

A computer science minor is available - 20-21 cr

Disclaimer: Courses may be subject to change.
Economics – B.S.

Requirements for Economics major = 41-55 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Economics Requirements (27 cr)
__ECO 101 – Prin. of Macroeconomics (3 cr) **
__ECO 102 – Prin. of Microeconomics (3 cr) **
__ECO 270 – Intermediate Macroeconomic Theory (3 cr)
__ECO 280 – Managerial Economics (3 cr)
Five additional 300+ Level ECO Electives

Business Concentration (24-26 cr)
Courses below fulfill requirements for business minor.
__ACC 200 – Fundamentals of Financial Accounting (3 cr)
__FIN 311 – Financial Management (3 cr)
__MGT 305 – Organization Behavior (3 cr)
__MKT 305 – Principles of Marketing (3 cr)
__FIN or ACC ___________________(3 cr)
__Select 1 course from the College of Business (3 cr)
Select one:
__MAT 181 – Applied Calculus (3 cr) ** OR
__MAT 211 – Calculus (4 cr) **
Select one:
__MAT 117 – Applied Statistics (3 cr) ** OR
__MAT 217 – Statistics I (4 cr) ** OR
__SCM 200 – Statistical Applications in Bus. (3 cr) OR

Data Science Concentration (23-27 cr)
__MAT 217 – Statistics I (4 cr) **
__MAT 219 – Data Science I (3 cr)
__MAT 317 – Statistics II (3 cr)
__MAT 319 – Data Science II (3 cr)
__ECO 333 – Research & Analysis in Economics (3 cr)
Select one:
__MAT 181 – Applied Calculus (3 cr) ** OR
__MAT 211 – Calculus (4 cr) **
Select one:
__MAT 117 – Applied Statistics (3 cr) ** OR
__MAT 217 – Statistics I (4 cr) ** OR
__SCM 200 – Statistical Applications in Bus. (3 cr) OR

Mathematics Concentration (20-23 cr)
__ECO __________________________ (300+ level)
__MAT 211 – Calculus I (4 cr) **
__MAT 212 – Calculus II (4 cr) **
__MAT 217 – Statistics I (3 cr)
Select 3 of the following, 2 must be 300+:
__MAT 213 – Calculus III (4 cr)
__MAT 225 – Discrete Mathematics (4 cr) **
__MAT 317 – Statistics II (3 cr)
__MAT 318 – Elementary Linear Algebra (3 cr)
__MAT 322 – Differential Equations (3 cr)
__MAT 425 – Advanced Algebraic Structures (3 cr)

Political Science Concentration (24-28 cr)
__PLS 100 – U.S. Government & Politics (3 cr) **
__PLS 201 – Foundations of Political Science (3 cr)
__PLS 300 – Advanced American Government (3 cr)
__PLS __________________________ (300+ level)
__PLS __________________________ (300+ level)
Select one:
__PLS 301 – Political Science Research Methods (3 cr) OR
__PLS 302 – Public Policy Analysis (3 cr)
Select one:
__MAT 181 – Applied Calculus (3 cr) ** OR
__MAT 211 – Calculus I (4 cr) **
Select one:
__MAT 117 – Applied Statistics (3 cr) OR
__MAT 217 – Statistics I (4 cr)
To fulfill the Political Science minor, also take the following:
__PLS 141 – World Politics (3 cr) **

Public Administration Concentration (24-26 cr)
__PLS 100 – U.S. Government & Politics (3 cr) **
__PLS 271 – Introduction to Public Administration (3 cr)
__PLS 300 – Advanced American Government (3 cr)
__PLS __________________________ (3 cr)
Select one:
__PLS 371 – Public Management (3 cr) OR
__PLS 373 – Public Financial Administration (3 cr)
Select one:
__MAT 181 – Applied Calculus (3 cr) ** OR
__MAT 211 – Calculus I (4 cr) **
Select one:
__MAT 117 – Applied Statistics (3 cr) OR
__MAT 217 – Statistics I (4 cr)
Select one:
__PLS 231 – State & Local Government (3 cr) OR
__PLS 371 – Public Management (3 cr) OR
__PLS 372 – Public Personnel Administration (3 cr) OR
__PLS 374 – Public Service Ethics (3 cr)

Social Science Concentration (24-28 cr)
__PLS 100 – U.S. Government & Politics (3 cr) **
__PLS __________________________ (300+ level)
__SOC 241 – Contemporary Social Problems (3 cr)
__SOC __________________________ (300+ level)
__GEO 230 – Economic Geography (3 cr)
__GEO __________________________ (300+ level)
Select one:
__MAT 117 – Applied Statistics (3 cr) OR
__MAT 217 – Statistics I (4 cr)
Select one:
__MAT 181 – Applied Calculus (3 cr) ** OR
__MAT 211 – Calculus I (4 cr) **

Graduation Requirements: 120 cr
GPA Needed to Declare: 2.0
Free Electives = 20-34

Economics minor available – 18-19 cr

Disclaimer: Courses may be subject to change.
Electrical Engineering – B.S.

Requirements for Electrical Engineering major = 74 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Engineering Core (12 cr)
__ENGR 100 – Engineering Seminar I (1 cr)
__ENGR 110 – Modeling & Simulation (3 cr)
__ENGR 120 – Programming for Engineers (3 cr)
__ENGR 200 – Engineering Seminar II (1 cr)
__ENGR 300 – Engineering Seminar III (1 cr)
__ENGR 310 – Statistical Process Control (3 cr)

Computer Engineering Requirements (14 cr)
__CMPE 220 – Computer Organization (4 cr)
__CMPE 322 – Microcontrollers & Interfaces (4 cr)
__CMPE 420 – Digital and Reconfigurable Computing (4 cr)
__CMPE 499 – Engineering Design & Development (2 cr)

Electrical Engineering Requirements (20 cr)
__ELEC 220 – Linear Circuit Analysis (4 cr)
__ELEC 300 – Foundations of Electronic Systems (4 cr)
__ELEC 310 – Signals & Systems (4 cr)
__ELEC 360 – Communications Systems (4 cr)
__ELEC, CMPE, ENGR, SWE ______________(300+ level)

Math Requirements (23 cr)
__MAT 211 – Calculus I (4 cr)
__MAT 212 – Calculus II (4 cr)
__MAT 213 – Calculus III (4 cr)
__MAT 225 – Discrete Mathematics (4 cr)
__MAT 322 – Differential Equations (3 cr)
__MAT 375 – Probability & Stats for Engineers (4 cr)

Physics Requirements (20 cr)
__PHY 205 – Intermediate Physics I (3 cr) **
PHY 123 – Physics I Lab (1 cr)
__PHY 206 – Intermediate Physics II (3 cr)
PHY 125 – Physics II Lab (1 cr) **
__PHY 311 – Quantum I (3 cr)
__PHY 321 – Electricity & Magnetism I (4 cr)

Graduation Requirements: 120 cr
Free Electives = 1 cr
GPA Needed to Declare: 2.0

HELPFUL HINTS FOR ADVISING:

Semester I
ENGR 110 - Modeling
ELEC 100 - Engineering Seminar I
MAT 211 - Calculus I
PHY 123 - Physics I Lab
PHY 205 - Intermediate Physics I

Semester II
ENGR 210 - Programming for Engineers
MAT 212 - Calculus II (4 cr)
PHY 125 - Physics II Lab (1 cr)
PHY 206 - Intermediate Physics II (3 cr)

Disclaimer: Courses may be subject to change.
Requirements for English major = 42 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

**English Core (9 cr)**
- ENG 130 – Literary Studies for Eng. Major & Minor (3 cr)
- ENG 213 – Writing & Research About Literature (3 cr)
- ENG 460 – Senior Seminar (3 cr)

**Required Survey Courses (9 cr)**
Select one:
- ENG 233 – American Literature I (3 cr)
- OR
- ENG 236 – British Literature I (3 cr)
Select one:
- ENG 234 – American Literature II (3 cr)
- OR
- ENG 237 – British Literature II (3 cr)
Select one:
- ENG 240 – Global Literature (3 cr)
- OR
- ENG 239 – Postcolonial Literature (3 cr)

**Advanced Studies – Writing (3 cr)**
Select at least one:
- ENG 224 – Introduction to Creative Writing (3 cr)
- ENG 229 – Advanced Composition (3 cr)
- ENG 238 – Technical/Professional Writing I (3 cr)
- ENG 307 – Poetry Writing (3 cr)
- ENG 308 – Fiction Writing (3 cr)
- ENG 323 – Reviewing the Arts for Publication (3 cr)
- ENG 335 – Creative Nonfiction Writing (3 cr)
- ENG 341 – Teaching Writing in the Secondary Schools (3 cr)
- ENG 420 – Selected Topics in Writing (3 cr)
- ENG 427 – Advanced Poetry Workshop (3 cr)
- ENG 428 – Advanced Fiction Workshop (3 cr)
- ENG 435 – Advanced Creative Nonfiction (3 cr)
- ENG 438 – Technical Professional Writing II (3 cr)

**Advanced Studies – Genres (3 cr)**
Select at least one:
- ENG 304 – Literary Criticism (3 cr)
- ENG 333 – Cultural Studies (3 cr)
- ENG 336 – Theories and Approaches (3 cr)
- ENG 342 – Mythology (3 cr)
- ENG 360 – Popular Genres (3 cr)
- ENG 367 – Studies in Drama (3 cr)
- ENG 368 – Studies in Fiction (3 cr)
- ENG 369 – Studies in Poetry (3 cr)
- ENG 373 – Studies in Creative Nonfiction (3 cr)
- ENG 440 – Special Topics in Genre (3 cr)

**Advanced Studies – History and Movements (3 cr)**
Select at least one:
- ENG 318 – Studies in Eng. Renaissance (3 cr)
- ENG 330 – Shakespeare (3 cr)
- ENG 337 – Romanticism (3 cr)
- ENG 344 – Studies in Single Author (3 cr)
- ENG 349 – Victorian Literature (3 cr)
- ENG 363 – Modernism (3 cr)

- ENG 364 – Postmodernism (3 cr)
- ENG 366 – History & Structure of Eng Language (3 cr)
- ENG 376 – Studies in Medieval Literature (3 cr)
- ENG 377 – The Long 18th Century (3 cr)
- ENG 380 – 19th Century Literature (3 cr)
- ENG 383 – Literature After 1900 (3 cr)
- ENG 430 – Special Topics in Lit History & Movements (3 cr)

**Advanced Studies – Identities (3 cr)**
Select at least one:
- ENG 445 – Special Topics in Identities (3 cr)
- ENG 385 – Studies in Postcolonial Literature (3 cr)
- ENG 370 – Queer Studies (3 cr)
- ENG 375 – African American Literature (3 cr)
- ENG 345 – Women’s Literature (3 cr)
- ENG 358 – Ethnic Literature (3 cr)
- ENG 359 – Native American Literature (3 cr)
- ENG 362 – Disability in Literature (3 cr)

**Advanced Studies Electives (12 cr)**
Choose 4 courses in Advanced Studies:
- ENG __________________________________
- ENG __________________________________
- ENG __________________________________
- ENG __________________________________

##B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

HELPFUL HINTS FOR ADVISING:

300-level courses should not be taken in the first 2 semesters.

