If you are a new student employee (not previously employed at Shippensburg University) you will have to complete a student payroll packet and submit all the paperwork to Human Resources/Payroll BEFORE you begin working. **Students cannot work until all paperwork and required documents are submitted and approved by the HR/Payroll office.**

Students are not permitted to work during times they are scheduled to be in class. There are no exceptions to this rule. Students should only enter hours in eTime for dates and times they have actually worked. If you need assistance with eTime please work with your department's timekeeper.

Student employees are expected to appear on time for their scheduled work hours or provide advance notice if absent or delayed. My signature below indicates that I agree and understand these requirements.

This offer of employment is contingent upon available resources; if budgetary adjustments are made, this offer of employment may be withdrawn.

Department representatives are responsible to notify Human Resources/Payroll of any changes in the student's employment status. This includes, but is not limited to, changes to start and end dates. Departments are responsible to ensure that student employees remain within their budget amounts of hours and earnings. Departments should make every effort to accommodate the constraints that academics impose on students when developing work schedules. Department timekeepers must only approve hours that the student employee actually worked and are responsible to ensure the student employee's time is accurate. **Students cannot work until all paperwork and required documents are submitted and approved by the HR/Payroll office.**
