Please look at the schedule below and select a time you would like to come in and take the LASSI. Once you have selected a time, simply e-mail us at CAPS@ship.edu to inform us of your selection, so we can schedule you into that time slot. You will be expected at that time, since you will not be sent a confirmation email.

Other times may become available after August 30th, but they will be on an individual and first-come, first-serve basis. Your best opportunity to start early and get help quickly is to come on the dates listed below.

However, should you be unable to attend your scheduled time, please let us know as soon as possible, so we can reschedule. Please note that scheduling is also possible on a drop-in basis, but RSVPs are strongly preferred.

**All LASSI sessions will be held in the Learning Center (Mowery Hall, 1st Floor).**

Please check in with Learning Center receptionist or Mowery 109 or 107 if you need help.
