| Name: | | Residence Hall: | | Room#: | |
| SU ID#: | | Ship email: | @ship.edu | | |

I am requesting to have a service animal or emotional support animal (ESA) reside with me in my suite/room on campus. In making this request, I am also agreeing to procedures and restrictions necessary for the general health and well-being of not only myself but also that of all others in the immediate surrounding area of my on-campus residence.

As indicated in my agreement, I am responsible for harnessing, leashing, or tethering my animal when accessing the waste removal area and for providing waste bags and trash can liners. I am responsible for the cleanliness of this area, will tie off a full garbage bag, set it aside for pick-up, and add a fresh liner to the trash can.

The receptacle is located at:

I understand that failure to adhere to the limitations, procedures, and protocols listed in the Disability and Housing Agreement, and as outlined above, will result in campus Housing, Facilities, Building Services, Disability Services, and/or Environmental Health and Safety imposing sanctions on me, the owner, which may include damage/clean up fees and/or a request for immediate removal of the animal from my on-campus residence.
