**Millersville University - Shippensburg University MSW Program  
Required Liberal Arts Courses**

According to our requirements, students must demonstrate that they have successfully completed coursework with substantial content in each of the following areas: *Human Biology, Economics, Government/Political Science, Psychology, Statistics and Sociology/Anthropology*. Please provide us with the course numbers and titles of courses in the above areas for which you earned credit. Only one course per area is required, but, if you are unsure, please, add all the courses you believe meet the requirement for substantial content. You may be asked to submit syllabi for courses listed.

The Admissions Committee makes the final decision whether liberal arts requirements have been met. Applicants can be admitted with up to two course deficiencies, which must be completed prior to enrolling in selected MSW courses.