Semester I ENG 130 - Literary Studies for English

Semester II ENG 213 - Writing & Research

An English minor is available – 18 cr
## English, Professional & Creative Writing – B.A. ##

### Requirements for English major = 42 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

### English Core (9 cr)

- **ENG 130 – Literary Studies for Eng. Major & Minor (3 cr)**
- **ENG 213 – Writing & Research About Literature (3 cr)**
- **ENG 460 – Senior Seminar (3 cr)**

### Required Survey Courses (9 cr)

Select one:
- **ENG 233 – American Literature I (3 cr)**
- **ENG 236 – British Literature I (3 cr)**

Select one:
- **ENG 234 – American Literature II (3 cr)**
- **ENG 237 – British Literature II (3 cr)**

Select one:
- **ENG 240 – Global Literature (3 cr)**
- **ENG 239 – Postcolonial Literature (3 cr)**

### Writing (12 cr)

- **ENG 229 – Advanced Composition (3 cr)**
- **ENG 238 – Technical/Professional Writing I (3 cr)**
- **ENG 323 – Reviewing the Arts for Publication (3 cr)**
- **ENG 307 – Poetry Writing (3 cr)**
- **ENG 308 – Fiction Writing (3 cr)**
- **ENG 323 – Reviewing the Arts for Publication (3 cr)**
- **ENG 335 – Creative Nonfiction Writing (3 cr)**
- **ENG 341 – Teaching Writing in Secondary Schools (3 cr)**
- **ENG 420 – Special Topics in Writing (3 cr)**
- **ENG 427 – Advanced Poetry Workshop (3 cr)**
- **ENG 428 – Advanced Fiction Workshop (3 cr)**
- **ENG 435 – Advanced Creative Nonfiction (3 cr)**
- **ENG 438 – Technical/Professional Writing II (3 cr)**

### Advanced Studies – Genres (3 cr)

Select at least one:
- **ENG 304 – Literary Criticism (3 cr)**
- **ENG 333 – Cultural Studies (3 cr)**
- **ENG 336 – Theories and Approaches (3 cr)**
- **ENG 342 – Mythology (3 cr)**
- **ENG 360 – Popular Genres (3 cr)**
- **ENG 367 – Studies in Drama (3 cr)**
- **ENG 368 – Studies in Fiction (3 cr)**
- **ENG 369 – Studies in Poetry (3 cr)**
- **ENG 373 – Studies in Creative Nonfiction (3 cr)**
- **ENG 440 – Special Topics in Genre (3 cr)**

### Advanced Studies – History and Movements (3 cr)

Select at least one:
- **ENG 318 – Studies in Eng. Renaissance (3 cr)**
- **ENG 330 – Shakespeare (3 cr)**
- **ENG 337 – Romanticism (3 cr)**
- **ENG 344 – Studies in Single Author (3 cr)**
- **ENG 349 – Victorian Literature (3 cr)**
- **ENG 363 – Modernism (3 cr)**
- **ENG 364 – Postmodernism (3 cr)**
- **ENG 366 – History & Structure of Eng Language (3 cr)**
- **ENG 376 – Studies in Medieval Literature (3 cr)**
- **ENG 377 – The Long 18th Century (3 cr)**
- **ENG 380 – 19th Century Literature (3 cr)**
- **ENG 383 – Literature After 1900 (3 cr)**
- **ENG 430 – Special Topics in Lit History & Movements (3 cr)**

### Advanced Studies – Identities (3 cr)

Select at least one:
- **ENG 445 – Special Topics in Identities (3 cr)**
- **ENG 385 – Studies in Postcolonial Literature (3 cr)**
- **ENG 370 – Queer Studies (3 cr)**
- **ENG 375 – African American Literature (3 cr)**
- **ENG 345 – Women’s Literature (3 cr)**
- **ENG 358 – Ethnic Literature (3 cr)**
- **ENG 359 – Native American Literature (3 cr)**
- **ENG 362 – Disability in Literature (3 cr)**

### English Elective (3 cr)

Choose 1 course in Advanced Studies:
- **ENG ____________________________(3 cr)**

A literature course taken to satisfy the Gen. Ed. Category B requirement does NOT double count for the English major or the English minor.

**B.A. students must attain proficiency in a foreign language.**

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

- F=Fall only class
- S=Spring only class

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

**HELPFUL HINTS FOR ADVISING:**

300-level courses should not be taken in the first 2 semesters.

| Semester I | \(\text{ENG 130 – Literary Studies for English}\) |
| Semester II | \(\text{ENG 213 – Writing & Research}\) |

An English minor is available – 18 cr

**Disclaimer:** Courses may be subject to change.
Requirements for English major with Secondary Certification = 75 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Psychology Requirement (3 cr)
__PSY 101 – General Psychology (3 cr) **

Math Requirements (6 cr)
__MAT except 185 (3 cr) [MAT 105, 107 & 117, recommended] **
__MAT except 185 (3 cr) [MAT 105, 107 & 117, recommended] **

English Core (15 cr)
__ENG 130 – Literary Studies for Eng. Major & Minor (3 cr)
__ENG 213 – Writing & Research About Literature (3 cr)
__ENG 366 – History & Structure of English Language (3 cr)
__ENG 426 – Teaching Adolescent Literature (3 cr)
__ENG 460 – Senior Seminar (3 cr)

Required Survey Courses (9 cr)
Select one:
__ENG 233 – American Literature I (3 cr) OR
__ENG 236 – British Literature I (3 cr)
Select one:
__ENG 234 – American Literature II (3 cr) OR
__ENG 237 – British Literature II (3 cr)
Select one:
__ENG 240 – Global Literature (3 cr) OR
__ENG 239 – Postcolonial Literature (3 cr)

Advanced Studies – Writing (3 cr)
Select at least one:
__ENG 224 – Introduction to Creative Writing (3 cr)
__ENG 229 – Advanced Composition (3 cr)
__ENG 230 – Technical/Professional Writing I (3 cr)
__ENG 307 – Poetry Writing (3 cr)
__ENG 308 – Fiction Writing (3 cr)
__ENG 323 – Reviewing the Arts for Publication (3 cr)
__ENG 335 – Creative Nonfiction Writing (3 cr)
__ENG 420 – Selected Topics in Writing (3 cr)
__ENG 427 – Advanced Poetry Workshop (3 cr)
__ENG 428 – Advanced Fiction Workshop (3 cr)
__ENG 435 – Advanced Creative Nonfiction (3 cr)
__ENG 438 – Technical Professional Writing II (3 cr)

Advanced Studies – Genres (3 cr)
Select at least one:
__ENG 304 – Literary Criticism (3 cr)
__ENG 333 – Cultural Studies (3 cr)
__ENG 336 – Theories and Approaches (3 cr)
__ENG 342 – Mythology (3 cr)
__ENG 360 – Popular Genres (3 cr)
__ENG 367 – Studies in Drama (3 cr)
__ENG 368 – Studies in Fiction (3 cr)
__ENG 369 – Studies in Poetry (3 cr)
__ENG 373 – Studies in Creative Nonfiction (3 cr)
__ENG 440 – Special Topics in Genre (3 cr)

Advanced Studies – History and Movements (3 cr)
Select at least one:
__ENG 318 – Studies in Eng. Renaissance (3 cr)
__ENG 330 – Shakespeare (3 cr)
__ENG 337 – Romanticism (3 cr)
__ENG 344 – Studies in Single Author (3 cr)
__ENG 349 – Victorian Literature (3 cr)
__ENG 363 – Modernism (3 cr)
__ENG 364 – Postmodernism (3 cr)
__ENG 366 – History & Structure of Eng Language (3 cr)

__ENG 377 – The Long 18th Century (3 cr)
__ENG 380 – 19th Century Literature (3 cr)
__ENG 383 – Literature After 1900 (3 cr)
__ENG 430 – Special Topics in Lit History & Movements (3 cr)

Advanced Studies – Identities (3 cr)
Select at least one:
__ENG 445 – Special Topics in Identities (3 cr)
__ENG 385 – Studies in Postcolonial Literature (3 cr)
__ENG 370 – Queer Studies (3 cr)
__ENG 375 – African American Literature (3 cr)
__ENG 345 – Women’s Literature (3 cr)
__ENG 358 – Ethnic Literature (3 cr)
__ENG 359 – Native American Literature (3 cr)
__ENG 362 – Disability in Literature (3 cr)

Advanced Studies Elective (3 cr)
Select one additional course in Advanced Studies:
__ENG _____________________________(3 cr)

Professional Education Requirements (33-36)
__TCH 207 – Org. & Psych. Foundations (3 cr)
__EEC 273 – Introduction to Exceptionalities (3 cr)
__EEC 290 – Introduction to English/Language Arts Ed (3 cr)
__EEC 423 – Effective Instructional Strategies (3cr)
_RDG 413 – Teaching Reading to ELL (3 cr)
__EDU 422 – Methods of Teaching Eng in Secondary Ed (3 cr)
__EEC 483 – Assessing Children with Exceptionalities (3 cr)
__EDU 495 – Student Teaching & Practicum (12 cr)

A literature course taken to satisfy the Gen. Ed. requirement does NOT double count for the English major/minor.

#B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Students must apply for “Professional Standing” the semester before ENG 422 to be admitted to the course. Students must not schedule any classes before noon the semester they take ENG 422.

Graduation Requirements: 120 cr
Free Electives = 3 cr
GPA Needed to Declare: 3.0

Disclaimer: Courses may be subject to change.
French & French Secondary Certification – B.A. ##

Requirements for French major = 36 cr
Requirements for French major with Secondary Cert. = 66 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

French Core (30 cr)
- FRN 202 – Intermediate Conversation (3 cr)
- FRN 204 – Ideas and Cultures from the French (3 cr)
- FRN 211 – Intermediate French Grammar (3 cr)
- FRN 300 – Advanced French Conversation (3 cr)
- FRN 308 – Diction et Comprehension (3 cr)
- FRN 309 – Advanced French Grammar (3 cr)
- FRN 316 – Composition and Stylistics (3 cr)
- FRN 330 – Masterpieces of French Literature (3 cr)
- FRN 331 – Masterpieces of Francophone Literature (3 cr)
- FRN 340 – Genres Littéraires (3 cr)

French Electives (6 cr)
Select two, at least one at the 400-level:
- FRN 380 – Aspects De La Civilisation FranÇaise (3 cr)
- FRN 392 – French Cultural Studies Immersion (3 cr)
- FRN 400 – Seminar: Advanced Studies in French (3 cr)
- FRN 411 – Theory and Practice of Translation (3 cr)
- FRN 490 – Selected Topics in French (3 cr)

French majors and minors are strongly urged to take history, political science, and geography courses that deal with Francophone countries.

Secondary Education Certification
- TCH 207 – Organizational and Psych Foundations (3 cr)
- TCH 251 – Elements of Middle Level Instruction (3 cr)
- EEC 273 – Introduction to Exceptionalities (3 cr)
- EEC 423 – Effective Instructional Strategies (3 cr)
- EEC 483 – Assessing Children with Exceptionalities (3 cr)
- EDU 426 – Methods of Teaching Foreign Languages (3 cr)
- EDU 495 – Student Teaching & Professional Practicum (3 cr)

Math requirement:
- MAT (except MAT 185)
- MAT (except MAT 185)

Literature requirement:
- ENG 190, ENG 243, ENG 248, OR ENG 250 (3 cr)

Optional Translation Specialization Courses
- FRN 320 – French for the Professions (3 cr)
- FRN 380 – Aspects de la Civilisation Francaise (3 cr)
- FRN 411 – Theory & Practice of Translation (3 cr)
Select one:
- FRN 400 – Special Topics in French OR
- FRN (300+ level)

Graduation Requirements: 120 cr
Free Electives = 39 cr without Cert; 9 cr with Cert
GPA Needed to Declare: 2.0 without Cert; 3.0 with Cert

Basic Skills Examinations: All education majors must pass the first level of the Basic Skills assessments in reading, math, and writing between 48 and 60 credits of coursework. These basic skills tests must be passed before students are permitted to take any 300

Dual Certification: Students planning to teach French will find it to their advantage to work for dual certification in two languages: a language and English, or a language and another field. To achieve dual certification, a student must have the approval of both departments involved, follow an approved course of studies in the specialty areas, take the appropriate methods course, and complete student teaching in both fields. See the Global Languages and Cultures Department for details.

ACTFL Oral Proficiency: All French Secondary Education Certification student must pass the ACTFL Oral Proficiency Interview prior to graduation and reach an advanced low level minimum.

HELPFUL HINTS FOR ADVISING

Year I Any introductory language courses necessary.

French Certificate & Translation in French Certificate available.
French Cultural Studies Minor & French Minor available.

Disclaimer: Courses may be subject to change.
Requirements for Geoenvironmental Science major ≈ 45+ cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Geoenvironmental Core

__ESS 111 - Intro to Weather and Climate (3 cr)
__ESS 110 - Intro to Geology (3 cr)
__GEO 202 - GIS I: Intro to GIS (3 cr)
__GEO 226 - Hydrology (3 cr)
__GEO 391 - Geography Seminar (3 cr)

GEO/ESS Electives and Complex Systems (27+ cr)

Geography Electives (3+ cr)

__GEO 244 - Land Use (3 cr)
__GEO 305 - Geography of Europe (3 cr)
__GEO 308 - Geography of Latin America (3 cr)
__GEO 310 - Transportation Geography (3 cr)
__GEO 313 - Geography of South and Southeast Asia (3 cr)
__GEO 317 - Geography of East Asia (3 cr)
__GEO 320 - Historical Geography (3 cr)
__GEO 322 - Urban Geography (3 cr)
__GEO 329 - Economic Geography (3 cr)
__GEO 415 - Geography of Africa (3 cr)
__GEO 450 - Geography: Geology Field Studies (1-3 cr)

Geoenvironmental Electives (3+ cr)

__ESS 212 - Historical Geology (3 cr)
__ESS 214 - Geology of National Parks (3 cr)
__ESS 220 - Oceanography (3 cr)

  _HCS 430 - Advanced Interpersonal Communication (3 cr)

Free Human Communications Electives (9 cr)
Select 3 from Rhetoric and Symbolism, Organizational Communication, Cultural Perspectives, and/or Interpersonal Communication:
  _HCS ______________________________
  _HCS ______________________________
  _HCS ______________________________

Recommended Internship
Department permission required
  _HCS 391 - Internship I (3 cr)
  _HCS 392 - Internship II (3 cr)
  _HCS 393 - Internship III (3 cr)

Graduation Requirements: 120 cr
Free Electives = 39 cr
GPA Needed to Declare: 2.0

## B.A. students must attain proficiency in a foreign language. Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

♦ Prerequisite for most upper-level courses.

