Pay with our Payment Plan
If you are interested in paying your bill in monthly installments for a Summer term, you can enroll with our vendor, Nelnet Campus Commerce.

**Summer A – Payment Plan** opens April 11, 2023
- Choose a 3-payment plan by enrolling by May 1. Pay 35% down (1st payment) and authorize 2 more automatic installment payments on May 15 and June 15.
- Choose a 2-payment plan by enrolling by May 15. Pay 50% down (1st payment) and authorize 1 more automatic installment payment on June 15.

**Summer B – Payment Plan** opens May 22, 2023
- Choose a 3-payment plan by enrolling by June 2. Pay 35% down (1st payment) and authorize 2 more automatic installment payments on June 15 and July 15.
- Choose a 2-payment plan by enrolling by June 26. Pay 50% down (1st payment) and authorize 1 more automatic installment payments on July 15.

The cost to enroll is $40 per term. The enrollment fee and initial down payment (1st payment) must be made at the time of enrollment. All installment plans require you to set up automatic payments which will be drawn from your designated bank account.

Enrolling in a payment plan and making your down payment will confirm your attendance and clear your bill for the term as long as all prior semester balances have been paid in full. The Summer Payment Plan is for Summer terms only. The plan cannot be set up to pay prior semester overdue balances. Access the payment plan at [https://my.ship.edu](https://my.ship.edu) by going to Student, Paying for College, Enroll in the Payment Plan.

For more information, visit Nelnet’s site at [www.MyCollegePaymentPlan.com/ship](http://www.MyCollegePaymentPlan.com/ship), or go to [https://www.ship.edu/student_accounts/](https://www.ship.edu/student_accounts/) and click on the Payment Plan tab for step-by-step instructions.

If you will not personally be paying your bill, it is your responsibility to get a copy of the bill to the person that will be paying (parent, guardian, trust, etc.) and to be sure that it is paid on time!
NO Balance Due?

If you have a zero or credit balance for a particular term because your financial aid covers your charges in full, ACTION is still required by the due date! You must clear the bill for the summer term in which you are registered.

- If your online statement shows a zero or credit balance (and no payment is due), you must clear your bill online as follows:
  - Login to myShip with your Ship email address and password
  - Click on the Student tab
  - Choose Paying for College in the dropdown
  - In the My Account Information section, click on Clear My Bill
  - From the drop-down menu, select **MANDATORY** Clear My Summer 2023 Term (A or B) Bill for any term in which your account balance is zero and no payment is due.
  - Click the radio button beside Clear me for the Summer 2023 Term (A or B) semester
  - Click the Survey Complete button to submit your response.
  - Make sure you complete surveys for all summer terms in the My Responses section.

- If your online statement does NOT show a zero balance, but you are expecting financial aid to cover your charges, follow the instructions below under “Using Financial Aid as a Credit on Your Bill”.

Schedules may be dropped (even for those accounts with financial aid covering the entire bill) if the bill is not paid or you have not cleared your bill by the due date. Do not rely on the "drop for non-payment" policy to cancel those classes that you do not plan to attend. You should drop unwanted course(s) online prior to or during the term’s drop period.

Employer Paying Your Bill?

If you will be receiving employer reimbursement for your summer tuition, you may apply for a deferment. Go to http://www.ship.edu/Student_Accounts/Forms/ to print an Employer Reimbursement Tuition Deferment Application. This requires signature from your employer so do not delay in completing the application. It must be received in Student Accounts by the bill due date.

Please note that only tuition may be deferred; all fees on your student account must be paid by you by the bill due date in advance of the term.

Using Financial Aid as a Credit on Your Bill

If expected financial aid is not showing on your bill, you should print a copy of your bill and mail it to the Student Accounts Office with proof of your aid. Write your expected aid amounts on the bill, deduct that amount from the charges due, and pay any remaining difference. You may also email this information to studentaccts@ship.edu.

