Request for Dual Employment

The purpose of the Request for Dual Employment form is to notify the Provost and Personnel offices that an employee is requesting approval from their dean or supervisor to be compensated for activities in addition to their regular duties. The form should be completed each time that an individual currently employed by the University could be receiving additional compensation through grant funds, for work performed in addition to their regular duties. This form should be completed at the start of the grant.

The grant director should initiate the process of completing section A. of the form. This selection includes the:

1. Employee's Name.
2. Social Security Number.
3. Dual employment bureau or institution is Shippensburg University where the individual is a current employee.
4. Requested class title and description of dual employment duties should indicate the individual's employment classification (example assistant professor step D) and the duties they will be performing through dual employment (example, conducting communication seminar).
5. Date(s) of dual employment should provide the dates which the individual will be performing the additional duties. For example, it may be a date on which they are conducting a workshop or it may be a time frame in which they will be involved in a project.
6. Period when dual employment services will be done is to indicate when the employee will be performing the duties of the dual employment. This item should not conflict with the employee's regular work schedule.
7. Requested pay range should provide the rate of pay. For workshops or individual consultation this is usually indicated on an hourly basis.
8. The rate of payment is the Commonwealth pay schedule.
9. Total payment requested should indicate the maximum amount that the individual will receive over the lifetime of the dual employment authorization (the time period as indicated in 5) for the grant if all work is performed.
10. The justification section is to be used to describe the type of work that is to be performed and the qualifications that the employee has to have to perform the work. This justification can be completed in four or five sentences.
11. The director of the grant should sign the request as the supervisor of the dual employment
12. The Dean of the college where the employee has their regular assignment needs to sign as the agency intermediate. In case where the grant director is to receive the additional compensation, their dean would sign as supervisor of dual employment (11). When these signatures are obtained the form should be forwarded to the Grant Accounting office in Old Main 209. It will then be forwarded from there for final signatures and processing.