HELPFUL HINTS FOR ADVISING

Year 1
HCS 100 - Intro to Human Communication Studies
  HCS 125 - Survey of Human Communication Studies
  (prerequisite for HCS 200)

Majors must select at least four HCS courses at 300 level or above.

Human Communication Studies Minor available – 18 cr.

Disclaimer: Courses may be subject to change.
Interdisciplinary Arts – B.A. ##

Requirements for Interdisciplinary Arts major = 42 cr

General Education requirements not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Interdisciplinary Arts Core
__IAP 111 – Introduction to Interdisciplinary Arts (3 cr) **
Select three (one to satisfy each Arts Concentration):
__ART 101 – Art Appreciation (3 cr) **
__COM 111 – Intro to Mass Communication (3 cr)
__ENG 243, 248, or 350 - English Literature (3 cr) **
__MUS 121 – Intro to Music (3 cr) **
__THE 121 – Intro to Theater (3 cr) **

Curriculum Track (42 cr)
Interdisciplinary Arts majors choose a primary concentration consisting of 5 courses (15 cr) and two secondary concentrations of 4 courses each (12 cr each). The primary concentration and at least one of the secondary concentrations must be in the arts, although one of the secondary concentrations can be in a discipline outside of the arts. Popular concentrations include communications, dance, art, English, music and theater.

In the curriculum track, majors are also required to take one course in each of the following three areas: History and Culture, Theory and Criticism, Arts Praxis and Professional Skills. See My Degree Audit for full list.

Primary Concentration (15 cr)  
___   __________________________________________  
___   __________________________________________  
___   __________________________________________  
___   __________________________________________  
___   _________________________________(300+ level)

Secondary Concentration I (12 cr)  
___   __________________________________________  
___   __________________________________________  
___   __________________________________________  
___   _________________________________(300+ level)

Secondary Concentration II (12 cr)  
___   __________________________________________  
___   __________________________________________  
___   __________________________________________  
___   _________________________________(300+ level)

Senior Capstone (3 cr)  
__IAP 449 – Interdisciplinary Arts Senior Thesis (3 cr) OR  
__IAP 451 – Interdisciplinary Arts Showcase (3 cr) OR  
__IAP 452 – Interdisciplinary Arts Internship (3 cr) OR  
__IAP 453 – Interdisciplinary Arts Internship (3 cr)

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

##B.A. students must attain proficiency in a foreign language. Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Disclaimer: Courses may be subject to change.
Requirements for International Studies major = 42 cr

General Education requirements not listed here. Courses marked with the double asterisk ** may count as general education requirements.

International Studies (6 cr)
__INT 200 – Intro to International Studies, Concepts and Methods (3 cr)
__INT 300 – International Studies Seminar (3 cr)

Requirements for Fall 2018 General Education (12 cr)
__HIS 105 – Historical Foundation of Global Cultures (3 cr) **
__HIS 106 – Modern World History (3 cr) **
__PLS 141 – World Politics (3 cr) **
__GEO 140 Human Geography OR
__ECO 113 Principles of Economics ** (ECO 113 required for Global Business Concentration)
Select one:
__ANT 111 – Cultural Anthropology (3 cr) OR
__GEO 101 – World Geography (3 cr)

Foreign Language Requirement (9 cr)
______________________________ (200+ level)
______________________________ (200+ level)
______________________________ (200+ level)

*9 credit hours at the 200-level or higher in Arabic, French, German, or Spanish. 9 credit hours at any level for other languages.

Study Abroad or Internship Requirement (3 cr)
Select one:
__Study Abroad ____________ OR
__Internship ______________

Students must select two concentrations: 1) Global Perspectives concentration 2) Area Studies concentration.

Global Perspectives Concentration (12 cr)
Choose either Comparative Cultures, Political Relations, or Business & Economics:
___________________________
___________________________
___________________________ (300+ level)
___________________________ (300+ level)

*courses must come from at least 2 different disciplines; 6 credits at 300-level or higher

Area Studies Concentration (12 cr)
Choose either Africa & Middle East, Asia, Europe, or Latin America & Caribbean:
___________________________
___________________________
___________________________ (300+ level)
___________________________ (300+ level)

*courses must come from at least 2 different disciplines; 6 credits at 300-level or higher

Class list for concentrations available through My Degree Audit.

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

##B.A. students must attain proficiency in a foreign language.

International Studies majors complete the B.A. requirement in the course of completing the major’s foreign language requirement. B.A. proficiency is satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet the B. A. requirement through AP testing or CLEP testing.

International Studies Minor and International Development Minor also available - 21 cr. each/

Disclaimer: Courses may be subject to change.
Mathematics, B.S.

Requirements for mathematics major = 50 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Students must take all courses. Beyond the core courses, students must complete a concentration and do one of the following: complete a minor, complete a second major, or take 3 allied electives*, at least 1 of which must be a non-MAT course.

Mathematics Core (30 cr)
- MAT 185 - First Year Mathematics Seminar (Spring/1 cr)
- MAT 211 - Calculus I (4 cr) **
- MAT 212 - Calculus II (4 cr)
- MAT 213 - Calculus III (4 cr)
- MAT 217 - Statistics I (4 cr)
- MAT 225 - Discrete Mathematics (4 cr) **
- MAT 318 - Elementary Linear Algebra (3 cr)
- MAT 320 - Intro to Abstract Algebra (3 cr)
- MAT 441 - Real Analysis I (Fall/3 cr)
OR
- MAT 430 Complex Analysis (Spring/3 cr)

Required Computer Science (3-4 cr)
Select one:
- CSC 104 - Programming in Python (3 cr) **
- CSC 180 - Microcomputer Basic (3 cr) **
- CSC 110 - Computer Science I (4 cr) **

Applied Mathematics Concentration
- MAT 322 - Differential Equations (3 cr)
- MAT 326 - Mathematical Modeling (3 cr)
- MAT 410, 422, 476, or 491 (3 cr)
- MAT _____________ (300+ level)
- MAT _____________ (400 level)

Statistics Concentration
- MAT 317 - Statistics II (3 cr)
- MAT 476 - Probability (3 cr)
- MAT 486 - Mathematical Statistics (3 cr)
- MAT _____________ (300+ level)
- MAT _____________ (300+ level)

Either complete a minor, complete a second major, or choose three allied electives numbered 300 or above from ACC, BIO, CHM, CSC, CMPE, ECO, ESS, FIN, MAT, MIS, PHY, SCM, or SWE:
- _____________ (300+ level)
- _____________ (300+ level)
- _____________ (300+ level)

HELPFUL HINTS FOR ADVISING

Semester I
- MAT 211 - Calculus I
- MAT 185 - First Year Math Seminar
- MAT 212 - Calculus II
- MAT 225 - Discrete Mathematics

Semester II
- MAT 318 - Elementary Linear Algebra
- MAT 441 - Real Analysis I (Fall)

Mathematics minor also available - 18-21 cr.

Disclaimer: Courses may be subject to change.
Mathematics, Secondary Education Certification – B.S.

Requirements for Mathematics Secondary Education Certification = 74 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Mathematics Core (42 cr)
- MAT 185 – First Year Mathematics Seminar (3 cr)
- MAT 211 – Calculus I (4 cr) ** Qtag
- MAT 212 – Calculus II (4 cr)
- MAT 213 – Calculus III (4 cr)
- MAT 217 – Statistics I (4 cr)
- MAT 225 – Discrete Mathematics (4 cr) ** Rtag
- MAT 318 – Elementary Linear Algebra (3 cr)
- MAT 320 – Intro to Abstract Algebra (3 cr)
- MAT 441 – Real Analysis I (3 cr)

Required Computer Science (3-4 cr)
- CSC 104 – Programming in Python (3 cr) ** Tag OR
- CSC 180 – Microcomputer Basic (3 cr) ** Tag OR
- CSC 110 – Computer Science I (4 cr)

Secondary Education Concentration
- MAT 326 – Mathematical Modeling (3 cr)
- MAT 333 – Geometry (3 cr) F, odd
- MAT 400 – History of Mathematics (3 cr) F, even
- MAT ________________________(400 level)

Professional Education Requirements (36 cr)
- TCH 207 – Org. & Psych. Foundations (3 cr)
- EEC 273 – Introduction to Exceptionalities (3 cr) ** Dtag
- EEC 423 – Effective Instructional Strategies (3cr)
- RDG 413 – Teaching Reading to ELL (3 cr)
- EEC 483 – Assessing Children with Exceptionalities (3 cr)
- EDU 371 – Technology in the Mathematics Classroom (3 cr)
- EDU 434 – Teaching of Mathematics I (Spring/3 cr)
- EDU 435 – Teaching of Mathematics II (Fall/3 cr)
- EDU 495 – Student Teaching & Practicum (12 cr)

Optional Mathematics and Special Education Certification (21 cr)
Take the following in addition to the courses above:
- EEC 280 – Best Practices in Collaboration (3 cr)
- EEC 320 – Interventions for Comm. Impairments (3 cr)
- EEC 325 – Interventions for Social, Emotional, Behav. (3 cr)
- EEC 330 – Teaching Students with Exceptionalities (3 cr)
- EEC 335 – Interventions for Cognitive or Physical (3 cr)
- EEC 447 – Special Education Processes (3 cr)
- EEC 546 – Transition for Students w/ Disabilities (3 cr)

PAPA examinations: All education majors must pass the first level of the PAPA assessments in reading, math, and writing between 48 and 60 credits of coursework. These basic skills tests must be passed before students are permitted to take any 300

Graduation Requirements: 120+ cr
Free Electives = 1 cr
GPA Needed to Declare: 3.0

- PHY 397 – Intro to Research (3 cr) OR
- PHY 389 – Research II (3 cr)

Computational Physics Concentration (25-26 cr)
- MAT 318 – Elementary Linear Algebra (3 cr)
- MAT 410 – Numerical Analysis (3 cr)
- CSC 111 – Computer Science II (4 cr)
- CMPE 322 – Microcontrollers & Interfaces (4 cr)
- PHY 471 – Computational Physics (4 cr)
- PHY _______________(300+ level)
- PHY _______________(300+ level)
Select one:
- CMPE 220 – Computer Organization (4 cr) OR
- CSC 371 – Database Management Systems (4 cr)

Graduation Requirements: 120 cr
Free Electives = 3-4 cr
GPA Needed to Declare: 2.0

HELPFUL HINTS FOR ADVISING

Semester I
- MAT 211 – Calculus I
- PHY 107 – Seminar for Physics Majors

Semester II
- MAT 212 – Calculus II
- PHY 221 – Fundamentals of Physics I

Students are recommended to complete 1 semester of Calculus before starting the intermediate physics sequence.

Chemistry should be taken in the junior year. Exceptional students may take it earlier.

Computer Science I should be taken early in the program.

Physics minor is available – 26 cr.

Disclaimer: Courses may be subject to change.
Political Science – B.A. ##

Requirements for Political Science major = 36 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

General Education Recommendations:
- MAT 117 – Applied Statistics (3 cr) **
- SOC 101 – Introduction to Sociology ** (3 cr)
Select one:
- ECO 101 – Principles of Macroeconomics (3 cr) ** OR
- ECO 102 – Principles of Microeconomics (3 cr) ** OR
- ECO 113 – Principles of Economics (4 cr) **
Select one:
- GEO 101 – World Geography (3 cr) ** OR
- GEO 103 – Geography of the U.S. & Canada ** (3 cr)

Political Science Core (21 cr)
- PLS 100 – U.S. Government & Politics (3 cr) **
- PLS 141 – World Politics (3 cr) **
- PLS 201 – Foundations of Political Science (3 cr)
- PLS 202 – Applications in Public Affairs (3 cr)
- PLS 300 – Advanced American Government (3 cr)
- PLS 301 – Political Science Research Methods (3 cr)
- PLS 399 – Senior Seminar (3 cr)

Experiential Learning (6 cr)
Select two:
- PLS 251 – Introduction to Comparative Politics (3 cr)
- PLS 252 – Costa Rica: Politics, Economy & Society (3 cr)
- PLS 307 – Applied Research in Political Science (1-3 cr)
- PLS 323 – Campaigns, Elections & Political Parties (3 cr)
- PLS 333 – Applications in State & Local Public Policy (3 cr)
- PLS 347 – Applied Diplomacy (3 cr)
- PLS 348 – Applied Diplomacy (3 cr)
- PLS 357 – Comparative Revolutions (3 cr)
- PLS 358 – European Political Economy & Security (3 cr)
- PLS 359 – European Political Integration & Identity (3 cr)
- PLS 395 – Internship I (3 cr)
- Any Study Abroad course in any discipline.

