Student Owner Acknowledgement & Consent

I have read and understand the Emotional Support Animal Policies and Procedures and I agree to abide by the requirements applicable to emotional support animals. I understand that if I fail to meet the requirements set forth in the policy, Shippensburg University has the right to exclude the emotional support animal from campus and I will be required to fulfill my housing, academic, and all other obligations for the remainder of the housing contract. I also understand that failure to comply with this policy may result in disciplinary action up to and including a conduct referral to the Dean of Students office.

Furthermore, I give permission to the Office of Accessibility Resources to disclose to others impacted by the presence of my emotional support animal (e.g. residence life staff, potential and/or actual roommate(s)/suitemates(s)) that I will be living with the designated animal pursuant to University policy. I understand that this information will be shared with the intent of preparing for the presence of the emotional support animal and/or resolving any potential issues associated with the presence of the emotional support animal.

I further recognize that the presence of the emotional support animal may be noticed by others visiting or residing in university housing and agree that staff may acknowledge the presence of the animal, and explain that under certain circumstances animals are permitted pursuant to University policy.

As required by the Emotional Support Animal Policy, I have attached the following signed forms:

- a. Emotional Support Animal: Emergency Contact Information form
- b. Emotional Support Animal: Waste Removal Agreement form
- c. Emotional Support Animal: Roommate Agreement form (one for each roommate)