- If you are expecting Federal Direct Subsidized or Unsubsidized loans, you must complete a Summer Loan Application in the Financial Aid Office before you will receive any loan funds.
- If you are expecting Federal Direct Subsidized or Unsubsidized loans, and you are a first time borrower at SU, you must Web Accept your loans AND complete the Master Promissory Note (MPN) and Entrance Counseling at www.studentaid.gov before your aid will be deducted from your bill.

- If you are expecting a Parent PLUS loan, private Alternative loan or private scholarship that is not showing on your bill, you must submit proof of your approval or pre-approval with your bill.

Mail all outside scholarship checks to the Student Accounts Office. If you do not have a check yet, please email the scholarship award letter to studentaccts@ship.edu. We will give you credit for the scholarship on your bill until the check is received.

Students must be making Satisfactory Academic Progress (SAP) in order to receive federal aid for summer. You may review the SAP policy at http://www.ship.edu/Financial_Aid/Eligibility/. Eligibility is expected to be determined by the end of May after spring grades are submitted. The Student Accounts Office may allow you to take credit for federal loans while waiting for this determination; however, should you subsequently become ineligible for the aid, you will be responsible for the full amount of your charges. If you plan to use federal aid for summer and are waiting on spring grades to post, please contact the Student Accounts office to receive a payment deferment.

Students with less than 6 summer credits are NOT ELIGIBLE for Federal Loans.

If you have remaining questions regarding your financial aid, they should be directed to the Financial Aid Office. You may reach the Financial Aid Office at 717-477-1131 or finaid@ship.edu.

Summer Housing

If you plan to live on campus, you will be charged according to the number of weeks you reside on campus. If you are registered for a course that does not start and end on the standard 6-week term dates, or if you plan to stay on campus in between the semester/term breaks, you must request special permission from Jen Milburn, by emailing jsmilburn@ship.edu, to reside in the residence hall for the duration of your course.

If you plan to live on campus, add the appropriate fees (below) to the amount due on your bill, make your payment online, and simply send an email to Student Accounts at studentaccts@ship.edu and tell us you included housing and meals with your payment. If you prefer to pay by mail, print your online bill, add the fees (below) to the amount due on your bill, and mail the bill with payment to the Student Accounts Office.

Housing and Meals for Summer Terms A & B

Students who choose to reside on campus for Summer A will be housed in McCune Hall B Units. Students who choose to reside on campus for Summer B will be housed in McLean Hall. A meal plan is required if you are living on campus. Flex is not available during the summer.

For housing and meal charges, you should determine which meal plan you prefer and then add the Full Term (6-week) cost to your bill. If you are residing on campus more than the 6-week term, please add the actual number of weeks you will reside on campus.

If you are registered for a course that does not start and end on the standard 6-week term dates, and you plan to reside on campus for the duration of the course or in between the semesters/terms, you should calculate the room and meal rate according to the number of weeks you will be on campus (= per week charge X number of weeks in the course length). Add this amount to your summer bill. **Be sure to email Jen Milburn at jsmilburn@ship.edu to request permission to reside on campus for any length of time other than the standard 6-week term.**

If you have any questions about how to add housing and meals to your bill, please contact the Student Accounts Office at studentaccts@ship.edu or 717-477-1211.

For more information on Summer Housing and Housing/Meal Rates, visit the [Summer Housing site](#) and the [Student Accounts webpage](#).

**Refunds for Dropping Courses or Withdrawing from the Term**

You will not be charged for any courses dropped within the initial drop period of each term. After these dates, there is **NO REFUND** for withdrawn courses. If, however, you completely withdraw from the entire term, your charges will be prorated based on the [Summer 2023 Refund Schedule](#) found on the Student Accounts website.

- Summer A (Full 6-week Term) – last date to drop for 100% refund - 5/17/23
- Summer B (Full 6-week Term) – last date to drop for 100% refund - 6/28/23

It is important to note that many summer courses do not run the full length of the terms and are scheduled into various “parts of term” within the full terms A and B. Each part of term has its own drop and add dates and last date to withdraw with a W grade. The summer parts of term are listed on the [Registrar website](#). This chart lists the important dates for each summer part of term. **Refunds are only issued if you drop a course within the drop period of the term (or part of term) in which the course resides.**