In addition to the required core and experiential learning, students need to take courses in three other applied competency areas (see below). To meet this requirement, students need 15 credits in oral communication, written communication, and problem solving.

Oral Communication (3 cr):
Select at least one:
- PLS 252 – Costa Rica: Politics, Economy & Society (3 cr)
- PLS 311 – The Legislative Process (3 cr)
- PLS 313 – The Judicial Process (3 cr)
- PLS 324 – Women in American Politics (3 cr)
- PLS 347 – Applied Diplomacy (3 cr)
- PLS 348 – Applied Diplomacy (3 cr)
- PLS 357 – Comparative Revolutions (3 cr)
- PLS 361 – Political Theory from Ancient Times-19th C (3 cr)
- PLS 373 – Public Financial Administration (3 cr)

Written Communication (3 cr):
Select at least one:
- PLS 231 – State and Local Government (3 cr)
- PLS 307 – Applied Research in Political Science (1-3 cr)
- PLS 312 – The American Presidency (3 cr)
- PLS 321 – Public Opinion and Political Media (3 cr)
- PLS 322 – Interest Groups in American Society (3 cr)
- PLS 324 – Women in American Politics (3 cr)
- PLS 325 – African American Politics (3 cr)
- PLS 341 – International Law & Organization (3 cr)
- PLS 351 – European Politics (3 cr)
- PLS 356 – Politics of Developing Regions (3 cr)
- PLS 363 – American Political Thought (3 cr)
- PLS 365 – The Federal System (3 cr)
- PLS 366 – First Amendment Freedoms (3 cr)
- PLS 367 – Criminal Law & Equal Protections (3 cr)
- PLS 371 – Public Management (3 cr)
- PLS 372 – Public Personnel Administration (3 cr)
- PLS 381 – Principles of Labor Relations (3 cr)

Problem Solving (3 cr):
Select at least one:
- PLS 271 – Intro to Public Administration (3 cr)
- PLS 325 – African American Politics (3 cr)
- PLS 331 – Urban Politics & Administration (3 cr)
- PLS 342 – American Foreign Policy (3 cr)
- PLS 343 – Global Economic and Political Conflict (3 cr)
- PLS 351 – European Politics (3 cr)
- PLS 356 – Politics of Developing Regions (3 cr)
- PLS 361 – Political Theory from Ancient Times-19th C (3 cr)
- PLS 362 – Contemporary Political Ideologies (3 cr)
- PLS 365 – The Federal System (3 cr)
- PLS 366 – First Amendment Freedoms (3 cr)
- PLS 367 – Criminal Law & Equal Protect. (3 cr)
- PLS 374 – Public Service Ethics (3 cr)

Students are required to obtain a minor, certificate, or select a 12 credit hour concentration in another department.

Graduation Requirements: 120 cr
Free Electives = 39 cr
GPA Needed to Declare: 2.0

##B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Disclaimer: Courses may be subject to change.
Political Science, International Concentration – B.A. ##

Requirements for Political Science major with International Concentration = 36 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

**General Education Recommendations:**

- MAT 117 - Applied Statistics (3 cr) **
- SOC 101 - Introduction to Sociology **(3 cr)

Select one:

- ECO 101 - Principles of Macroeconomics (3 cr) ** OR
- ECO 102 - Principles of Microeconomics (3 cr) ** OR
- ECO 113 - Principles of Economics (4 cr) **

Select one:

- GEO 101 - World Geography (3 cr) ** OR
- GEO 103 - Geography of the U.S. & Canada ** (3 cr)

**Political Science Core (21 cr)**

- PLS 100 - U.S. Government & Politics (3 cr) **
- PLS 141 - World Politics (3 cr) **
- PLS 201 - Foundations of Political Science (3 cr)
- PLS 202 - Applications in Public Affairs (3 cr)
- PLS 251 - Introduction to Comparative Politics (3 cr)
- PLS 301 - Political Science Research Methods (3 cr)
- PLS 341 - International Law & Organization (3 cr)
- PLS 399 - Senior Seminar (3 cr)

**Experiential Learning (6 cr)**

Select two:

- PLS 252 - Costa Rica: Politics, Economy & Society (3 cr)
- PLS 307 - Applied Research in Political Science (1-3 cr)
- PLS 323 - Campaigns, Elections & Political Parties (3 cr)
- PLS 333 - Applications in State & Local Public Policy (3 cr)
- PLS 347 - Applied Diplomacy (3 cr)
- PLS 348 - Applied Diplomacy (3 cr)
- PLS 357 - Comparative Revolutions (3 cr)
- PLS 358 - European Political Economy & Security (3 cr)
- PLS 359 - European Political Integration & Identity (3 cr)
- PLS 395 - Internship I (3 cr)
- Any Study Abroad course in any discipline.

In addition to the required core and experiential learning, students need to take courses in three other applied competency areas (see below). To meet this requirement, students need 15 credits in oral communication, written communication, and problem solving.

**Oral Communication (3 cr):**

Select at least one:

- PLS 252 - Costa Rica: Politics, Economy & Society (3 cr)
- PLS 311 - The Legislative Process (3 cr)
- PLS 313 - The Judicial Process (3 cr)
- PLS 324 - Women in American Politics (3 cr)
- PLS 347 - Applied Diplomacy (3 cr)
- PLS 348 - Applied Diplomacy (3 cr)
- PLS 357 - Comparative Revolutions (3 cr)
- PLS 361 - Political Theory from Ancient Times-19th C (3 cr)
- PLS 373 - Public Financial Administration (3 cr)

**Written Communication (3 cr):**

Select at least one:

- PLS 231 - State and Local Government (3 cr)
- PLS 301 - Introduction to Sociology (3 cr)
- PLS 307 - Applied Research in Political Science (1-3 cr)

- PLS 312 - The American Presidency (3 cr)
- PLS 321 - Public Opinion and Political Media (3 cr)
- PLS 322 - Interest Groups in American Society (3 cr)
- PLS 324 - Women in American Politics (3 cr)
- PLS 325 - African American Politics (3 cr)
- PLS 341 - International Law & Organization (3 cr)
- PLS 351 - European Politics (3 cr)
- PLS 356 - Politics of Developing Regions (3 cr)
- PLS 363 - American Political Thought (3 cr)
- PLS 365 - The Federal System (3 cr)
- PLS 366 - First Amendment Freedoms (3 cr)
- PLS 367 - Criminal Law & Equal Protections (3 cr)
- PLS 371 - Public Management (3 cr)
- PLS 372 - Public Personnel Administration (3 cr)
- PLS 381 - Principles of Labor Relations (3 cr)

**Problem Solving (3 cr):**

Select at least one:

- PLS 271 - Intro to Public Administration (3 cr)
- PLS 325 - African American Politics (3 cr)
- PLS 331 - Urban Politics & Administration (3 cr)
- PLS 342 - American Foreign Policy (3 cr)
- PLS 343 - Global Economic and Political Conflict (3 cr)
- PLS 351 - European Politics (3 cr)
- PLS 356 - Politics of Developing Regions (3 cr)
- PLS 361 - Political Theory from Ancient Times-19th C (3 cr)
- PLS 362 - Contemporary Political Ideologies (3 cr)
- PLS 365 - The Federal System (3 cr)
- PLS 366 - First Amendment Freedoms (3 cr)
- PLS 367 - Criminal Law & Equal Protect. (3 cr)
- PLS 374 - Public Service Ethics (3 cr)

**International Concentration Electives (12 cr)**

Select four:

- PLS 252 - Costa Rica: Politics, Economy & Society (3 cr)
- PLS 307 - Applied Research in Political Science (1-3 cr)
- PLS 324 - Women in American Politics (3 cr)
- PLS 325 - African American Politics (3 cr)
- PLS 331 - Urban Politics & Administration (3 cr)
- PLS 342 - American Foreign Policy (3 cr)
- PLS 343 - Global Economic & Political Conflict (3 cr)
- PLS 347 - Applied Diplomacy (3 cr)
- PLS 348 - Applied Diplomacy (3 cr)
- PLS 351 - European Politics (3 cr)
- PLS 356 - Politics of Developing Regions (3 cr)
- PLS 359 - European Political Integration & Identity (3 cr)
- PLS 394 - Selected Topics in International Politics (3 cr)

Graduation Requirements: 120 cr

Free Electives = 39 cr

GPA Needed to Declare: 2.0

#B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 level or three years of any one foreign language in high school.

Students may also meet this requirement through AP testing or CLEP testing.

A student may count a maximum of six internship credits toward the major. Additional internship credit hours can be used as credits applied toward graduation.

Disclaimer: Courses may be subject to change.
Requirements for Psychology major = 42 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

General Education Psychology Requirement (3 cr)
__PSY 101 - General Psychology (3 cr) **

Psychology Core (27 cr)

Scientific Methods:
__PSY 105 - Research Design & Statistics I (3 cr)
__PSY 205 - Research Design & Statistics II (3 cr)
__PSY 301 - Experimental Psychology (3 cr)

Select one from each category below:

Developmental:
__PSY 265 - Childhood & Adolescence (3 cr) OR
__PSY 352 - Psychology of Adulthood & Aging (3 cr)

Social/Personality:
__PSY 240 - Psychology of Personality (3 cr) OR
__PSY 270 - Social Psychology (3 cr)

Abnormal:
__PSY 330 - Abnormal Psychology (3 cr) OR
__PSY 355 - Child and Adolescent Psychopathology (3 cr)

Neuroscience:
__PSY 320 - Behavioral Neuroscience (3 cr) OR
__PSY 333 - Attention and Consciousness (3 cr)

Cognition/S&P:
__PSY 323 - Sensation and Perception (3 cr) OR
__PSY 325 - Psychology of Human Cognition (3 cr)

Learning/Behavioral:
__PSY 235 - Conditioning and Learning (3 cr) OR
__PSY 383 - Social Learning in Infants and Children (3 cr)

Psychology Electives (12 cr)

Select at least two from each category below:

Ethical & Social Responsibility in a Diverse World:
__PSY 315 - Psych of Prejudice & Minority Experience (3 cr)
__PSY 350 - Psychology of Sustainability (3 cr)
__PSY 365 - Multicultural Psychology (3 cr)
__PSY 410 - Psychology and Women (3 cr)
__PSY 420 - Health Psychology (3 cr)
__PSY 470 - Forensic and Legal Psychology (3 cr)

Professional Development:
__PSY 311 - Applied Behavior Analysis (3 cr)
__PSY 335 - Psychology of Social Influence (3 cr)
__PSY 340 - Introduction to Clinical Psychology (3 cr)
__PSY 361 - Psychology of Group Interaction (3 cr)
__PSY 384 - Helping Skills for Human Services (3 cr)
__PSY 432 - Psychology of Computers & the Internet (3 cr)
__PSY 435 - Psychopharmacology (3 cr)
__PSY 450 - Crisis Intervention (3 cr)
__PSY 475 - Industrial and Organizational Psychology (3 cr)

Psychology Capstone (3 cr)

Select one:
__PSY 374 or 375 - Advanced Research in Psychology (3 cr)
__PSY 379 - Capstone Seminar in Psychology (3 cr)

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

The remaining credits toward your 120 total should comprise a minor (minors are 18-21 credits), other courses of interest outside the major to broaden your higher educational experiences, and additional psychology courses.

Please note students must earn a grade of “C” or higher in all core courses.

#B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Internship - Up to 6 credits can count toward an internship; internship may fulfill the capstone requirement but the credits DO NOT count toward the psychology major.

Students can take PSY 385 Internship I, or both PSY 385 and PSY 386 Internship II. If your internship involves one-to-one confidential and personal interaction with clients, you must take PSY 384 (Helping Skills for Human Professionals) prior to your internship. Likewise, if it involves group interaction, you must take PSY 361 (Group Interaction) prior to your internship. If your internship will involve interaction with children, you must have taken a child psychology or child development course prior to your internship. Comparable training may qualify. Please discuss your preparation with your agency, faculty internship coordinator, or the department internship coordinator.

