### ALMA MATER

As you become part of Shippensburg University, you are joining an institution with 150 years of history and many time-honored traditions. One of these cherished traditions is the singing our Alma Mater. You’ll sing it at your New Student Convocation, after each home football game, commencement, and many more campus events.

**ALMA MATER**

In the dear Old Cumberland Valley  
'Neath the glowing sky—  
Proudly stands our Alma Mater—On a hilltop high.  
'Mid the waving golden cornfields  
Just beyond the town—  
Stand the ivy-covered buildings—As the sun goes down.  
When we leave our Alma Mater  
We will praise her name—  
Ever live to raise the standards—Of her glorious fame.  
(CHORUS)  
Swell the chorus ever louder—We’ll be true to you—  
Hail to thee our Alma Mater—Dear old Red and Blue

Getting Your Books

When is the best time to shop for my books?
• Visit the university bookstore website when you know your courses and section numbers to view the materials. You can either 1) ship the materials to any address, or 2) have them reserved and waiting for you to pick up in the store for free.
• The bookstore has extended, convenient hours at the beginning of the semester to pick up your items.

How do I get course material e-mail notifications?
• Sign up online to be notified as soon as we get the list of materials from your instructor and at least one format is available—then you can choose to have it delivered or pick up in-store. You can get notifications for as many books or courses as you need.

Ship E-mail Account

All university communication will be sent to your Ship e-mail:
• Information about financial aid
• Student account updates
• Student activities/campus events
• Academic and faculty updates
When contacting faculty, staff, and university officials, use your Ship e-mail.

Accessing E-mail from a Mobile Device

Ship supports nearly any mobile device that is capable of using Office 365 or Microsoft Exchange (ActiveSync) e-mail accounts. This includes the iPhone, most Android-based smartphones, and many others. Scan QR code for directions for step-by-step instructions for adding your Ship e-mail account.

If you plan to operate a car on campus, you will need to purchase a parking decal. Failure to register your vehicle will result in a fine. Students can register a vehicle for a parking permit online by visiting PARKING.SHIP.EDU. Once the online registration process is complete, you will have the option to purchase the permits online using a credit card.
