The Kathryn Hughes Seaber Raiders Academic Center for Student-Athletes (RAC), housed inside Ezra Lehman Memorial Library, opened in the fall of 2019 to support the academic well-being of our nearly 500 student-athletes. The staff in the RAC focuses their efforts on helping student-athletes identify personalized goals that are within their aspirations and to help them surpass their expected potential.

OUR MISSION

Our mission here at the RAC is to empower, uplift, and educate student-athletes at Shippensburg University by providing holistic support that is aimed toward enhancing the academic, personal, and professional development of the students.