HELPFUL HINTS FOR ADVISING:

Year I
PSY 101 - General Psychology
PSY 105 - Research Design & Statistics I

Year II
PSY 205 - Research Design & Statistics II
Begin Foundation Courses

Year III
PSY 301 - Experimental Psychology

Psychology minor available - 18 cr

Disclaimer: Courses may be subject to change.
Public Service – B.S.

Requirements for Public Service major = 45 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Political Science Core (27 cr)
- PLS 100 - U.S. Government and Politics (3 cr) **
- PLS 202 - Applications in Public Affairs (3 cr)
- PLS 231 - State and Local Government (3 cr)
- PLS 271 - Introduction to Public Administration (3 cr)

- PLS 374 - Public Service Ethics (3 cr)
- PLS 381 - Principles of Labor Relations (3 cr)
- PLS 389 - Selected Topics in Public Administration (3 cr)
- PLS 395 - Internship I (3 cr)
- PLS 396 - Internship II (3 cr)
- PLS 397 - Internship III (3-6 cr)
- PLS 431 - Pennsylvania Local Government (3 cr)

Political Science Elective (3 cr)
- PLS _______________________
- PLS __________________________(300+ level)

Sociology Requirements (6 cr)
- SOC 101 - Introduction to Sociology (3 cr) **
Select one:
- SOC 241 - Contemporary Social Problems (3 cr)
- SOC 243 - Minority Groups (3 cr)
- SOC 258 - Women’s Roles and Status (3 cr)
- SOC 346 - City and Community (3 cr)
- SOC 351 - Race Relations (3 cr)
- SOC 354 - Social Movements & Social Change (3 cr)
- SOC 363 - Population Problems (3 cr)
- SOC 365 - Elites in Society (3 cr)
- SOC 425 - Sociology of Law (3 cr)

Graduation Requirements: 120 cr
Free Electives = 33 cr
GPA Needed to Declare: 2.0

Internship - The department strongly encourages students to complete an internship. To qualify for an internship, a student must have a 2.0 overall QPA and a 2.3 QPA in the public administration major. Students must have completed the following courses to be eligible for an internship: PLS 100, PLS 201, PLS 231, PLS 271, PLS 300, and PLS 301. A student can count a maximum of six internship credits toward the major.

Public Service minor available – 18 cr

Disclaimer: Courses may be subject to change.
Sociology - B.A. ##

Requirements for Sociology major = 36 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Sociology Core (21 cr)
__SOC 101 – Introduction to Sociology (3 cr) **
__SOC 201 – Sociological Practice (3 cr)
__SOC 220 – Social Inequality (3 cr)
__SOC 311 - Internship (3 cr)
__SOC 380 - Classical Social Theory (3 cr)
__SOC 385 - Introduction to Social Research (3 cr)
__SOC 415 - Senior Seminar (3 cr)

Sociology Electives (15 cr)
__SOC ___________________________
__SOC ___________________________
__SOC ___________________________
__SOC ___________________________
__SOC ___________________________

Allied Fields Requirements (6-7 cr)
__ANT 111 – Cultural Anthropology (3 cr) **
OR
__ANT 105 – Great Discoveries in Archeology (3 cr)
AND
__MAT 117A/B - Applied Statistics (3-4 cr) **

Possible special interest areas:
Cross Cultural Anthropology
__ANT 111 - Cultural Anthropology (3 cr) **
__ANT 211 - Comparative Cultures (3 cr)
__ANT 312 - Comparative Marriages & Family (3 cr)
__ANT 351 - Peoples & Cultures of Europe (3 cr)

Anthropology and Archaeology
__ANT 105 - Great Discoveries in Archeology (3 cr)
__ANT 330 - Mammoth Hunters & Mound builders (3 cr)
__ANT 360 - Aztec & Maya Archaeology (3 cr)

Social Inequality & Diversity
__SOC 220 - Social Inequality (3 cr)
__SOC 243 - Race in America (3 cr)
__SOC 258 - Gender, Culture & Power (3 cr)
__SOC 320 - Sociology of Disability (3 cr)
__SOC 365 - Elites in Society (3 cr)

Culture and Social Change
__SOC 265 - Global Society (3 cr)
__SOC 363 - Growth & Change of Human Populations (3 cr)
__SOC 370 - Sociology of Music (3 cr)
__SOC 375 - Popular Culture (3 cr)
__SOC 354 - Social Movements & Social Change (3 cr)

Gender, Sexuality & Family
__SOC 257 - Family in Modern Society (3 cr)
__SOC 258 - Gender, Culture & Power (3 cr)
__SOC 363 - Growth & Change of Human Populations (3 cr)
__SOC 445 - Sexuality & Sexual Orientation (3 cr)

Deviance
__SOC 244 - Criminology (3 cr)
__SOC 345 - Deviance and Social Control (3 cr)
__SOC 391 - Violence (3 cr)

Disability, Aging & Health
__SOC 320 - Sociology of Disability (3 cr)
__SOC 369 - Medical Sociology (3 cr)
__SOC 371 - Social Dynamics of Aging (3 cr)

Social Institutions/Organizations
__SOC 257 - Family in Modern Society (3 cr)
__SOC 275 - Sociology of Religion (3 cr)
__SOC 346 - City & Community (3 cr)
__SOC 369 - Medical Sociology (3 cr)
__SOC 435 - Gender, Organizations & Leadership (3 cr)

Graduation Requirements: 120 cr
Free Electives = 39 cr
GPA Needed to Declare: 2.0

Free electives are to be taken in appropriate fields with advisement. They may be utilized to pursue various special interest areas in sociology or to develop the equivalent of a minor or a second concentration. Language or research tools may be alternative recommendations.

#B.A. students must attain proficiency in a foreign language.

Proficiency may be satisfied by completing a language class at the 103 (intermediate) level or three years of any one foreign language in high school. Students may also meet this requirement through AP testing or CLEP testing.

Internship - Internships in sociology are highly recommended and may be taken for a total of 9 credits of which 6 credits can be applied to the major.

HELPFUL HINTS FOR ADVISING

Year I
SOC 101 - Introduction to Sociology
MAT 117A/B - Applied Statistics
ANT 111 - Cultural Anthropology

Year II
SOC 201 - Thinking Sociologically
SOC 220 - Social Inequality

Year III
SOC 380 - Classical Social Theory
SOC 385 - Introduction to Social Research

Year IV
SOC 415 - Senior Seminar

A sociology minor is available - 18 cr
An anthropology minor is available - 18 cr

Disclaimer: Courses may be subject to change.
Requirements for Software Engineering major = 73 cr

General Education requirements not listed here. Courses marked with the double asterisk ** may count as general education requirements.

**Engineering Core (12 cr)**
- ENGR 100 - Engineering Seminar I (1 cr)
- ENGR 120 - Programming for Engineers (3 cr)
- ENGR 200 - Engineering Seminar II (1 cr)
- ENGR 300 - Engineering Seminar III (1 cr)
- ENGR 310 - Statistical Process Control (3 cr)

**Software Engineering (20 cr)**
- SWE 100 - Intro to Software Engineering (3 cr)
- SWE 200 - Design Patterns (4 cr)
- SWE 300 - Crafting Quality Code (4 cr)
- SWE 400 - Large Scale Architecture (4 cr)
- SWE 415 - Interdisciplinary Development (4 cr)

**Computer Science (12 cr)**
- CSC 110 - Computer Science I (4 cr)
- CSC 310 - Design & Analysis of Algorithms (4 cr)
- CSC 371 - Database Management Systems (4 cr)

**Computer Engineering (8 cr)**
- CMPE 220 - Computer Organization (4 cr)
- CMPE 320 - Operating Systems (4 cr)

**Mathematics Requirements (9 cr)**
- MAT 211 - Calculus I (4 cr)**
- MAT 225 - Discrete Mathematics (4 cr)**
- MAT 375 - Probability and Stats for Engineers (4 cr)

**Natural Science (8 cr)**
Select two:
- BIO 161 - Prin. of Bio: Cell Str. and Funct. (4 cr)** OR
- CHM 121 - Chemical Bonding (3 cr)** OR
- CHM 125 - Lab IB-Stoichiometry & Reactions (1 cr)
- PHY 205 - Intermediate Physics I (3 cr)
- PHY 123 - Physics I Lab (1 cr)**

**Allied Courses (12 cr)**
Select 3-4 courses. At least 10 credits must be taken beyond the Natural Science requirements:
- BIO 161 - Prin. of Bio: Cell Str. and Funct. (4 cr)**
- BIO 162 - Prin. of Bio: Organismal Diversity (4 cr)**
- CHM 121 - Chemical Bonding (3 cr)** AND
- CHM 125 - Lab IB-Stoichiometry & Reactions (1 cr)
- CHM 122 - Chemical Dynamics (3 cr)** AND
- CHM 126 - Lab IIB-Equilibrium & Instrumentation (1 cr)
- PHY 205 - Intermediate Physics I (3 cr)** AND
- PHY 123 - Physics I Lab (1 cr)**
- PHY 206 - Intermediate Physics II (3 cr) AND
- PHY 125 - Physics II Lab (1 cr)**
- MAT 219 - Data Science I (3 cr)
- MAT 317 - Statistics I (4 cr)
- MAT 318 - Elementary Linear Algebra (4 cr)
- MAT 319 - Data Science II (3 cr)
- MAT 320 - Intro to Abstract Algebra (3 cr)
- MAT 326 - Mathematical Modeling (3 cr)
- MAT 410 - Numerical Analysis (3 cr)
- MAT 421 - Number Theory and Cryptography (3 cr)
- MAT 450 - Combinatorics (3 cr)

**Elective (4 cr)**
- CSC, CMPE, or SWE _________________(300+ level)
- CSC, CMPE, or SWE _________________(300+ level)

Graduation Requirements: 120 cr
Free Electives = 2 cr
GPA Needed to Declare: 2.0

To declare or retain this major, a student must earn a ‘C’ or better in CSC 110 Computer Science I and be at a minimum math placement level of 4.

HELPFUL HINTS FOR ADVISING:

**Semester I**
- SWE 100 - Intro to Software Engineering (4 cr)
- MAT 211 - Calculus I (4 cr)

**Semester II**
- ENGR 120 - Programming (4 cr)
- MAT 225 - Discrete Math (4 cr)

Disclaimer: Courses may be subject to change.
Requirements for Spanish major = 36 cr
Requirements for Spanish major with Secondary Cert = 66 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

**Spanish Core Requirements (30 cr)**
- SPN 202 – Intermediate Conversation (3 cr)
- SPN 204 – Ideas and Cultures from Spanish (3 cr)
- SPN 211 – Intermediate Contextualized Grammar (3 cr)
- SPN 302 – Advanced Spanish Conversation (3 cr)
- SPN 309 – Spanish Phonetics (3 cr)
- SPN 312 – Contextualized Grammar (3 cr)
- SPN 313 – Advanced Composition and Stylistics (3 cr)
- SPN 343 – Introduction to Literary Studies (3 cr)
- SPN 360 – Masterpieces of Spanish Literature (3 cr)
- SPN 361 – Masterpieces of Spanish-American Lit. (3 cr)

**Spanish Electives (6 cr)**
- SPN __________________________(300+ level)
- SPN __________________________(400 level)

**Secondary Education Certification (33 cr)**
- TCH 207 – Organizational & Psych Foundations (3 cr)
- TCH 251 – Elements of Middle Level Instruction (3 cr)
- EEC 273 – Introduction to Exceptionalities (3 cr)
- EEC 423 – Effective Instructional Strategies (3 cr)
- EEC 483 – Assessing Children with Exceptionalities (3 cr)
- EDU 426 – Methods of Teaching Foreign Languages (3 cr)
- EDU 495 – Student Teaching & Practicum (12 cr)

**Math requirement:**
- MAT __________________________(except MAT 185) **
- MAT __________________________(except MAT 185) **

**Literature requirement:**
- ENG 243, ENG 248, OR ENG 250 (3 cr) **

**Environmental requirement:**
- _________________________________

**Optional Translation Specialization**
- SPN 330 – Spanish for the Professions (3 cr)
- SPN 420 – Theory and Practice of Translation (3 cr)
- SPN 425 – Advanced Oral Interpreting (3 cr)

**Basic Skills Examinations:** All education majors must pass the first level of the Basic Skills assessments in reading, math, and writing between 48 and 60 credits of coursework. These basic skills tests must be passed before students are permitted to take any 300

**Dual Certification:** Students planning to teach Spanish will find it to their advantage to work for dual certification in two modern languages: a modern language and English, or a modern language and another field. To achieve dual certification, a student must have the approval of both departments involved, follow an approved course of studies in the specialty areas, take the appropriate methods course, and complete student teaching in both fields. See the Modern Languages Department for details.

**ACTFL Oral Proficiency:** All Spanish Secondary Education Certification student must pass the ACTFL Oral Proficiency Interview prior to graduation and reach an advanced low level minimum.

**Graduation Requirements:** 120 cr
- Free Electives with Education Cert = 9 cr
- Free Electives without Education Cert = 39 cr
- GPA Needed to Declare:  3.0

**Free Electives:** The advisor will suggest courses from other programs that pertain to the history and/culture of Spanish speaking countries. Or student may choose a second Major or other minors. Free Electives are courses not previously taken.

**HELPFUL HINTS FOR ADVISING**

**Year I**
- Any introductory language courses necessary.

**Spanish Minor available – 18 cr**

**Disclaimer:** Courses may be subject to change.
# Sustainability, Environmental Conservation Concentration - B.S.

**Requirements for Sustainability major with Environmental Conservation Concentration = 60 cr**

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

## Sustainability Core (6 cr)
- **ESS 108** – Introduction to Environmental Sustainability (3 cr) **
- OR
- **BIO 145** – Environmental Biology (3 cr)
- **GEO 427** – Sustainability (3 cr)

## Concentration Core (9 cr)
- **GEO 202** – GIS I: Intro to GIS (3 cr)
- **GEO 329** – Economic Geography (3 cr)
- **GEO 391** – Geography Seminar (3 cr)

## Sustainable Systems Requirements (9 cr)
Select three:
- **GEO 203** – Climate, Energy, & Sustainability (3 cr)
- **ESS 214** – Geology of National Parks (3 cr)
- **GEO 301** – Intro to Biogeography (3 cr)
- **GEO 406** – Sustainable Food Systems (3 cr)
- **GEO 444** – Environmental Land Use Planning (3 cr)
- **GEO 446** – Water Resources Management (3 cr)
- **GEO 450** – Geography-Geology Field Studies (1-3 cr) **

**Human Sustainability Requirements (6 cr)**
Select two:
- **GEO 140** – Human Geography (3 cr) **
- **GEO 244** – Land Use (3 cr)
- **GEO 310** – Transportation Geography (3 cr)
- **GEO 322** – Urban Geography (3 cr)

## Technique Course Requirements (6 cr)
Select two:
- **GEO 339** – Remote Sensing (3 cr)
- **GEO 352** – Cartography (3 cr)
- **GEO 363** – GIS II: Intermediate GIS (3 cr)
- **GEO 420** – GIS III: Advanced GIS (3 cr)
- **GEO 425** – Image Processing (3 cr)
- **GEO 440** – Field Techniques (3 cr)
- **GEO 441** – Quantitative Methods (3 cr) **
- **GEO 450** – Geography-Geology Field Studies (1-3 cr) **

## Biology Requirements (6 cr)
- **BIO 162** – Principles of Bio: Organismal Diversity (4 cr) **

Select one:
- **BIO 205** – Marine Biology (3 cr)
- **BIO 208** – Field Biology (3 cr)
- **BIO 210** – Field Zoology (3 cr)
- **BIO 230** – Botany (3 cr)
- **BIO 242** – Ecology (3 cr) **
- **BIO 245** – Marine Ecology (3 cr)
- **BIO 442** – Aquatic Ecology (3 cr)
- **BIO 444** – Conservation Biology (3 cr)

## Psychology and Sociology Requirements (9 cr)
Select one:
- **PSY 101** – General Psychology (3 cr) ** OR
- **SOC 101** – Intro to Sociology (3 cr) **

Select two:
- **PSY 350** – Psych of Sustainability (3 cr) **
- **SOC 265** – Global Society (3 cr)
- **SOC 346** – City and Community (3 cr)
- **SOC 354** – Social Movements and Social Change (3 cr)
- **SOC 363** – Population Problems (3 cr)
- **SOC 404** – Global Leadership for Global Society (3 cr)

## Economics and Business Requirements (6 cr)
- **ECO 102** – Principles of Microeconomics (3 cr)

Select one:
- **ECO 345** – The Economics of Growth & Development (3 cr)
- **ECO 355** – Environmental Economics (3 cr) **
- **MGT 447** – Business and Society (3 cr)
- **MIS 142** – Business Computer Systems (3 cr)
- **MIS 242** – Design & Development of User Info Syst. (3 cr)
- **SCM 420** – Global Logistics Systems (3 cr)

## English, History, and Communication Requirements(6 cr)
Select two:
- **ENG 238** – Technical Writing (3 cr)
- **ENG 359** – Native American Literature (3 cr)
- **ENG 438** – Technical Professional Writing II (3 cr)
- **HCS 345** – Environmental Comm. (3 cr) **
- **HIS 358** – American Enviro. History (3 cr) **

**Graduation Requirements: 120 cr**
Free Electives ≈ 15 cr
GPA Needed to Declare: 2.0

- Free Elective/General Education Requirement
- Free Elective

*These courses can be interchanged between semesters within the specified year.

Courses in bold are part of the business core curriculum as shown in a prerequisite flow chart on the next page.

Please note that sequencing of courses may vary depending upon the specific requirements within a particular major. For example, Accounting, Management Information Systems, Management, Human Resource Management, International Management, and Entrepreneurship, majors should begin their major coursework during the first semester of their junior year.

Check with your advisor or departmental office for further information.
BSBA Core Course Flow Chart

BSN 101 – Foundations of Business Admin. (2 cr) Grade of “C” or higher required

ECO 113*† – Principles of Economics (4 cr) Grade of “C” or higher required

MAT 140 A or B – College Algebra Grade of “C” or higher required

MIS 142 – Business Computer Systems

BSL 261 – American Legal Environment

ACC 200** – Fundamentals of Financial Accounting

ACC 201** – Managerial Accounting

MKT 205** – Principles of Marketing

ECO 280 – Managerial Economics

MAT 181* – Applied Calculus I

MAT 140 A or B – College Algebra Grade of “C” or higher required

ECO 280 – Managerial Economics

MKT 205** – Principles of Marketing

ACC 200** – Fundamentals of Financial Accounting

ACC 201** – Managerial Accounting

FIN 311 – Financial Management

MGT 497 – Strategic Management

MGT 305 – Organizational Behavior

SCM 330 – Supply Chain & Operations Management

MGT 447 – Business & Society

Requirements for Business Majors
- Pass ENG 114 with a “C”
- Maintain 2.0 GPA overall and in the business core and the major
- Complete general education requirements
- Earn at least 120 credits

First Year

Sophomore Year

Junior Year

Senior Year

* This course is a general education course that is required for the BSBA core.
† Both ECO 101 and ECO 102 must be completed with a “C” grade or higher to replace ECO 113. MAT 117B if taken at SHIP, before declaring as a business student will replace SCM 200.
** Accounting majors should take ACC 200 as first-semester sophomores and ACC 201 as second-semester sophomores. Accounting and Personal Financial Planning majors must earn a “C” grade or higher in ACC 200 and ACC 201. Marketing majors must earn a “C” grade or higher in MKT 205.

6/15/21
Accounting – B.S.B.A.

Requirements for Accounting major = 62 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

**B.S.B.A. Core (48 cr)**
- MAT 140A or MAT 140B – College Algebra (3-4 cr) **
- MAT 181 – Applied Calculus (3 cr) **
- ACC 200 – Fundamentals of Financial Accounting (3 cr)
- ACC 201 – Managerial Accounting (3 cr)
- BSL 261 – American Legal Environment (3 cr)
- BSN 101 – Foundations of Business Administration (2 cr)
- ECO 113 – Principles of Economics (4 cr) **
- ECO 280 – Managerial Economics (3 cr)
- FIN 311 – Financial Management (3 cr)
- MGT 305 – Organizational Behavior (3 cr)
- MGT 447 – Business and Society (3 cr)
- MGT 497 – Strategic Management (3 cr)
- MIS 142 – Business Computer Systems (3 cr)
- MKT 205 – Principles of Marketing (3 cr)
- SCM 200 – Statistical Applications in Business (3 cr)
- SCM 330 – Supply Chain & Operations Management (3 cr)

Mathematical Competency: Students who place at the advanced level in the mathematics placement/competency test are not required to take MAT 140A/B.

**Substitutions:** Completion of ECO 101 & ECO 102 will satisfy the requirement for ECO 113, and completion of MAT 117A/B if taken at Shippensburg University will satisfy the requirement for SCM 200.

**Accounting Core (18 cr)**
- ACC 306 – Tax Accounting (3 cr)
- ACC 310 – Intermediate Accounting I (3 cr)
- ACC 311 – Intermediate Accounting II (3 cr)
- ACC 312 – Cost Determination and Analysis (3 cr)
- ACC 404 – Auditing (3 cr)
- MIS 300 – Info Technology & Business Operations (3 cr)
  [Students who double major in ACC and MIS take MIS 355 instead of MIS 300]

**Accounting Electives (3 cr)**
Choose one:
- ACC 401 - Advanced Accounting (3 cr) OR
- ACC 406 - Advanced Tax Accounting (3 cr) OR
- ACC 412 – Advanced Cost Analysis and Control (3 cr) OR
- ACC 490 – Selected Topics in Accounting (3 cr)

Graduation Requirements: 120 cr
Free Electives = 13 cr
GPA Needed to Declare: 2.0

**Declare Accounting:** Students must have a 2.0 cumulative grade point average in all of the 100/200 level business core courses they have completed. Freshmen must wait until the second semester to declare a Business major. EXCEPTION: Those students with MSAT of 605+ or those testing at the advanced level in mathematics on the placement test.

**HELPFUL HINTS FOR ADVISING:**

**Semester I**
- BSN 101 – Foundations of Business
- MAT 140 – College Algebra
- MIS 142 – Business Computer Systems

**Semester II**
- MAT 181 – Applied Calculus I
- ECO 113 – Principles of Economics

**Semester III**
- ACC 200 – Fundamentals of Accounting
- BSL 261 – American Legal Environment
- MKT 205 – Principles of Marketing

**Semester IV**
- ACC 201 – Managerial Accounting
- ECO 280 – Managerial Economics
- SCM 200 – Statistical Applications

**Notes:** MAT 140 is recommended before taking ECO 113.

MIS 142 Business Computer Systems is a prerequisite for SCM 200.

All B.S.B.A. majors in the John L. Grove College of Business should satisfactorily complete the 100-/200-level business core courses during their freshman and sophomore years and the 300-400-level business core courses during their junior and senior years, as listed below.

**Disclaimer:** Courses may be subject to change.
Entrepreneurship - B.S.B.A.

Requirements for Finance major = 63 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

B.S.B.A. Core (48-49 cr)
- MAT 140A or MAT 140B – College Algebra (3-4 cr)
- MAT 181 – Applied Calculus (3 cr) **
- ACC 200 – Fundamentals of Financial Accounting (3 cr)
- ACC 201 – Managerial Accounting (3 cr)
- BSL 261 – American Legal Environment (3 cr)
- BSN 101 – Foundations of Business Administration (2 cr)
- ECO 113 – Principles of Economics (4 cr)**
- ECO 280 – Managerial Economics (3 cr)
- FIN 311 – Financial Management (3 cr)
- MGT 305 – Organizational Behavior (3 cr)
- MGT 447 – Business and Society (3 cr)
- MGT 497 – Strategic Management (3 cr)
- MIS 142 – Business Computer Systems (3 cr)
- MKT 205 – Principles of Marketing (3 cr)
- SCM 200 – Statistical Applications in Business (3 cr)
- SCM 330 – Supply Chain & Operations Management (3 cr)

Mathematical Competency: Students who place at the advanced level in the mathematics placement/competency test are not required to take MAT 140A/B.

Substitutions: Completion of ECO 101 & ECO 102 will satisfy the requirement for ECO 113, and completion of MAT 117A/B if taken at Shippensburg University will satisfy the requirement for SCM 200.

Finance Concentration (21 cr)
- FIN 312 – Investments (3 cr) F
- FIN 313 – Advanced Financial Management (3 cr) S
- FIN 314 – Financial Institutions (3 cr) F
- FIN 333 – Applied Company & Security Analysis (3 cr) S

Select three of the following:
- FIN 320 – Risk Management and Insurance (3 cr)
- FIN 322 – Estate Planning (3 cr)
- FIN 324 – Retirement Planning and Employee Benefits (3 cr)
- FIN 340 – Principles of Real Estate (3 cr)
- FIN 393 – Selected Topics in Finance (1-3 cr)
- FIN 405 – Real Estate Appraisal & Investment Analysis (3 cr)
- FIN 414 – Bank Management (3 cr)
- FIN 421 – Personal Financial Planning (3 cr)
- FIN 425 – Global Financial Management (3 cr)
- FIN 434 – Investment Management Program (1-3 cr)
- FIN 435 – Investment Management Program (1-3 cr)
- FIN 442 – Derivatives Markets (3 cr)
- FIN 490 – Selected Topics in Finance (1-3 cr)

Personal Financial Planning Concentration (21 cr)
- FIN 312 – Investments (3 cr) F
- FIN 320 – Risk Management & Insurance (3 cr) S
- FIN 322 – Estate Planning (3 cr) F
- FIN 324 – Retirement Planning & Employee Benefits (3 cr) S
- FIN 333 – Applied Company & Security Analysis (3 cr) S
- FIN 421 – Personal Financial Planning Capstone (3 cr) S

___ACC 306 - Tax Accounting (3 cr) S

Graduation Requirements: 120 cr
Free Electives = 12 cr
GPA Needed to Declare: 2.0

Declare Finance: Students must have a 2.0 cumulative grade point average in all of the 100/200 level business core courses they have completed. Freshmen must wait until the second semester to declare a Business major. EXCEPTION: Those students with MSAT of 605+ or those testing at the advanced level in mathematics on the placement test.

HELPFUL HINTS FOR ADVISING:
- Semester I
  - BSN 101 – Foundations of Business
  - MAT 140 – College Algebra
  - MIS 142 – Business Computer Systems
- Semester II
  - MAT 181 – Applied Calculus I
  - ECO 113 – Principles of Economics
- Semester III
  - ACC 200 – Fundamentals of Accounting
  - BSL 261 – American Legal Environment
  - MKT 205 – Principles of Marketing
- Semester IV
  - ACC 201 – Managerial Accounting
  - ECO 280 – Managerial Economics
  - SCM 200 – Statistical Applications

Notes: MAT 140 is recommended before taking ECO 113.

MIS 142 - Business Computer Systems is a prerequisite for SCM 200.

All B.S.B.A. majors in the John L. Grove College of Business should satisfactorily complete the 100/200-level business core courses during their freshman and sophomore years and the 300-400-level business core courses during their junior and senior years, as listed below.

F=Fall only S=Spring only

Teacher Education
  Early Childhood/Elementary Education PK-4
  Elementary/Middle School Education 4-8
  Elementary/Middle School Education 4-8/Special Education Dual Certification
Many individuals have found that they enjoy working with children or young adults through babysitting, summer camps, athletics, etc. and then decide that they would like to teach these age groups. This enjoyment and appreciation of youth is a basic necessity for a teacher but as one educator said, “You can’t teach what you don’t know.” Therefore, the teacher education program for either early childhood/elementary education (Grades PK-4, Special Education PK-4 Dual Education Majors) or elementary/middle level education (Grades 4-8) majors is a blend of practical experiences with children grounded in a solid academic background in the general education program and in the major.

If you, as an exploratory student, are considering one of these majors, it must be a sound decision based on the understanding that you will be teaching children and young adults to take their places in society in the 21st century. You will need to: be a literate individual, knowledgeable in the math, sciences, social sciences and humanities; hone/ sharpen critical and creative thinking skills, problem solving skills; have an appreciation of multicultural and international perspectives; and have an understanding of special needs children in inclusive classrooms in order to fulfill your responsibility to the children you teach.

All three programs at Shippensburg consist of a four-year program leading to the degree of Bachelor of Science in Education. Successful completion of this program of study qualifies the graduate for a variety of professional employment possibilities. The PK-4 Early Childhood/Elementary program leads to a PK-4 teaching certificate, thus qualifying the graduate for employment in any level pre-kindergarten through fourth grade. The dual Special Education/ PK-4 program leads to both PK-4 and special education certification. Those students choosing the Elementary/Middle Level program will select either one or two subjects in which they will be certified for the fourth through eighth grade level. The subject areas are: Social Studies, Language Arts, Math or Science. If a student selects the option to be certified in two subjects, one of the subjects must be math or science.

The curriculum for the programs can be divided into two parts: first, the university’s General Education requirements; and secondly, the education certification course requirement which focus on the particular grade band that a student will be certified to teach. Students must successfully complete the PAPA by a designated point before being permitted to continue, and complete required coursework with grades of “C” or higher. They must also have a 3.0 grade point average before gaining entry into either program.

Students need to demonstrate initiative, patience, and empathy for children as they learn to plan and guide the child’s program and to observe the child’s application of skills and knowledge. Their program emphasizes knowing how and when to help the child learn using a reflective model of teaching. Through study, direct observation, and participation, students grow in understanding various methods of teaching and become skillful in the use of curriculum materials and specialized equipment. They critically examine various courses of study and the newer techniques of measuring and assessing children’s social and academic growth.

Hockersmith, P.E., School of Education and Human Services, June 2005.
Updated: Royce, C., Teacher Education, Shippensburg University, July, 2009.

Entry Requirements

For admission into one of the program areas in the Department of Teacher Education, complete and submit the application on the next page. Data used in the selection process include: your completed application form which includes a Statement of Commitment, high school and college GPA. If you are selected, you will be notified prior to scheduling so that you can select appropriate courses.

Required: a minimum 3.0 GPA from Shippensburg prior to completing the application.
Suggestions: Have an academic advisor read the Statement of Commitment prior to submitting the application.
INTRA-CAMPUS TRANSFER

The screening procedures for students currently enrolled in programs at Shippensburg University who seek admission to programs within the Teacher Education Department.

1. Opportunity for transfer is provided throughout the fall and spring semesters. Applications will only be considered after a GPA of at least 15 credits is established. A completed hard-copy application must be delivered to the Teacher Education office.

2. Data used in the decision process are:
   1. Completed application form (submitted on time)
   2. University GPA - 3.0 required
   3. Statement of Professional Commitment (Please respond to the following prompts)
      1. Why have you chosen this career?
      2. What abilities or qualities do you have to offer this profession?
      3. Why do you want to work with children?
   4. Communication Skills
      1. Basic Oral Communication
      2. College Writing

3. Print a copy of your transcript and attach to this application.

4. Additional requirements for applicants with 60 credits or enrolling in junior level classes:
   1. Passing scores on Basic Skills Test.

5. Before student teaching all D and F grades must be repeated in a face-to-face regular semester or summer class at Shippensburg University.

Applicants will be ranked and offered admission as space becomes available.

FOR STUDENTS INTERESTED IN TEACHING SECONDARY EDUCATION

Shippensburg University has no Secondary Education Department. All students interested in teaching in a specific discipline must apply directly to the department as the degree will be a degree in the subject area with certification added.

Most secondary programs can be completed in 4 years. In situations where a student wants to complete requirements for more than one certification area, an additional semester may be needed. Field work beginning in the first education course (American School) and additional department requirements must be completed. All secondary majors must achieve a B average by graduation in order to be certified in the state of Pennsylvania.

Entry Requirements for all education majors:

1. A minimum 3.0 Grade Point Average.
2. Declare at the beginning of each semester.
3. Discuss the major with education professors who teach the secondary methods courses.

Suggestions: Contact the College of Education and Human Services at 477-1487 if you have questions regarding secondary education programs.
# Criminal Justice – B.S.

Requirements for Criminal Justice major = 60 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

### Social & Behavioral Science Requirements (9 cr)
- **PLS 100 – U.S. Government & Politics (3 cr)**
- **PSY 101 – General Psychology (3 cr)**
- **SOC 101 – Introduction to Sociology (3 cr)**

### Required Core (21 cr)
- **CRJ 100 – Intro to Criminal Justice (3 cr)**
- **CRJ 221 – Policing a Democracy (3 cr)**
- **CRJ 241 – Survey of Corrections (3 cr)**
- **CRJ 261 – Criminal Law & Procedures (3 cr)**
- **CRJ 309 – Theories of Crime & Crime Control (3 cr)**
- **CRJ 310 – Research Methods (3 cr)**
- **CRJ 452 – Race, Ethnicity & Crime (3 cr)**

### Capstone Course (3 cr)
- **CRJ 454 – Policy, Professionalism, and Ethics (3 cr)**

### Criminal Justice Electives (21 cr)
Select 7 of the following:
- **CRJ 321 – Criminal Investigation (3 cr)**
- **CRJ 326 – Victimology: The Victim and the Law (3 cr)**
- **CRJ 336 – Introduction to Forensic Science (3 cr)**
- **CRJ 342 – Crime Prevention (3 cr)**
- **CRJ 345 – Organization & Mgmt of CRJ Agencies (3 cr)**
- **CRJ 351 – Juvenile Justice (3 cr)**
- **CRJ 356 – Organized Crime (3 cr)**
- **CRJ 363 – Intimate Partner Violence (3 cr)**
- **CRJ 365 – White Collar Crime (3 cr)**
- **CRJ 370 – Mock Trial (3 cr)**
- **CRJ 377 – Hate Crime (3 cr)**
- **CRJ 381 – Mental Health and the Criminal Justice System (3 cr)**
- **CRJ 396 – Selected Topics in Criminal Justice (3 cr)**
- **CRJ 397 – Selected Topics in Criminal Justice (3 cr)**
- **CRJ 398 – Selected Topics in Victimology (3 cr)**
- **CRJ 411 – Terrorism (3 cr)**
- **CRJ 433 – Evidence Law (3 cr)**
- **CRJ 440 – Community Corrections (3 cr)**
- **CRJ 456 – Forensic Science: Evidence Analysis (3 cr)**
- **CRJ 461 – Social Construction of Homicide (3 cr)**
- **CRJ 463 – Comparative Criminal Justice (3 cr)**
- **CRJ 464 – Popular Culture, Crime and Justice (3 cr)**
- **CRJ 466 – Women and Criminal Justice (3 cr)**
- **CRJ 469 – Victim Treatment and Services (3 cr)**
- **CRJ 471 – Internship in Criminal Justice I (3 cr)**
- **CRJ 472 – Internship in Criminal Justice II (3 cr)**
- **CRJ 481 – Independent Study (1-3 cr)**

Each section of Internship is 3 crs & requires 120 hrs of agency work. Therefore, 3 credits = 120 hrs of work, 6 credits = 240 hrs and so on. **Departmental approval is required.**

### Interdisciplinary Courses (15 cr)
Criminal Justice and Military Science courses will not fulfill this requirement.
- ______________________(at least 200 level)
- ______________________(at least 200 level)
- ______________________(at least 200 level)
- ______________________(at least 200 level)
- ______________________(at least 200 level)

**Graduation Requirements: 120 cr**
Free Electives = 15 cr
GPA Needed to Declare: 2.6

Criminal Justice majors are limited to 45 credits of CRJ courses. CRJ courses cannot be used for Free Electives or for Interdisciplinary Courses.

A Criminal Justice minor is available - 18 cr

A certificate in Victimology and Victim Services is available - 12 cr

**Disclaimer:** Courses may be subject to change.
Early Childhood/Elementary Education: PK-4 – B.S.Ed.

Requirements for Early Childhood/Elementary Education major = 75 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements. See Degree Audit or Elem: Early Childhood (PreK-4) Planning Sheet on Department of Teacher Education webpage for General Education requirements.

Mathematics Requirement (6 cr)
__MAT 110 – Fundamentals of Math I (3 cr) **
__MAT 111 – Fundamentals of Math II (3 cr)

Professional Core (60 cr)
__ECH 210 – The Early Childhood Profession (3 cr)
__ECO 220 – Developmental Sci: Physical, Motor, Health (3 cr)
__ECH 260 – Developmental Sci: Cognitive & Language (3 cr)
__ECH 320 – Developmental Sci: Social & Emotional (3 cr)
__ECH 333 – Social Studies Methods for PK-4th Grade (3 cr)
__ECH 343 – Mathematics Methods I for Pre-K & K (3 cr)
__ECH 370 – Assessing Young Children (3 cr)
__ECH 373 – Science and Technology Methods in PK-4 (3 cr)
__ECH 393 – Mathematics Methods II, Grades 2-4 (2 cr)
__ECH 394 – Technology Instruction (1 cr)
__ECH 415 – Professional Practicum in PK-4 (3 cr)
__ECH 440 – Building Family & Community Partner (3 cr)
__ECH 453 – Integrated Curriculum Pre K-4 (3 cr)
__ECH 480 – Early Childhood Professional Seminar (3 cr)
__EEC 273 – Introduction to Exceptionalities (3 cr)
__EEC 423 – Effective Instructional Strategies (3 cr)
__EEC 483 – Assessing Children with Exceptionalities (3 cr)
__RDG 323 – Processes of Word/Text/Comprehension (3 cr)
__RDG 363 – Reading and Writing in PK-4 (3 cr)
__RDG 383 – English Language Learners in PK-4 (2 cr)
__RDG 443 – Reading Measures & Interventions in PK-4 (4 cr)

Student Teaching (12 cr)
__ECH 489 - Early Childhood Student Teaching (12 cr)

Optional Reading Minor (15 cr)
__RDG 334 – Classroom Literacy Assessment (Winter Online)
__RDG 330 – Content Area Reading (Summer Online)
__RDG 345 – Teaching Language Arts (Summer F-to-F)
__RDG 340 – Seminar in Literacy Tutoring (Summer F-to-F)
__RDG 350 – Text Accessibility & Compri (Summer Online)

Graduation Requirements: 120 cr
Free Electives = 0 cr
GPA Needed to Declare: 3.0

PAPA examinations: All education majors must pass the first level of the PAPA assessments in reading, math, and writing between 48 and 60 credits of coursework. These basic skills tests must be passed before students are permitted to take any 300 level or above education course.

HELPFUL HINTS FOR ADVISING:

Semesters I & II General Education courses

Disclaimer: Courses may be subject to change.
### Early Childhood & Special Education – B.S.Ed.

**Requirements for Special Education & Early Childhood Education major = 90 cr**

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements. See Degree Audit or Early Childhood & Special Education Planning Sheet on the Department of Teacher Education webpage for General Education requirements.

**Mathematics Requirement (6 cr)**
- MAT 110 – Fundamentals of Math I (3 cr) **
- MAT 111 – Fundamentals of Math II (3 cr) **

**Professional Core (75 cr)**
- ECH 210 – The Early Childhood Profession (3 cr)
- ECH 280 – Physical, Language & Cognitive Develop. (3 cr)
- ECH 320 – Social & Emotional Basis (3 cr)
- ECH 333 – Social Studies Methods for PK-4th Grade (3 cr)

Exercise Science – B.S.

Requirements for Exercise Science major = 54 cr

General Education program not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Exercise Science Core (25 cr)

- ESC 150 – Introduction to Exercise Science (3 cr)
- ESC 244 – Movement Science & Skill Analysis (3 cr)
- ESC 260 – Principles of Nutrition (3 cr)
- ESC 336 – Motor Behavior (3 cr)
- ESC 340 – Prevention and Care of Athletic Injuries (3 cr)
- ESC 352 – Psychology of Physical Activity (3 cr)
- ESC 375 – Exercise Testing and Prescription (3 cr)
- ESC 453 – Research Design & Statistics (4 cr)

Biology Requirements (8 cr)

- BIO 237 – Human Anatomy & Physiology I (4 cr) **
- BIO 238 – Human Anatomy & Physiology II (4 cr) **

Chemistry Requirements (3-4 cr)

Select one:
- CHM 103 – Chemistry: A Cultural Approach (3 cr) **
- CHM 105 – Chemistry: An Observational Approach (3 cr) **
- CHM 121 – Chemical Bonding (3 cr) ** AND
- CHM 125 – Lab IB-Stoichiometry & Reactions (1 cr)

Physics Requirements (3-4 cr)

Select one:
- PHY 110 – Physics for Society (3 cr) **
- PHY 121 – Intro Physics I-Lecture (3 cr) ** AND
- PHY 123 – Physics I-Lab (1 cr) **

Math Requirement (3-4 cr)

Select one:
- MAT 117A – Applied Statistics (3 cr) **
- MAT 117B – Applied Statistics (3 cr) **
- MAT 217 – Statistics I (4 cr) **

Psychology Requirement (3 cr)

- PSY 101 – General Psychology (3 cr) **

Allied Health Pre-Professional Concentration (25 cr)

- ESC 278 – Medical Terminology (3 cr)
- ESC 321 – Exercise Physiology I (4 cr)
- ESC 333 – Biomechanics (4 cr)
- ESC 420 – Clinical Exercise Physiology (4 cr)
- ESC 421 – Exercise Physiology II (4 cr)
- ESC 395 – Internship (3-12 cr)

Select one:
- ESC 207 – Stress Management (3 cr) OR
- ESC 213 – Org & Admin Fit Sport Fac (3 cr) OR
- ESC 325 – Sport Psychology (3 cr) OR
- ESC 348 – Group Exercise Tech & Lead (3 cr) OR
- ESC 350 – Nutrition Sport/Fit (3 cr) OR
- ESC 360 – Sports Medicine (3 cr) OR
- ESC 387 – Theory & Prac Power & Agility Tr (3 cr) OR
- ESC 395 – Internship (3-12 cr) OR
- ESC 425 – Ex Met & Wt Contr (3 cr) OR
- ESC 452 – Psychology of Injury & Rehabilitation OR
- ESC 475 – Ex Prescription for Special & Athletic Pop (3 cr) OR

Human Performance & Fitness Concentration (25 cr)

- ESC 343 – Foundations of Ex Phys (4 cr)
- ESC 348 – Group Exercise Tech & Lead (3 cr)
- ESC 350 – Nutrition Sport/Fit (3 cr)
- ESC 387 – Theory & Prac Power & Agility Tr (3 cr)
- ESC 475 – Ex Prescription for Special & Athletic Pop (3 cr)
- ESC 495 – Internship (3-12 cr)

Select two:
- ESC 207 – Stress Management (3 cr) OR
- ESC 213 – Org & Admin Fit Sport Fac (3 cr) OR
- ESC 278 – Medical Terminology (3 cr)
- ESC 325 – Sport Psychology (3 cr) OR
- ESC 333 – Biomechanics (4 cr) OR
- ESC 348 – Group Exercise Tech & Lead (3 cr) OR
- ESC 420 – Clinical Exercise Physiology (4 cr)
- ESC 425 – Ex Met & Wt Contr (3 cr) OR
- ESC 452 – Psychology of Injury & Rehabilitation OR
- ESC 475 – Ex Prescription for Special & Athletic Pop (3 cr)

Pre-Athletic Training Concentration (3 + 2 Program)

Required courses:
- ESC 278: Medical Terminology (3 cr)
- ESC 333: Biomechanics (4 cr)
- ESC 343: Foundations of Exercise Physiology (4 cr)

Required general education courses:
- CHM 121: Chemical Bonding (3 cr)
- PHY 121: Introductory Physics I (3 cr)

Elective options (10 credits – varies by graduate program):
- BIO 161: Principles of Biology: Cell Structure & Function (4 cr)
- BIO 162: Principles of Biology: Organismal Diversity (4 cr)
- CHM 125: Laboratory IB – Stoichiometry and Reactions (1 cr)
- PHY 123: Physics I Laboratory (1 cr)
- ESC 200: Lifestyle Management (3 cr)
- ESC 325: Sport Psychology (3 cr)
- ESC 348: Group Exercise Techniques & Leadership (3 cr)
- ESC 350: Nutrition for Sport & Fitness (3 cr)
- ESC 360: Sports Medicine (3 cr)
- ESC 387: Theory & Practice of Power & Agility Training (3 cr)
- ESC 395: Internship (1 - 12 credits)
- ESC 420: Clinical Exercise Physiology (4 cr)
- ESC 425: Exercise Metabolism & Weight Control (3 cr)
- ESC 452: Psychology of Injury & Rehabilitation (3 cr)
- ESC 475: Exer. Prescription for Special & Athletic Populations (3 cr)
- HCS 225: Communication and Sport (3 cr)
- MAT 175: Pre-Calculus (3 cr)

(Continued on next page)
Optional Coaching minor (9 cr)
__ESC 220 – Fundamentals of Coaching (3 cr)
__ESC 325 – Sport Psychology (3 cr)
Select one:
__ESC 213 - Org & Admin Fit Sport Fac (3 cr) OR
__ESC 445 - Coaching Internship (3 cr) OR
__HCS 225 - Communication & Sport (3 cr) OR
__SOC 275 - Sociology of Sport & Leisure (3 cr)

Optional Power, Agility & Group Exercise Certificate Allied Health and Pre-AT concentrations only (6 cr)
__ESC 348 - Group Exercise Techniques & Leadership (3 cr)
__ESC 387 - Theory & Practice of Power & Agility (3 cr)

Graduation Requirements: 120 cr
Free Electives ≈ 19-20
GPA Needed to Declare: 2.0 - 2.5

Transfer students, both internal and external, are selected for admission based on the following criteria: Academic proficiency in college or university course work, including a GPA, credits and grades in select sciences. Selection is competitive and students will be selected from those who fulfill the above requirements.

It is strongly recommended that students complete (or are scheduled to complete) BIO 237: Anatomy & Physiology I and BIO 238: Anatomy & Physiology II (or their equivalents) with a grade of C or higher before transferring to Exercise Science. Please speak with the Exercise Science Department Chair if you have questions.

Allied Health Pre-Professional Concentration:
• Completion of at least 15 credits with a QPA of 2.50 or higher
• Completion of BIO 161, BIO 162, or BIO 237 with a grade of C or higher

Human Performance & Fitness Concentration
• Completion of at least 15 credits with a QPA of 2.00 or higher
• Completion of a Biology, Chemistry, or Physics course with a grade of C or higher

Pre-Athletic Training Concentration
• Completion of at least 15 credits with a QPA of 2.50 or higher
• Completion of BIO 161, BIO 162, or BIO 237 with a grade of C or higher

Disclaimer: Courses may be subject to change.
Social Work – B.S.W.

Requirements for Social Work major = 55 cr

General Education requirements not listed here. Courses marked with the double asterisk ** may count as general education requirements.

Social Work Core (55 cr)
- _SWK 102 – Social Work in Social Welfare (3 cr)_
- _SWK 150 - Human Relations Lab (3 cr)_
- _SWK 250 - Assessing Individuals in Social Enviro. (3 cr)_
- _SWK 265 - Understanding Diversity for SW Practice (3 cr)_
- _SWK 270 – Social Work Practice with Individuals (3 cr)_
- _SWK 375 – Social Work Skills for Working w/ Groups (3 cr)_
- _SWK 327 – Social Work Practice with Families (3 cr)_
- _SWK 340 - Assessing Orgs. & Communities in Society (3 cr)_
- _SWK 360 - Research Techniques for Social Workers (3 cr)_
- _SWK 370 – SW Practice with Orgs. & Communities (3 cr)_
- _SWK 420 – Gender Issues for Helping Professionals (3 cr)_
- _SWK 450 – Social Welfare Policies and Services (3 cr)_
- _SWK 388 – Preparation for Practicum (1 cr)_
- _SWK 462 – Seminar in Social Work Methods (3 cr)_
- _SWK 460 – Field Work in Social Work I (6 cr)_
- _SWK 461 – Field Work in Social Work II (6 cr)_

Social Work Electives (3 cr)
Select at least one:
- _SWK 262 - Introduction to Child Welfare Practice (3 cr)_
- _SWK 347 - Behavioral Health (3 cr)_
- _SWK 348 - Substance Abuse (3 cr)_
- _SWK 351 - Aging (3 cr)_
- _SWK 356 - Intellectual & Develop. Disabilities (3 cr)_
- _SWK 357 - Health Care (3 cr)_
- _SWK 358 - Schools (3 cr)_
- _SWK 359 - Violence in Interpersonal Relationships (3 cr)_
- _SWK 383 - Selected Topics in Social Welfare (1-3 cr)_
- _SWK 490 - Selected Topics in Social Welfare (1-3 cr)_.

Allied Field Requirements (15-16 cr)
- _MAT 117A/B - Applied Statistics (3-4 cr) **_
- _PSY 101 - General Psychology (3 cr) **_
- _BIO 150 - Human Biology (3 cr) **_
- _SOC 101 - Introduction to Sociology (3 cr) **_
- _PLS 100 - U.S. Government and Politics (3 cr) **_

Graduation Requirements: 120 cr

Free Electives = 20-21 cr

GPA Needed to Declare:
- 0-30 credits – 2.0
- 31-60 credits – 2.2
- 60+ credits – 2.3

It is recommended to meet with the department faculty to start Social Work courses if one’s GPA does not meet the above requirements.

HELPFUL HINTS FOR ADVISING

Semester I
- SWK 102 - Social Work in Social Welfare
- BIO 150 - Human Biology
- SOC 101 - Intro. to Soc.
- HIS 105 - Historical Foundations
- ENG 114 - Academic Writing

Semester II
- SWK 150 - Human Relations Lab
- PSY 101 - General Psych.
- HCS 100 - Human Comm.

Semester III
- SWK 250 – Social Work Practice with Individuals
- SWK 265 - Understanding Diversity
- PLS 100 – U. S. Government and Politics
- MAT 117 - Applied Statistics

Semester IV
- SWK 270 – SW Practice with Individuals
- SWK 360 - Research Techniques

Disclaimer: Courses may be subject to change.

A minor in Gerontology - 18 credits - is also available.
